RE: ANNUAL REPORT
DEVELOPMENT IMPACT FEES

Development impact fees are collected to fund the development of parks and the acquisition and construction of community centers, swimming pools, and related facilities required to meet expanded needs of the Feather River Recreation & Park District. The details regarding these funds are provided in the Butte County Consolidated Impact Fee Report for the Fiscal Year 2012-2013 ("Report"). In accordance with Government Code Section 66006(b), the Report will be available for public review.

The fees collected were deposited and accounted for in separate funds/accounts within the County Treasury and were separated from the County's General Fund to avoid commingling of those fees as required by the Government Code.
