PERMIT REQUIREMENTS

1. Temporary housing is limited to a maximum of two (2) recreational vehicles, travel trailers, truck campers or movable tiny homes that are self-contained with potable water and sewage disposal tanks, currently registered with the California Department of Motor Vehicles, and not on a permanent foundation.
2. Occupancy of temporary dwellings is limited to a county resident or residents whose residential dwelling has been damaged or destroyed by the Camp Fire.
3. The applicant shall have either a signed and submitted Cal OES Right of Entry Agreement, an approved Alternative Debris Removal Program Plan, or clearance from Butte County Environmental Health that the property is not subject to either program.
4. Applicants shall keep the temporary dwellings a minimum 100 foot setback from all fire debris or hazardous materials that have not been removed from the property.
5. Temporary dwellings shall be connected to an approved source of water meeting one of the following criteria: (a) Public water supply (b) Existing well approved by Butte County Environmental Health, or (c) Other water source approved by Butte County Environmental Health.
6. Temporary dwellings shall be connected to an approved sewage disposal system meeting one of the following criteria: (a) Public sewer system; (b) Existing on-site sewage disposal system that has been approved by Butte County Environmental Health to be intact, adequately sized, and functioning and no closer than 5 feet from the temporary dwelling; (c) Temporary holding tank with a contract with a pumping company for regular pumping; or (d) Other method of sewage disposal approved by Environmental Health.
7. Temporary dwellings shall be connected to an approved source of electricity meeting one of the following criteria: (a) Permitted local utility electrical service connection; or (b) Other power source approved by the Director of Development Services power source.
8. Temporary dwellings shall be located outside of required setbacks established in Chapter 24 of the Butte County Code.
9. Temporary dwellings shall be located outside of the boundaries of any recorded easements, driveways, and flood hazard areas.
10. Solid waste shall not be deposited, or disposed of, on the open ground of the subject property, shall be kept in an appropriate waste receptacle and removed from the property at least once a week in accordance with Butte County Code sections 31-50 and 31-51 [Failure to Remove Solid Waste].
11. Burning of solid waste is prohibited unless permission is obtained from the County Health Officer and Butte County Air Quality Management District.
12. The applicant shall comply with the defensible space requirements around the property, pursuant to Public Resources Code 4291.
13. All temporary dwellings shall be disconnected from utilities and removed from the property no later than December 31, 2020, or within 30-days of the issuance of the certificate of occupancy, unless an extension or modification is approved by the Butte County Board of Supervisors.
