INDEPENDENT LIVING SKILLS INSTRUCTOR

CHICO

Do-It Leisure programs promote wellness through leisure, and assist behavioral and personal growth to its fullest. Do-It Leisure has provided recreation programs for the people with disabilities since 1975. Do-It Leisure is comprised of two major components: Community Programs and Individualized Programs and staff assists clients in increasing their individual skills in order to live in the least restrictive environment possible. An assessment is completed to assist persons in establishing and maintaining a positive lifestyle and developing their fullest potential. Programming may include: self-help skills, personal residence skills, nutrition and cooking, comparative shopping, money management, emergency preparedness, health and safety, hygiene, emotional functioning, and communication. Another component of ILS (Independent Living Skills) is parenting, where we assist clients with learning the many things involved in raising a child and being an effective parent. The Independent Living Skills (ILS) Specialist evaluates priority needs, develops individual program plans and implements activity sessions for referred clients with carried disabilities.

Specific areas of programming are based on independent living skills and needs of individual clients.
