PROGRAM MANAGER

CHICO

Under limited supervision, the Program Manager provides informational guidance and specific direction to support an existing start-up product line's development into a sustainable stand-alone business unit. This key role functionality is to provide strategic direction and leadership rather than tactical instruction. Other WTC Divisions and departments will support these strategic efforts. Position requires increasing the business unit's profitability for new and existing products by developing new complimentary product markets and identifying sales conduits for the operation. Exercises and displays a unique blend of business and education savvy, big-picture vision, and the drive to make the vision a reality.

The Program Manager interacts with all areas of the Work Training Center. Works with manufacturing and assembly Production Managers to define product release requirements. Works with marketing and communications to identify and define go-to-market strategy; includes providing assistance to understand product positioning, key benefits, and target customers. Serves as the internal and external evangelist for product offerings; works with the existing sales channel and key customers. PARADISE

Under the guidance of the agency's Child and Family Teams and the Wraparound Program Manager, this position functions as a member of the Wraparound Program Team. The Parent Partner provides direct services to children and families, secures community resources and participates in orientation as well as serving as a liaison for parent involvement. The Parent Partner in adherence with the Core Practice Model (CPM) participates in Katie A. Child and Family Team (CFT) Meetings. This position offers support to each individual family, as defined with the family team and works as equal partners with the Wraparound Facilitator ICC's and Licensed Clinicians to create a family-centered, strength-based, culturally relevant, needs driven planning process for creating individualized services and supports for children, youth and their families. With the assistance of the Parent Partner the Wraparound process facilitates access to natural, professional, and community based options, activities, and opportunities, as well as providing children with family-based service alternatives allowing them to return to or continue living in a family setting rather than in a RCL 10-14 group home. Please apply online at: www.youth4change.org
