MOTORCYCLE PARTS INVENTORY/CUSTOMER SERVICE

CHICO

North state Motorsports-Chico Honda is looking for motorcycle enthusiasts to join our team. Two positions available, or a hybrid position available for the right candidate.

1. Parts Inventory and Online Sales
2. Customer Service/Showroom Sales

Both positions require very good computer skills, good customer service, and most importantly an enthusiasm for Honda and Husquvarna motorcycles. Must be comfortable communicating professionally with customers for new bikes, bike parts, or aftermarket accessories both in person/over the phone and in writing.

Parts/Inventory will be responsible for filling online orders, communicating over the phone and in writing with online customers, and working with a large inventory of parts. Requires strong computer skills including Excel Spreadsheets, typing and work processing, internet research, and experience/capabilities running an online store (eBay/Amazon/Company Website).

Customer Service involves assisting customers in showroom. Scheduling/facilitating test rides, service appointments. Filling out credit applications and sales invoices. Outstanding customer service/salesmanship a must. Also requires excellent computer skills.

Hybrid of two positions available for the right candidate who is skilled in all areas and wants to be a "star". Preferred candidate will have experience with motorcycles, and be enthusiastic about motorsports and motorcycle culture.

Starting pay: \$15.00/hourly. Full Time.

How to Apply: To apply, email resume with valid contact information and work history to gbesser@ncen.org. Resumes must be in Microsoft Word or Adobe PDF format. Include the subject line "Chico Honda" with your email.

TIRE SERVICER

CHICO

Raise vehicles, using hydraulic jacks. Remount wheels onto vehicles. Unbolt and remove wheels from vehicles, using lug wrenches or other hand or power tools. Place wheels on balancing machines to determine counterweights required to balance wheels. Identify tire size and ply and inflate tires accordingly. Replace valve stems and remove puncturing objects. Hammer required counterweights onto rims of wheels. Reassemble tires onto wheels. Seal punctures in tubeless tires by inserting adhesive material and expanding rubber plugs into punctures, using hand tools. Inspect tire casings for defects, such as holes or tears. Locate punctures in tubeless tires by visual inspection or by immersing inflated tires in water baths and observing air bubbles. Glue tire patches over ruptures in tire casings, using rubber cement. Assist mechanics and perform various mechanical duties, such as changing oil or checking and replacing batteries. Rotate tires to different positions on vehicles, using hand tools. Clean and tidy up the shop. Buff defective areas of inner tubes, using scrapers. Order replacements for tires or tubes. Separate tubed tires from wheels, using rubber mallets and metal bars or mechanical tire changers. Inflate inner tubes and immerse them in water to locate leaks. Clean sides of whitewall tires. Roll new rubber treads, known as camelbacks, over tire casings and mold the semi-raw rubber treads onto the buffed casings. Prepare rims and wheel drums for reassembly by scraping, grinding, or sandblasting. Apply rubber cement to buffed tire casings prior to vulcanization process. Patch tubes with adhesive rubber patches or seal rubber patches to tubes, using hot vulcanizing plates. Place tire casings and tread rubber assemblies in tire molds for the vulcanization process and exert pressure to ensure good adhesion. Drive automobile or service trucks to industrial sites to provide services or respond to emergency calls. Position works in both Chico and Yuba City.

TO APPLY: Please send resumes to Alicia Meyer at ameyer@ncen.org. Please include "Tire Servicer" in subject line.

Employer: North State Tire Co.

TEACHER-SPECIAL EDUCATION-WILSON ELEMENTARY

GRIDLEY

Under the direction of the Site/Program Administrator or his/her designee, BCOE teachers will provide an effective educational program for students in regular, independent study, or special education programs. Teachers of students in infant, preschool, elementary or secondary grades will assess the academic needs and identify the learning styles of their students in order to guide individual and large group instruction; maintain a safe and orderly learning environment; establish school-home relationships; emphasize academic learning utilizing effective instructional strategies, techniques and culturally relevant curriculum to support student achievement.

To meet the learning needs of students, teachers will be part of a systematic collaborative process to analyze student data, thus impacting professional practices that result in improved student learning. Teachers must use an educational process that blends teaching knowledge with student performance, and demonstrate knowledge of the California Standards for the Teaching Profession and the California Academic Content Standards. Teachers will be expected to grow as educational professionals to attain greater confidence in teaching skills.
