**MEMORANDUM OF UNDERSTANDING
BETWEEN THE COUNTY OF BUTTE
AND
THE BUTTE COUNTY SKILLED TRADES UNIT**

Pursuant to the provisions of the Meyers-Milias-Brown Act, Section 3500 et seq., of the California Government Code and Chapter II of the Butte County Personnel Rules and Regulations, representatives of the County of Butte, hereafter called "County," and the United Public Employees of California Local 792 hereafter called "Union," have negotiated concerning the wages, hours and working conditions for employees in the Skilled Trades Unit. This memorandum represents the good faith effort of both the County and the Union representatives to reach agreement on matters of wages, hours and conditions of employment. It is understood that this agreement is not binding upon the County until such time as it is ratified by the Butte County Board of Supervisors and the membership of the Union.

1.00 RECOGNITION

The County recognizes the United Public Employees of California Local 792 as the representative for employees in classifications designated for inclusion in the Skilled Trades Unit of County employees pursuant to Section 3501(b) of the California Government Code and the County Employer/Employee Relations Policy set forth in Chapter 11 of the Butte County Personnel Rules. Such designation classifications are attached hereto as Attachment A.

2.00 MANAGEMENT RIGHTS

The County reserves all rights with respect to matters of general legislative and managerial policy including, among others, the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment; direct its employees; take disciplinary action; relieve its employees of duties because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which governmental operations are to be conducted; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work. These rights shall be limited only as specified in this agreement.

3.00 UNION SECURITY

3.1 General Provisions

The Union shall be provided payroll deduction for membership dues and a second deduction for other authorized and legitimate Union activities. The Union shall provide the Human Resources Department with a written authorization on a form approved by the County, signed by the unit member authorizing the payroll deduction and setting forth the full amount to be deducted each month. The County shall, through the Human Resources Department, forward in a timely manner payroll deductions withheld from employees within the unit. The Union shall immediately notify the Human Resources Department of any cancellation or changes in the deduction authorization.

The County shall not be liable to the Union, employees or any other party by reason of this section for the remittance or payment of any sum other than the actual deductions made from the employee's paycheck. The Union shall save the County harmless against any and all claims, demands, suits, orders,

judgments or other forms of liability that may arise out of or by reason of action taken by the employer under this section.

3.2 Maintenance of Membership

- a) Union membership is not a mandatory condition of employment for any employee covered by this agreement. However, any employee covered by this agreement who is an Union member, or becomes an Union member, shall continue to pay to the Union those dues or fees regularly charged members of the Union in good standing for the life of this agreement. Any new employee covered by this Agreement who, after completing thirty (30) calendar days of employment voluntarily joins the Union, shall be subject to the same terms of continued membership as employees above.
- b) Every employee who is a member of the Union shall have the right to withdraw from membership during the last twenty (20) days of this Union. An employee who has properly withdrawn membership as provided herein shall not be subject to the provisions of this section.
- c) Enforcement of this section shall be the responsibility of the Union, utilizing appropriate civil procedures. The Union shall indemnify and hold the County harmless from any and all claims, demands or suits, or any other action arising from this section.

3.3 Agency Shop

This section shall become effective upon a majority vote of Skilled Trades unit members voting in a secret ballot called for this purpose.

It is the expressed intention of the parties that the provisions of this article respectfully balance the rights of individual employees and the right of the parties to enter into a "fair share service fee" agreement. However, membership in the Union shall be the personal choice of each employee in the bargaining unit. This Section provides for membership dues or fair share service fee collection. The termination/expiration of this Union shall not constitute a basis for the cessation of the implementation of this Section. There shall be no charge to the Union for such dues/fair share service fee deductions. The vote shall be by secret ballot in a method mutually acceptable to the Union and County.

3.4 Dues/Service Fees

No later than thirty (30) days following the implementation of this Section the County shall begin deducting membership dues for members and fair share service fees for non-members from the wages of bargaining unit members and shall thereafter continue to do so on a monthly basis. All employees in the unit who have not authorized a Union dues/fair share deduction under this agreement shall execute an authorization for the payroll deduction.

- a. For purposes of this Section, "employee" shall mean any person entering into the bargaining unit or subsequently modified bargaining unit as mutually agreed upon by the Union and the County.

- b. If through error, the full amount due to be deducted is not deducted and remitted to the Union, the County will, upon written request from the Union and notice to the affected employee, provide subsequent deductions until the shortage is corrected. For its part, the Union shall promptly refund to the employee any deductions erroneously withheld from the employee's wages by the County and remitted to the Union.

3.5 County Responsibilities

The County agrees to provide the Union annually during the month of January, a complete updated listing of the name, classification and department of assignment of all employees designated in the Unit. (Currently includes a list of members, employee identification number, department, classification, hire date and home address (unless such information is otherwise confidential). In the event of a layoff in classes represented by the Union, the Union shall be provided with a copy of the resulting reemployment list(s).

- a. With respect to all sums deducted by the County pursuant to this MOU, whether for membership dues or fair share service fees, initiation fees or special assessments as per Government Code Section 3502.5, the County agrees to promptly remit such monies to the Union each month together with an alphabetical list of unit members, categorized as to member or non-member of the Union, for whom such deductions have been taken, including social security number, gross monthly pay, department, and the amount of dues/fees deducted. The County shall also indicate any changes in personnel from the list previously furnished.

3.6 Religious Beliefs

An employee who is a verified member of a religious body within the meaning of Section 3546.3 of the Government Code shall not be required to financially support the Union as a condition of employment. Such employee, in lieu thereof, shall file a detailed written objection with the Union and the County, establishing the basis for the religious exemption and a request that the Union pay a sum equal to his/her fair share service fee to one of three (below) non-religious, non-labor, charities exempt from taxation under Section 501 (c)(3) of Title 26 of the Internal Revenue Code, designated and mutually agreed upon by the Union and the County. County by the Union, and shall become effective no later than thirty (30) days following the date that the County receives such certification from the Union. Additionally, the Union agrees to furnish any information needed by the County to fulfill the provisions of this Section. The Union shall comply with all applicable statutory and case law in administering this section.

- a. The Union shall be responsible for enforcing the provisions of this section using appropriate civil procedures. If an employee fails to authorize Union dues/fair share deductions the Union may seek enforcement through the courts.

3.8 Indemnification and Hold Harmless

It is specifically agreed that the County assumes no obligation with respect to the Union dues and fair share service fees other than those specified in this Section. The Union agrees that it will hold the County harmless from any claims, actions, or proceedings by any bargaining unit member, arising from deductions made by the County pursuant to this Section. The County will generally utilize attorneys from its County Counsel Office at Union expense to represent it in any matter arising under these sections 3.1-3.8. However, the County may select and utilize outside counsel of its choice at Union expense if it deems it appropriate or otherwise necessary to address any third party matter arising under these sections.

4.3 Use of County Facilities and Resources

With the approval of the Chief Administrative Officer or other County authorized official, the Union may use certain County facilities, resources and supplies, including the County courier and e-mail systems, as long as the County is reimbursed for the cost of any supplies or materials provided to the Union and that such use or supply does not interfere with the efficiency, safety and security of County operations. The County shall provide a list of other officials authorized to permit Union usage of County facilities, resources and supplies.

The Union shall provide the Director of Human Resources with the name, classification and department assigned of each of the negotiators. Should any changes or alternate be appointed after the original list is established, the Union shall advise the Director of Human Resources immediately. Employees designated as unit negotiators shall, as authorized by the Director of Human Resources, be granted a reasonable release time from scheduled duties without loss of pay to meet with the County representative during negotiations of matters of wages, hours and conditions of employment. The County shall not be responsible for any travel, overtime or miscellaneous cost resulting from the Union exercising this right.

5.2 Shop Stewards

The Union shall have the right to establish shop stewards for the Skilled Trades Unit according to the following conditions.

- a) The Union agrees to notify the County Human Resources Director of the names, classifications and departments of their stewards, which shall not exceed five (5) in number, including one chief steward. The Union shall immediately inform the Director of Human Resources of any changes in the original list and provide an update by name, department and classification.

7.00 PERSONNEL FILES

The County shall maintain one official personnel file for each County employee. The employee or his/her representative authorized in writing shall have the right to review and obtain copies of the contents of the employee's personnel files at reasonable intervals without loss of pay during normal business hours. Except as provided below, the normal work schedule shall be 8:00 a.m. to 5:00 p.m. each day of the year except Saturdays, Sundays and holidays. The normal work schedule shall be eighty (80) hours per biweekly pay period for a full-time employee. Except for overtime, callback and standby assignments, departments which necessitate a different operational schedule shall maintain and post an employee assignment schedule. No employee, except in case of emergency, shall be required to work a different work schedule than assigned unless the employee has been notified at least ten (10) working days in advance of the change in work schedule.

If an employee is being assigned to work in a different work location in excess of ten (10) miles and for a period of time that will exceed two consecutive biweekly pay periods, said employee must be provided notice of at least ten (10) working days in advance of the change in work location. For temporary reassignments of less than two (2) consecutive pay periods, mileage shall be paid pursuant to the County's travel policy.

8.2 Alternate Schedules

Upon the recommendation of a department head, alternate, flex-time, job-sharing and voluntary reduced work hours programs may be established, after consultation with the Director of Human Resources and the Union. Any job-sharing program will require that the benefits be pro-rated or as otherwise mutually agreed upon in writing by both parties. Requests for special schedules by employees shall be seriously considered. Employees shall be advised of the decision, pro or con, made on their requests for a special schedule.

Alternate work schedules may include 9/80 schedules, 4/10 schedules, and/or other alternative scheduling patterns. Prior to establishing an entirely new alternate schedule (for example: a 4/10 schedule if one had never existed before), the County shall give notice to the Union and afford the opportunity to meet and confer. Individuals assigned to such schedules shall accrue leaves and holidays on the same basis as employees working the standard 5/8 work schedule; that is, 8 hours per day. Employees shall be charged time off based on the number of hours in the work day missed. In determining which employees are entitled to alternative schedules, the Appointing Authority shall take into account job classification and required skills. Rest periods shall be scheduled in accordance with the requirements of the department but in no case shall rest periods be added to the beginning or the ending of a work shift or lunch period. The appointing authority may designate the time and location at which rest periods may be taken. The fee for a third party administrator will be paid by the County. The medical premium option will be the default option and remain in effect until and/or unless changed by the employee.

The basic group term life insurance will continue to be provided at County expense and will not be part of the Cafeteria Plan.

16.3 Participation Levels

No grievance resolution shall be final until this consultation step has been completed. Time limits set forth herein are not waived pending consultation with the Director of Human Resources or his/her designee.

Prior to filing the formal grievance pursuant to Step 1 below, the employee is required to informally discuss the matter with their supervisor to determine if the issue may be resolved. If the supervisor, however, is not available to meet with the employee or does not respond within five (5) days, the employees may formally file the grievance in accordance with Step 2. NOTE: A grievance must be submitted formally in writing to Step 1, if such option exists, or to Step 2, if Step 1 option does not exist, within fifteen (15) calendar days of the occurrence or the employee's knowledge of the occurrence which gives rise to the grievance.

STEP 1.

Second-level Management Representative

(This step is optional and may be omitted from the procedure in a department or a division thereof by the appointing authority. The County shall provide the Union with a written list of those departments which will utilize this step.) If the grievance is not settled by Step 1, it may be formally submitted to the second-level management representative designated by the appointing authority. The grievance shall be submitted within seven (7) days after receipt of the decision at Step 1 and shall be submitted formally in writing stating the nature of the grievance and the suggested solution. Within seven (7) days after receiving the written grievance, the second-level management representative shall meet with the employee. Within seven (7) days thereafter a written decision shall be delivered to the employee.

STEP 2.

Appointing Authority

If the grievance is not settled under Step 1, it may be formally submitted to the appointing authority. The grievance shall be submitted within seven (7) days after receipt of the written decision from Step 2 or the verbal decision of Step 1, whichever applies. Within seven (7) days after receipt of the written grievance, the appointing authority or designated representative shall meet with the employee. Within seven (7) days thereafter, a written decision shall be delivered to the employee.

STEP 3.

Mediation

If the grievance is not resolved after Step 2, as an alternative to proceeding directly to Step 4, Arbitration, the grievance may be submitted to mediation. A request for mediation may be presented in writing to the Director of Human Resources within seven (7) calendar days from the date a decision was rendered at Step 2. As soon as practicable thereafter, or as otherwise agreed to by the parties, a mediator shall hear the grievance. A request for mediation will automatically suspend the normal processing of a grievance until the mediation process is completed. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal and shall be considered advisory.

STEP 4

Arbitration

If the parties are unable to reach a mutually satisfactory resolution of the grievance as a result of discussions at Steps 1 through 3, or if there is a dispute as to whether or not the grievance meets the definition of grievance under Section 20.02 hereof, the issue shall be submitted to an impartial arbitrator who shall be designated by mutual agreement of grievant and/or his/her representative and the Director of Human Resources. To the extent possible, the parties shall utilize a standing arbitrator to be randomly selected from a panel of seven (7) jointly agreed to by the parties.

1. Should the grievant and/or his/her representative and the Director of Human Resources fail to reach agreement on selection of the arbitrator within twenty (20) days, they shall jointly request a list of seven (7) qualified arbitrators from the California State Mediation and Conciliation Service. This request shall be submitted within five (5) days after expiration of the time allotted to reach mutual agreement on selection of an arbitrator. During the twenty (20) day period, and while waiting for the list from the California State Mediation and Conciliation Service, the Director of Human Resources and the representative(s) of the Union shall make every effort to explore mutually acceptable resolutions to the grievance referred to arbitration. The purpose of this process is to allow both parties to avoid the time and expense of the arbitration process while pursuing mutually acceptable resolutions to grievances. If mutual selection cannot be made from the list received within five (5) days, the parties shall select the arbitrator by alternately striking names until only one name remains; that person shall serve as the arbitrator. The party which strikes the first name from the list of arbitrators shall be determined by a toss of a coin. The parties shall immediately request available dates from the selected arbitrator, subject to California State Mediation and Conciliation Service procedures. Unless the parties mutually agree otherwise; the arbitration shall then be scheduled.

2. The grievant and/or his/her representative shall invoke the arbitration step within seven (7) days of receipt of a decision at Step 3 of this procedure by submitting a written request for arbitration to the Director of Human Resources.
3. In cases in which the Union represents the grievant, the County and Union shall share the arbitration cost on a 50/50 basis. In cases in which the Union is not representing the grievant, or the Union declines to carry a case to the arbitration step, the fees and expenses of arbitration shall be shared on a 50/50 basis by the County and the employee. Each party, however, shall bear the cost of its presentation including preparation and post-hearing briefs, if any, provided that witnesses necessary to the presentation of the employee's case shall be granted necessary time off without loss of pay or benefits to appear at the arbitration hearing.
4. Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto to the extent permitted by law.
5. No arbitrator shall entertain, hear, decide, or make recommendations on any dispute unless such dispute involves a position in the unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in Section 20.02 and is consistent with all provisions herein.
6. Proposals to add to or change the Memorandum of Understanding or written agreements or addenda supplementary thereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this section.
7. No arbitrator shall have the power to amend or modify this Memorandum of Understanding or a law, ordinance, resolution, regulation or rule which is within the authority of the Board of Supervisors or other legislative body or to establish any new terms or conditions of employment. The arbitrator's decision shall be limited only to the application and interpretation of the existing rule in the matter referred for consideration.

20.4 Consistent Awards

No settlement or award shall be made under the grievance procedure which is inconsistent with the terms and conditions of this Memorandum of Understanding or any other County law, ordinance, resolution, regulation or rule, that is not superseded by the MOU. The Director of Human Resources shall have the authority to settle grievances of up to \$10,000 in accordance with Board Resolution No. 01-013.

20.5 Administration of the Grievance Procedure

1. As used herein, a "formally submitted grievance" shall include a concise description of the problem; the section or sections of the memorandum, law, ordinance, resolution, regulation or rule alleged to have been violated; the proposed remedy; the date of the grievance; the date the grievance was filed and the signature(s) of the person or persons filing the grievance.
2. If an employee does not present the grievance, or does not appeal the decision rendered regarding the grievance within the time limits, the grievance shall be considered resolved.

3. If a County representative does not render a decision to the employee within the time limits, the employee may, within seven (7) days thereafter, appeal to the next step in the procedure.
4. If in the judgment of a management representative, the management representative does not have the authority to resolve the grievance, the grievance may be referred to the next step of the procedure.
5. By agreement in writing, the parties may extend any or all of the time limits of the grievance procedure.
6. A copy of all formal grievance decisions shall be forwarded to the grievant, the Director of Human Resources and the Union.
7. After consultation with the Union, the Director of Human Resources may temporarily suspend or consolidate grievance processing on a section-wide basis in an emergency situation. Emergencies shall be defined as natural or civil disaster or overburdening of the grievance procedure by submission of multiple grievances filed as a job action tactic. The Union may appeal the suspension or consolidation action of the Director of Human Resources at the arbitration step of the grievance procedure. In the event of such appeal, the County and the Union agree to jointly request a list of arbitrators from the State Mediation and Conciliation Service within two (2) working days of the Director of Human Resources action and to select an arbitrator within five (5) calendar days of receipt of the list. The party which loses the appeal of the Director of Human Resources action under this section shall pay the full cost of the arbitrator.

20.6 Union's Standing to Grieve

The Union shall have standing to grieve beginning at the first formal step as follows:

- a. On all matters relating to Union rights or prerogatives or on matters relating to the Union's business relationship with the County.
- b. On behalf of former County employees regarding their termination rights and benefits.
- c. Where the Union determines that there is a substantial non-compliance with an otherwise grievable term or condition of employment, where no specific employee is directly affected by an interpretation or application of the County affecting otherwise grievable terms and conditions of employment.
- d. Where a grievance filed by an employee representing themselves or having a representative other than the Union is resolved in a manner the Union believes to be inconsistent with the Memorandum of Understanding.

21.00 SAFETY

21.1 Safe Working Conditions

When an employee has reason to believe a work assignment is in an unsafe work area or involves unsafe equipment, the employee shall report the problem to the immediate supervisor and may refuse to work

in the area or use the equipment until it has been inspected by the supervisor. Should the supervisor, after such inspection, order the employee to work, the employee shall do so unless the employee believes, within reason, the work environment to be unsafe. In such instance, the employee may request the department head or assistant department head to inspect the work area. The employee will be assigned other work until the inspection is made. The decision of the department head is final. Nothing herein shall be deemed to waive the employee's rights under CAL-OSHA.

SKILLED TRADES UNIT PROCEDURE FOR RELEASE OF EMPLOYEES AND STEWARDS FOR REPRESENTATION OF EMPLOYEES

Employees desiring representation by the Union shall first request release time from their immediate supervisor. Supervisors are to provide, within a reasonable period of time, sufficient time for an employee to receive representation. If the time and duration of release is during an emergency, when coverage for the employee is not possible, or essential services may not be interrupted, the supervisor may temporarily deny the release until such time arrangements can be made. Once a time and duration has been agreed upon between the employee requesting representation and his/her supervisor, the employee contacts his/her Steward or the Union to obtain representation.

Stewards contacted for assistance in representation will obtain their supervisor's approval for the time and duration requested. Supervisors are to provide Stewards reasonable time to represent employees, but may restrict release in cases of emergencies, lack of coverage, or where essential services may not be interrupted. Should a Steward not be able to be released when the employee has been approved for release, contact should be made with the Chief Steward or paid staff of the Union to obtain a Steward or a paid representative that is able to meet with the employee during the time the employee has been released. If no other Steward or paid representative is able to provide representation when needed, the Steward should advise and work with his/her supervisor and the supervisor of the employee to arrange a mutual time when the employee and his/her representative may meet.

EMPLOYEE REPRESENTATION RELEASE RECORD

When an agreed upon release time has been approved, the Steward shall initiate completion of the form and have the employee, employee's supervisor and Steward's supervisor complete and sign the record after the representation has been completed.

The original is to be sent to the Personnel Director, with copies to the Steward and his/her supervisor.
