## Butte County Walnut Buying Period Announced

October 28, 2020

Butte County Agricultural Commissioner Louie Mendoza Jr. announced today that November 2, 2020 will be the beginning of the “walnut buying period” to allow the purchasing of walnuts by non-processing buyers, pursuant to the Butte County Nut Theft Ordinance. This period will begin at the conclusion of the Chandler Walnut harvest, and is set in consultation with a committee of walnut growers.

Walnuts are the number one highest valued agricultural commodity in Butte County. According to the Butte County 2019 Crop & Livestock Report there was over 56,000 harvested acres in Butte County with a market value just over \$214 million. “The walnut industry has been vulnerable to theft, the Nut Theft Ordinance is intended to deter such activities,” stated Mendoza.

The Butte County Board of Supervisors adopted the revised Nut Theft Ordinance in 2014. In addition to establishing the buying period, the ordinance also provides requirements for the transportation and identification of walnuts.
