The purpose of this policy is to ensure that oaths, when appropriate, are administered to department members.

102.2 POLICY
It is the policy of the Butte County Probation Department that, when appropriate, department members affirm the oath of their office as an expression of commitment to the constitutional rights of those served by the Department and the dedication of its members to their duties.

102.3 OATH OF OFFICE

Policy Manual

103.1 PURPOSE AND SCOPE
The manual of the Butte County Probation Department is hereby established and shall be referred to as the Policy Manual or the manual. The manual is a statement of the current policies, procedures, rules, and guidelines of this department. All members are to conform to the provisions of this manual.

All prior and existing manuals, orders, and regulations that conflict with this manual are rescinded, except to the extent that portions of existing manuals, orders, and other regulations that have not been included herein shall remain in effect where they do not conflict with the provisions of this manual.

103.2 POLICY
Except where otherwise expressly stated, the provisions of this manual shall be considered as guidelines. It is recognized that the work of law enforcement is not always predictable and that circumstances may arise that warrant departure from these guidelines. It is the intent of this manual to be viewed from an objective standard, taking into consideration the sound discretion entrusted to members of this department under the circumstances reasonably available at the time of any incident.

103.2.1 DISCLAIMER
The provisions contained in the Policy Manual are not intended to create an employment contract nor any employment rights or entitlements. The policies contained within this manual are for the internal use of the Butte County Probation Department and shall not be construed to create a higher standard or duty of care for civil or criminal liability against the County, its officials, or department members. Violations of any provision of any policy contained within this manual shall only form the basis for administrative action, training, or discipline. The Butte County Probation Department reserves the right to revise any policy content, in whole or in part.

103.3 AUTHORITY
The Chief Probation Officer shall be considered the ultimate authority for the content and adoption of the provisions of this manual and shall ensure compliance with all applicable federal, state, and local laws. 300.1 PURPOSE AND SCOPE
This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, members authorized to use force are expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner.

Nothing in this policy is intended to limit members’ lawful ability to defend themselves.

300.1.1 DEFINITIONS
Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when persons allow themselves to be searched, escorted, handcuffed, or restrained.

300.2 POLICY
Officers authorized to use force must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of duties.

The Butte County Probation Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force in the performance of their duties requires monitoring, evaluation, and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE
Any officer present and observing another officer using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force. An officer who observes another employee use force that exceeds the degree of force permitted by law shall promptly report these observations to a supervisor.

300.3 USE OF FORCE
Officers authorized by the Chief Probation Officer to use force in arresting a probationer or preventing a probationer from escaping custody shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably
Use of Force

appears necessary in a particular situation with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons, or methods provided by this department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST
Officers authorized by the Chief Probation Officer and California Penal Code § 830.5 may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance (Penal Code § 835).

An authorized officer who makes or attempts to make an arrest need not retreat or desist from their efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose their right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE
When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include but are not limited to:

(a) The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).
(b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
(c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of available officers vs. subjects).
(d) The conduct of the involved officer (Penal Code § 835a).
(e) The effects of drugs or alcohol.
(f) The individual’s apparent mental state or capacity (Penal Code § 835a).

***DRAFT***
(g) The individual's apparent ability to understand and comply with officer commands (Penal Code § 835a).
(h) Proximity of weapons or dangerous improvised devices.
(i) The degree to which the individual has been effectively restrained and the individual's ability to resist despite being restrained.
(j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
(k) Seriousness of the suspected offense or reason for contact with the individual.
(l) Training and experience of the officer.
(m) Potential for injury to officers, suspects, and others.
(n) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
(o) The risk and reasonably foreseeable consequences of escape.
(p) The apparent need for immediate control of the individual or a prompt resolution of the situation.
(q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
(r) Prior contacts with the individual or awareness of any propensity for violence.
(s) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES
Pain compliance techniques may be effective in arresting a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

(a) The degree to which the application of the technique may be controlled given the level of resistance.
(b) Whether the individual can comply with the direction or orders of the officer.
(c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 USE OF FORCE TO SEIZE EVIDENCE
Authorized officers may use reasonable force to lawfully seize evidence of a crime and to prevent its destruction.

In the instance when force is used to seize evidence, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration, or creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged
Use of Force

to use techniques and methods taught by the Butte County Probation Department for this specific purpose.

300.3.5 USE OF FORCE TO PREVENT INGESTION OF EVIDENCE
Officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband (see the Medical Aid and Response policy.)

300.4 DEADLY FORCE APPLICATIONS
If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers should evaluate the use of other reasonably available resources and techniques when determining whether to use deadly force. The use of deadly force by authorized members is only justified in the following circumstances (Penal Code § 835a):

(a) Officers may use deadly force to protect themselves or others from what they reasonably believe is an imminent threat of death or serious bodily injury to the officer or another person.

(b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended. Where feasible, the officer shall, prior to the use of force, make reasonable efforts to identify him/herself, as an officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.

Officers shall not use deadly force against a person based on the danger that person poses to him/herself, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

An “imminent” threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer’s subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES
Shots fired at or from a moving vehicle are rarely effective. Officers should move out of the path of an approaching vehicle instead of discharging their firearms at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.
300.5 REPORTING THE USE OF FORCE
Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why the officer believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms as specified in department policy, procedure, or law.

300.5.1 NOTIFICATION TO SUPERVISORS
Supervisory notification shall be made as soon as practicable after the application of force in any of the following circumstances:

(a) The application caused a visible injury.
(b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
(c) The individual subjected to the force complained of injury or continuing pain.
(d) The individual indicates intent to pursue litigation.
(e) Any application of the Conducted Energy Weapon or control device.
(f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
(g) The individual subjected to the force was rendered unconscious.
(h) An individual was struck or kicked.
(i) An individual alleges any of the above has occurred.

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE
Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2 (see the Records Maintenance and Release Policy.)

300.6 MEDICAL CONSIDERATIONS
Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until medically assessed.

Based upon the officer’s initial assessment of the nature and extent of the individual’s injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.
Use of Force

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain (sometimes called "excited delirium"), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away (see the Medical Aid and Response Policy).

300.7 SUPERVISOR RESPONSIBILITIES
When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

(a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.

(b) Ensure that any injured parties are examined and treated.

(c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived *Miranda* rights, the following shall apply:
   1. The content of the interview should not be summarized or included in any related criminal charges.
   2. The fact that a recorded interview was conducted should be documented in an incident report.
   3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.

(d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
   1. These photographs should be retained until all potential for civil litigation has expired.

(e) Identify any witnesses not already included in related reports.

(f) Review and approve all related reports.

(g) Determine if there is any indication that the individual may pursue civil litigation.
Use of Force

1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.

   (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

If a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 ASSISTANT CHIEF PROBATION OFFICER RESPONSIBILITY
The Assistant Chief Probation Officer shall review each use of force by any personnel within the Assistant Chief's command to ensure compliance with this policy and to address any training issues.

300.8 TRAINING
Officers will receive periodic training on this policy and demonstrate their knowledge and understanding.

300.9 USE OF FORCE ANALYSIS
At least annually, the Assistant Chief should prepare an analysis report on use of force incidents. The report should be submitted to the Chief Probation Officer or the authorized designee. The report should not contain the names of officers, suspects, or case numbers, and should include:

   (a) Identification of any trends in the use of force by members.

   (b) Training needs recommendations.

   (c) Equipment needs recommendations.

   (d) Policy revision recommendations.
Use of Force Review Boards

301.1 PURPOSE AND SCOPE
This policy establishes a process for the Butte County Probation Department to review the use of force by its members.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or the evaluation of the use of force.

301.2 POLICY
The Butte County Probation Department will objectively evaluate the use of force by its members to ensure that their authority is used appropriately and consistent with training and policy.

301.3 REMOVAL FROM LINE DUTY ASSIGNMENT
Generally, whenever a member’s actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that member will be placed in a temporary administrative assignment pending an administrative review. The Chief Probation Officer or the authorized designee may exercise discretion and choose not to place a member in an administrative assignment.

301.4 REVIEW BOARD
The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another person.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm.

The Chief Probation Officer or the authorized designee may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Chief Probation Officer or the authorized designee will convene the Use of Force Review Board as necessary. It will be the responsibility of the Assistant Chief Probation Officer or supervisor of the involved member to notify the Chief Probation Officer of any incidents requiring board review. The involved member’s Assistant Chief Probation Officer or supervisor will also ensure that all relevant reports, documents, and materials are available for consideration and review by the board.

301.4.1 COMPOSITION OF THE BOARD
The Chief Probation Officer or the authorized designee should staff the Use of Force Review Board with five individuals from the following, as appropriate:

- Representatives of each division
- Staff representative from the involved member’s chain of command
**Use of Force Review Boards**

- A peer officer/department member
- An officer from an outside agency, as appropriate
- Department instructor for the type of weapon, device, or technique used

The senior-ranking staff representative who is not in the same division as the involved member will serve as chairperson.

301.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board’s review, call persons to present information, and request the involved member to appear. The involved member will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief Probation Officer or the authorized designee will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

Absent an express waiver from the involved member, no more than two designated board members may ask questions of the involved member. Other board members may provide questions to the designated board members.

The review shall be based on those facts that are reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures, and approved training to those facts. Facts later discovered but unknown to the involved member at the time shall neither justify nor call into question a member’s decision regarding the use of force.

Any questioning of the involved member conducted by the board will be in accordance with Butte County Probation Department disciplinary procedures, the Personnel Complaints Policy, the current memorandum of understanding, and any applicable state or federal law.

The board shall make one of the following recommended findings:

(a) The member’s actions were within department policy and procedure.

(b) The member’s actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief Probation Officer.
Use of Force Review Boards

The Chief Probation Officer shall review the recommendation, make a final determination as to whether the member’s actions were within policy and procedure, and determine whether any additional actions, investigations, or reviews are appropriate. Those findings will be forwarded to the involved member’s Assistant Chief Probation Officer for review and appropriate action. If the Chief Probation Officer concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief Probation Officer.
Officer-Involved Shootings and Deaths

302.1 PURPOSE AND SCOPE
The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief Probation Officer may decide that the investigation will follow the process provided in this policy.

302.2 POLICY
The policy of the Butte County Probation Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair, and impartial manner.

302.3 TYPES OF INVESTIGATIONS
Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer’s actions.
- An administrative investigation into policy compliance by involved officers.
- A civil investigation to determine potential liability.

302.3.1 CRIMINAL INVESTIGATIONS
The Chief Probation Officer should request that the law enforcement agency in whose jurisdiction the conduct occurred perform a criminal investigation into both the involved officer and the suspect.

302.3.2 ADMINISTRATIVE AND CIVIL INVESTIGATION
Regardless of where the incident occurs, the Butte County Probation Department should conduct an administrative and civil investigation of each involved officer.

302.4 INVESTIGATION PROCESS
These procedures are guidelines used in the investigation of an officer-involved shooting or death.

302.4.1 OFFICER RESPONSIBILITIES
The officer should, as appropriate:

(a) Notify the appropriate local law enforcement agency.
(b) Request appropriate emergency medical services.
(c) Request additional resources from the Department or other law enforcement agencies.
(d) Notify a supervisor.
302.4.2 SUPERVISOR RESPONSIBILITIES
Upon arrival at the scene, the Butte County Probation Department supervisor should ensure completion of the duties outlined above, plus:

(a) In the event a law enforcement investigator has not arrived, attempt to obtain a brief overview of the situation from any uninvolved officers.
   1. In the event there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from the involved officer.

(b) Each involved Butte County Probation Department officer should be given an administrative order not to discuss the incident with other involved officers or Butte County Probation Department members pending further direction from a supervisor.

(c) As soon as practicable, in coordination with the supervising officer of the law enforcement investigator in charge of the criminal investigation, request that involved officers are transported (separately, if feasible) to a suitable location for further direction.
   1. When an involved officer’s weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that the officer is provided with a comparable replacement weapon and appropriate security.

302.4.3 NOTIFICATIONS
The supervisor is responsible for notification to the following persons as soon as practicable:

- Chief Probation Officer
- District Attorney
- County Counsel
- Outside agency investigators
- Psychological/peer support personnel
- Clergy, if requested
- Presiding judge
- Involved officer’s agency representative, if requested

302.4.4 INVOLVED OFFICERS
The following shall be considered for the involved officer:

(a) Any request for legal representation will be accommodated.
   1. Involved Butte County Probation Department officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.

(b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
(c) Discussions with employee groups will be privileged only as to the discussion of non-criminal information.

(d) A licensed psychotherapist should be provided by the Department to each involved Butte County Probation Department officer. A licensed psychotherapist may also be provided to any other affected Butte County Probation Department members, upon request.

1. Interviews with a licensed psychotherapist will be considered privileged.

2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, the involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.

3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).

(e) Peer counselors are cautioned against discussing the facts of any incident with an involved or witness officer (Government Code § 8669.4).

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until law enforcement investigators or lab personnel can properly retrieve it.

Each involved Butte County Probation Department officer should be given reasonable paid administrative leave after an officer-involved shooting or death. It shall be the responsibility of the Chief Probation Officer to make schedule adjustments to accommodate such leave.

302.5 CRIMINAL INVESTIGATION

The District Attorney's Office is responsible for the determination as to whether criminal charges are filed as a result of any officer-involved shooting involving injury or death.

Criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

(a) Butte County Probation Department supervisors should not participate directly in any voluntary interview of Butte County Probation Department officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.

(b) Any voluntary statement provided by an involved officer will be made available for any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

302.5.1 REPORTS BY INVOLVED BUTTE COUNTY PROBATION DEPARTMENT OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved Butte County Probation Department members to provide such reports.
Department officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved Butte County Probation Department officer may write the report, it is generally preferred that such reports be limited to the report completed by the criminal investigators.

Nothing in this section shall be construed to deprive an involved Butte County Probation Department officer of the right to consult with legal counsel prior to completing any such criminal report.

302.6 ADMINISTRATIVE INVESTIGATIONS
In addition to all other investigations associated with the incident, this department will conduct an internal administrative investigation of involved Butte County Probation Department officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Chief Probation Officer or the authorized designee and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy).

(a) Any involved officer may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

(b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.

1. If further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of the prior statement before proceeding with any subsequent interviews.

(c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.

1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer’s physical and psychological needs have been addressed before commencing the interview.

2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, to maintain the integrity of each individual officer’s statement, involved officers shall not consult or meet with a representative collectively or in groups prior to being interviewed (Government Code § 3303(i)).

3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).
4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, the officer should be given Lybarger or Garrity rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.

5. The assigned investigator shall compile all relevant information and reports necessary for the Chief Probation Officer to determine compliance with policies.

6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings to whether there was compliance with the Use of Force Policy.

7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

302.7 AUDIO AND VIDEO RECORDINGS
Any officer involved in a shooting or death may be permitted to review any video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-department witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available video or audio recordings with the approval of assigned investigators or a supervisor.

Any video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or County Counsel, as appropriate.

302.8 DEBRIEFING
The Butte County Probation Department should conduct both a critical incident stress debriefing and a tactical debriefing.

302.8.1 CRITICAL INCIDENT STRESS DEBRIEFING
A critical incident stress debriefing should occur as soon as practicable. The Assistant Chief Probation Officer is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event.

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law, or a valid court order.

Attendance at the debriefing should only include those members of the Department directly involved in the incident. Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the Department, including supervisory personnel and personnel assigned to conduct administrative investigations of this incident.
302.8.2 TACTICAL DEBRIEFING
A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief Probation Officer should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to the criminal and/or administrative investigators.

302.9 MEDIA RELATIONS
Any media release shall be prepared with input and concurrence from the investigating law enforcement agencies. Releases will be available to the Chief Probation Officer and assigned investigators in the event of inquiries from the media.

No involved Butte County Probation Department officer shall comment to the media unless authorized by the Chief Probation Officer and the assigned law enforcement agency.

302.10 REPORTING
If the death, or shooting, of an individual occurs in any incident involving an officer of the Butte County Probation Department and qualifies to be reported to the state, the Chief Probation Officer will ensure that the Administrative Coordinator is provided with enough information to meet the reporting requirements (Government Code § 12525.2; Government Code § 12525).
Firearms

303.1  PURPOSE AND SCOPE
This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance, and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized by law and the Chief Probation Officer to carry firearms.

303.2  POLICY
The Butte County Probation Department may authorize and equip certain members with firearms for specified duties. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

303.3  AUTHORIZED FIREARMS, AMMUNITION, AND OTHER WEAPONS
Members may carry firearms consistent with any written authorization of the Chief Probation Officer identifying when a firearm may be carried and any limitations.

Authorized members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Rangemaster. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized range.

All other weapons not provided by the Department, including but not limited to edged weapons, chemical or electronic weapons, impact weapons, or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the Chief Probation Officer. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

303.3.1  HANDGUNS
The authorized department-issued handgun is the Glock Model 17, Glock Model 21 and Glock Model 22.

 Personally owned firearms for on-duty use may be authorized if approved by both the Rangemaster and the Chief Probation Officer.

303.3.2  SHOTGUNS AND RIFLES
Shotguns and Rifles are not authorized to be carried by any member of the Department.
303.3.3 PERSONALLY OWNED DUTY FIREARMS
Members authorized by the Chief Probation Officer to carry a firearm in the performance of their duties who desire to carry a personally owned duty firearm must receive written approval from the Chief Probation Officer. Once approved, personally owned duty firearms are subject to the following restrictions:

(a) The firearm shall be in good working order and on the department list of approved firearms.
(b) The firearm shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
(c) Prior to carrying the firearm, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the firearm functions properly.
(d) Members shall provide written notice of the make, model, color, serial number, and caliber of the firearm to the Rangemaster, who will maintain a list of the information.

303.3.4 AMMUNITION
Members shall carry only department-authorized ammunition. Members shall be issued fresh duty ammunition in the specified quantity for all department-issued firearms during the member’s firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Rangemaster when needed, in accordance with established policy.

303.4 EQUIPMENT
Firearms shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

303.4.1 REPAIRS AND MODIFICATIONS
Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Rangemaster.

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Rangemaster.

Any repairs or modifications to the member’s personally owned firearm shall be done at the member’s expense and must be approved by the Rangemaster.

303.4.2 HOLSTERS
Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.
303.4.3 TACTICAL LIGHTS
Tactical lights may only be installed on a firearm after they have been examined and approved by the Rangemaster. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

303.4.4 OPTICS OR LASER SIGHTS
Optics or laser sights may only be installed on a firearm after they have been examined and approved by the Rangemaster. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

303.5 SAFE HANDLING, INSPECTION, AND STORAGE
Members shall maintain the highest level of safety when handling firearms and shall consider the following:

(a) Members shall not unnecessarily display or handle any firearm.
(b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Rangemaster. Members shall not dry fire or practice quick draws except as instructed by the Rangemaster or other firearms training staff.
(c) Members shall not clean, repair, load, or unload a firearm anywhere in the Department, except where clearing barrels are present.
(d) Members shall not carry or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into a custodial facility when securing or processing an arrestee, but shall instead place all firearms in a secured location.
(e) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm.
(f) Any firearm authorized by the Department that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Rangemaster approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Rangemaster will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.
303.5.1 INSPECTION AND STORAGE
Handguns shall be inspected regularly and upon access or possession by another person. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. All firearms shall be pointed in a safe direction or into clearing barrels.

Members shall ensure that all firearms are secured in a locked location when not carried on their person while on-duty. Handguns may remain loaded if they are secured in an appropriate holster.

303.5.2 STORAGE AT HOME
Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles, or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

303.5.3 STORAGE IN VEHICLES
When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle’s interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 16850; Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Officers are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

303.5.4 ALCOHOL AND DRUGS
Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or taken any combination thereof that would tend to adversely affect the member’s senses or judgment.

303.6 FIREARMS TRAINING AND QUALIFICATION
All members who carry a firearm while on-duty are required to successfully complete training quarterly with their duty firearms. All members will qualify at least quarterly with their duty firearms. Members will also qualify with secondary firearms at least quarterly. Training and qualifications must be on an approved range course (Penal Code § 830.5).

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations, including low-light shooting.

303.6.1 NON-CERTIFICATION OR NON-QUALIFICATION
If any member fails to attend any firearms training or qualification for any reason, including injury, illness, duty status, or scheduling conflict, that member shall submit a memorandum to
the immediate supervisor and Rangemaster as soon as practicable indicating the reason for the inability to attend.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

(a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.

(b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.

(c) No range credit will be given for:
   1. Unauthorized range make-up.
   2. Failure to meet minimum standards or qualify after remedial training.

Members who repeatedly fail to meet minimum standards will be disarmed.

303.7 FIREARMS DISCHARGE
Except during training, any member who discharges a firearm intentionally or unintentionally, on-duty, shall make a verbal report to the member's supervisor and Rangemaster as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, the member shall file a written report with the Assistant Chief Probation Officer or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.

303.7.1 DESTRUCTION OF ANIMALS
Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., presence of local law enforcement or animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

303.7.2 WARNING AND OTHER SHOTS
Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.
303.8 RANGEMASTER DUTIES
The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Coordinator after each range date.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Rangemaster has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to the personally owned firearm; it will not be returned to service until it has been inspected and approved by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning, and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Training Coordinator documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided, and, on a form that has been approved by the Department, a list of each member who completes the training. The Rangemaster should keep accurate records of all training shoots, qualifications, repairs, maintenance, or other records as directed by the Chief Probation Officer or designee.

303.9 FLYING WHILE ARMED
The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

(a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.

(b) Officers must carry their Butte County Probation Department identification card, bearing the officer’s name, a full-face photograph, identification number, the officer’s signature, and the signature of the Chief Probation Officer or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver’s license, passport).

(c) The Butte County Probation Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer’s travel. If approved, TSA will send the Butte County Probation Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.

(d) An official letter signed by the Chief Probation Officer authorizing armed travel may also accompany the officer. The letter should outline the officer’s need to fly armed,
detail the itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.

(e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.

(f) It is the officer’s responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier’s check-in counter.

(g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of the officer’s assigned seat.

(h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on the officer’s person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.

(i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative, or other management representative of the air carrier.

(j) Officers shall not consume alcoholic beverages while aboard an aircraft or within eight hours prior to boarding an aircraft.
Handcuffing and Restraints

304.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

This policy does not address the handcuffing and restraint of juveniles appearing in court or those already detained in, or committed to, a local secure juvenile facility, camp, ranch, or forestry camp.

304.2 POLICY
The Butte County Probation Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

304.3 USE OF RESTRAINTS
Only members who have successfully completed Butte County Probation Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

• The circumstances or crime or violation leading to the arrest.
• The demeanor and behavior of the arrested person.
• The age and health of the person.
• Whether the person is known to be pregnant.
• Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing in the front to allow the person to sign or write notes.
• Whether the person has any other apparent disability.

304.3.1 RESTRAINT OF DETAINEES
Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion on the detainee.

304.3.2 RESTRAINT OF PREGNANT PERSONS
Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure herself or others, or damage property.
Handcuffing and Restraints

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others.

304.3.3 NOTIFICATIONS
Whenever an officer transports a person in restraints other than handcuffs, the officer shall inform the detention facility staff upon arrival at the facility that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the detention facility.

304.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS
Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person’s hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department unless required by law, other policy, or facility regulations. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person’s back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person’s size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

304.5 APPLICATION OF AUXILIARY RESTRAINT DEVICES
Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, but while permitting adequate movement, comfort, and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.
304.6 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

(a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.

(b) Whether it is reasonably necessary to protect the person from the person's own actions (e.g., hitting head against the interior of the agency vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).

(c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at the windows of the vehicle).

304.6.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

(a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.

(b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.

(c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be laid face-down for an extended period, as this could reduce the person’s ability to breathe.

(d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain prone in a face-down position.

(e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.

(f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

304.7 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report. The officer should include, as appropriate:

(a) How handcuffs were applied (e.g., double locked and gapped).
Handcuffing and Restraints

(b) The amount of time the person was restrained.
(c) How the person was transported and the position of the person during transport.
(d) Observations of the person’s behavior and any signs of physiological problems.
(e) Any known or suspected drug use or other medical problems.
(f) Any complaint regarding restraints being too tight and how the complaint was resolved.

304.8 TRAINING
Subject to available resources, the Training Coordinator should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

(a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
(b) Response to complaints of pain by restrained persons.
(c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
(d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.
Control Devices

305.1 PURPOSE AND SCOPE
This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

This policy does not address the application of a control device on a juvenile who has already been detained.

305.2 POLICY
In order to control individuals who are violent or who demonstrate the intent to be violent, the Chief Probation Officer may authorize officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

305.3 ISSUING, CARRYING, AND USING CONTROL DEVICES
Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief Probation Officer or the authorized designee.

Only those members who have been authorized by the Chief Probation Officer and who have successfully completed department-approved training on this policy and the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain, or arrest a person who is violent or who demonstrates the intent to be violent and using the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

305.4 RESPONSIBILITIES

305.4.1 FIELD TRAINING SUPERVISOR(S) RESPONSIBILITIES
The Field Training Supervisor(s) shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated, or expended control devices are properly disposed of, repaired, or replaced.

Every control device will be periodically inspected by the Field Training Supervisor(s) or the designated instructor for a particular control device. The inspection shall be documented.

305.4.2 USER RESPONSIBILITIES
All normal maintenance, charging, or cleaning shall remain the responsibility of personnel using the devices.

Any damaged, inoperative, outdated, or expended control devices, along with documentation explaining the cause of the damage, shall be returned to the Field Training Supervisor(s)
Control Devices

for disposition. Documentation shall also be forwarded through the chain of command, when appropriate, explaining the cause of damage.

305.5 OLEORESIN CAPSICUM GUIDELINES
As with other control devices, oleoresin capsicum (OC) spray may be considered for use to bring under control an individual engaging in, or about to engage in, violent behavior. OC spray should not be used against individuals who do not reasonably appear to present a risk to the safety of department members or the public.

305.5.1 TREATMENT FOR EXPOSURE
Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those who complain of further severe effects shall be examined by appropriate medical personnel.

305.6 POST-APPLICATION NOTICE
Whenever OC has been introduced into a residence, building interior, vehicle, or other enclosed area, the owners or available occupants should be provided with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner’s expense. Information regarding how and when the notice was delivered and the individuals notified should be included in related reports.

305.7 TRAINING FOR CONTROL DEVICES
The Training Coordinator shall ensure that those members who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

(a) Proficiency training shall be monitored and documented by a certified control-device weapons or tactics instructor.

(b) All training and proficiency for control devices will be documented in the member’s training file.

(c) Members who fail to demonstrate proficiency with the control device or knowledge of the Use of Force Policy will be provided remedial training. If a member cannot demonstrate proficiency with a control device or knowledge of the Use of Force Policy after remedial training, the member will be restricted from carrying the control device and may be subject to discipline.

305.8 REPORTING USE OF CONTROL DEVICES
Any application of a control device shall be documented in the related incident report and reported pursuant to the Use of Force Policy.
Conducted Energy Weapons

306.1 PURPOSE AND SCOPE
This policy provides guidelines for the issuance and use of the Conducted Energy Weapon.

306.2 POLICY
The Conducted Energy Weapon is used to control a violent or potentially violent individual. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

306.3 ISSUANCE AND CARRYING CONDUCTED ENERGY WEAPONS
Only members who have been authorized by the Chief Probation Officer and who have successfully completed department-approved training may be issued and may carry the Conducted Energy Weapon.

Conducted Energy Weapons are issued for use during a member’s current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the Conducted Energy Weapon and cartridges that have been issued by the Department. Officers who have been issued the Conducted Energy Weapon shall carry the device in an approved manner.

Members carrying the Conducted Energy Weapon should perform a 5-second spark test prior to every shift.

Officers who carry both a duty weapon and Conducted Energy Weapon shall carry the Conducted Energy Weapon in a weak-side holster on the side opposite the duty weapon.

(a) All Conducted Energy Weapons shall be clearly and distinctly marked to differentiate them from a duty weapon and any other device.

(b) Whenever practicable, officers should carry two or more cartridges on their person when carrying the Conducted Energy Weapon.

(c) Officers shall be responsible for ensuring that the issued Conducted Energy Weapon is properly maintained and in good working order.

(d) Officers should not hold a firearm and the Conducted Energy Weapon at the same time.

306.4 VERBAL AND VISUAL WARNINGS
A verbal warning of the intended use of the Conducted Energy Weapon should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

(a) Provide the individual with a reasonable opportunity to voluntarily comply.

(b) Provide other officers and individuals with a warning that the Conducted Energy Weapon may be deployed.
Conducted Energy Weapons

If, after a verbal warning, an individual fails to voluntarily comply with an officer’s lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device) or the laser in a further attempt to gain compliance prior to the application of the Conducted Energy Weapon. The aiming laser should not be intentionally directed into anyone’s eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented in the related report by the officer deploying the Conducted Energy Weapon.

306.5 USE OF THE CONDUCTED ENERGY WEAPON
The Conducted Energy Weapon has limitations and restrictions requiring consideration before its use. The Conducted Energy Weapon should only be used when its operator can safely approach the subject within the operational range of the device. Although the Conducted Energy Weapon is effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

306.5.1 APPLICATION OF THE CONDUCTED ENERGY WEAPON
The Conducted Energy Weapon may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

(a) Who is violent or is physically resisting.
(b) Who has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, self, or others.

Mere flight, without other known circumstances or factors, is not good cause for using the Conducted Energy Weapon.

The Conducted Energy Weapon shall not be used to psychologically torment, to elicit statements, or to punish any individual.

306.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS
The use of the Conducted Energy Weapon on certain individuals should be avoided unless the totality of the circumstances indicates that other options reasonably appear ineffective or would present a greater danger to the officer, the subject, or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

(a) Individuals known to be pregnant.
(b) Elderly individuals or obvious children.
(c) Individuals with obviously low body mass.
(d) Individuals handcuffed or otherwise restrained.
(e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
Conducted Energy Weapons

(f) Individuals whose position or activity may result in collateral injury (e.g., falls from a height, operating vehicles).

Because the application of the Conducted Energy Weapon in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode should be limited to supplementing the probe-mode to complete the circuit or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

306.5.3 TARGETING CONSIDERATIONS
The preferred targeting areas include the individual’s back or front lower-center mass. The head, neck, chest, and groin should be avoided when reasonably practicable. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the Conducted Energy Weapon probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest, or groin until the subject is examined by paramedics or other medical personnel.

306.5.4 MULTIPLE APPLICATIONS OF THE CONDUCTED ENERGY WEAPON
Officers should apply the Conducted Energy Weapon for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Officers should not intentionally apply more than one Conducted Energy Weapon at a time against a single individual.

If the first application of the Conducted Energy Weapon appears to be ineffective in gaining control of an individual, the officer should evaluate the situation and consider certain factors before additional applications of the Conducted Energy Weapon, including:

(a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

(b) Whether the probes are making proper contact.

(c) Whether the individual has the ability and has been given a reasonable opportunity to comply.

(d) Whether verbal commands or other options or tactics may be more effective.

306.5.5 ACTIONS FOLLOWING DEPLOYMENTS
Officers should take appropriate actions to control and restrain the individual to minimize the need for longer or multiple exposures to the Conducted Energy Weapon. As soon as practicable, officers shall notify a supervisor any time the Conducted Energy Weapon has been discharged. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted into evidence. The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked “Biohazard” if the probes penetrated the subject's skin.
Conducted Energy Weapons

306.5.6 DANGEROUS ANIMALS
The Conducted Energy Weapon may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or likely would be ineffective.

306.5.7 OFF-DUTY CONSIDERATIONS
Officers are not authorized to carry department Conducted Energy Weapons while off-duty.

Officers shall ensure that Conducted Energy Weapons are secured while in their homes, vehicles, or any other area under their control, in a manner to keep the device inaccessible to others

306.6 DOCUMENTATION
Officers shall document all Conducted Energy Weapon discharges in the appropriate report and the Conducted Energy Weapon report forms. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form.

306.6.1 CONDUCTED ENERGY WEAPON REPORT FORM
Items that shall be included in the Conducted Energy Weapon report form are:

(a) The type and brand of Conducted Energy Weapon and cartridge and cartridge serial number.
(b) Date, time, and location of the incident.
(c) Whether any display, laser, or arc deterred a subject and gained compliance.
(d) The number of Conducted Energy Weapon activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
(e) The range at which the Conducted Energy Weapon was used.
(f) The type of mode used (probe or drive-stun).
(g) Location of any probe impact.
(h) Location of contact in drive-stun mode.
(i) Description of where missed probes went.
(j) Whether medical care was provided to the subject.
(k) Whether the subject suffered any injuries.
(l) Whether any officers suffered any injuries.

The Field Training Supervisor(s) should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Field Training Supervisor(s) should also conduct audits of data downloads and reconcile Conducted Energy Weapon report forms with recorded
activations. Conducted Energy Weapon information and statistics, with identifying information removed, should periodically be made available to the public.

306.6.2 REPORTS
The officers should include the following in their report:

(a) Identification of all personnel firing Conducted Energy Weapons
(b) Identification of all witnesses
(c) Medical care provided to the subject
(d) Observations of the subject’s physical and physiological actions
(e) Any known or suspected drug use, intoxication, or other medical problems

306.7 MEDICAL TREATMENT
Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove Conducted Energy Weapon probes from a person’s body. Used Conducted Energy Weapon probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by Conducted Energy Weapon probes or who have been subjected to the electric discharge of the device or who experienced direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

(a) The person is suspected of being under the influence of controlled substances and/or alcohol.
(b) The person may be pregnant.
(c) The person reasonably appears to be in need of medical attention.
(d) The Conducted Energy Weapon probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
(e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the Conducted Energy Weapon (see the Medical Aid and Response Policy).
Conducted Energy Weapons

306.8 SUPERVISOR RESPONSIBILITIES
When possible, a supervisor or Probation Officer III should accompany officers in field enforcement when they reasonably believe there is a likelihood the Conducted Energy Weapon may be used. A supervisor or Probation Officer III should respond to all incidents where the Conducted Energy Weapon was activated.

A supervisor should review each incident where a person has been exposed to an activation of the Conducted Energy Weapon. The device’s onboard memory should be downloaded through the data port by a supervisor or Rangemaster and saved with the related report. Photographs of probe sites should be taken and witnesses interviewed.

306.9 TRAINING
Personnel who are authorized to carry the Conducted Energy Weapon shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the Conducted Energy Weapon as a part of their assignments for a period of six months or more shall be recertified by a qualified Conducted Energy Weapon instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued Conducted Energy Weapons should occur every two years. A reassessment of an officer’s knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Field Training Supervisor(s). All training and proficiency for Conducted Energy Weapons will be documented in the officer’s training files.

The Chief Probation Officer, supervisors, and investigators should receive Conducted Energy Weapon training as appropriate for the investigations they conduct and review.

Officers who do not carry Conducted Energy Weapons should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Coordinator is responsible for ensuring that all members who carry Conducted Energy Weapons have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of Conducted Energy Weapons during training could result in injuries and should not be mandatory for certification.

The Training Coordinator should ensure that all training includes:

(a) A review of this policy.
(b) A review of the Use of Force Policy.
(c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.
(d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest, and groin.
(e) Handcuffing a subject during the application of the Conducted Energy Weapon and transitioning to other force options.
Conducted Energy Weapons

(f) De-escalation techniques.

(g) Restraint techniques that do not impair respiration after applying the Conducted Energy Weapon.
Search and Seizure

307.1 PURPOSE AND SCOPE
Both the federal and state constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Butte County Probation Department personnel to consider when dealing with search and seizure issues.

307.2 POLICY
It is the policy of the Butte County Probation Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards, and prosecutorial considerations regarding specific search and seizure situations.

307.3 SEARCHES GENERALLY
The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions to the rule that permit a warrantless search.

Examples of probation supervision activities that are exceptions to the general warrant requirement include but are not limited to searches pursuant to:

- Authorization under the terms or conditions of a person’s release or supervision.
- Valid consent.
- Incident to a lawful arrest.
- Vehicle searches under certain circumstances.
- Exigent circumstances.

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and the member's familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.
307.4 SEARCH PROTOCOL
Although conditions will vary, and officer safety and other exigencies must be considered in every search situation, these guidelines should be followed whenever circumstances permit:

(a) Members of this department will strive to conduct searches with dignity and courtesy.

(b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.

(c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.

(d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations, or access codes when a search of locked property is anticipated.

(e) Whenever practicable, a search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

(f) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, these guidelines should be followed:

1. Another officer or a supervisor should witness the search.

2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing, or clothing that could not reasonably conceal a weapon.

307.5 DOCUMENTATION
Officers are responsible for documenting any search and ensuring that any required reports are sufficient, including, at a minimum, documentation of:

• Reason for the search.

• Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys).

• What, if any, injuries or damage occurred.

• All steps taken to secure property.

• The results of the search, including a description of any property or contraband seized.

• If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer.

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented, and that current legal requirements and department policy have been met.
Mandatory Reporting

308.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for abuse notification to the appropriate social services entities and local law enforcement in the case of encountered, reported, or suspected abuse.

This policy also addresses documentation specific to the discovery of abuse.

308.2 POLICY
It is the policy of the Butte County Probation Department to ensure documentation and abuse notification to the proper entity, as may be required by law, in the case of encountered, reported, or suspected abuse.

308.3 CHILD ABUSE
308.3.1 NOTIFICATION
Members of this department who are mandated reporters of child abuse pursuant to Penal Code § 11165.7 shall notify law enforcement or the County Welfare Office when the member has knowledge of or observes a child who the member knows or reasonably suspects has been the victim of child abuse or neglect (Penal Code § 11165.9; Penal Code § 11166).

When the Butte County Probation Department receives a report of abuse or neglect, notification shall be made to the law enforcement agency having jurisdiction and the County Welfare Office. The District Attorney’s office shall also be notified in all instances of known or suspected child abuse or neglect reported to the Butte County Probation Department (Penal Code § 11166).

(a) A report of general neglect by a person who has the care or custody of a child to provide adequate food, clothing, shelter, medical care, or supervision, and where there is no physical injury to the child, shall be reported to the County Welfare Office pursuant to Penal Code § 11165.2.

(b) A report of a positive toxicology screen at the time of the delivery of an infant, unless there is an indication of maternal substance abuse, shall be reported to the County Welfare Office pursuant to Penal Code § 11165.13.

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority (Penal Code § 11166.1; Penal Code § 11166.2).

For purposes of notification, the abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1); neglect (Penal Code § 11165.2); willful harm or injury to a child or endangering the person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code § 11165.4). Child abuse or neglect does not include a mutual affray between minors, nor does it
include an injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of employment as a peace officer.

308.3.2 NOTIFICATION PROCEDURE
Notification should occur as follows (Penal Code § 11166):

(a) When the member is making an initial notification:
   1. Notification shall be made immediately, or as soon as practicable, by telephone.
   2. A written follow-up mandated report shall be forwarded by fax or electronic transmission within 36 hours of receiving the information concerning the incident.

(b) When the Butte County Probation Department is making notification:
   1. Notification shall be made immediately, or as soon as practicable, by telephone, fax, or electronic transmission.
   2. A written report shall be forwarded by fax or electronic transmission within 36 hours of receiving the information concerning the incident.
   3. For cases involving the commercial sexual exploitation of a child (CSEC).
   4. Please refer to the Butte County CSEC Policy for the reporting process.

308.3.3 EMERGENCY REMOVAL
An officer may take temporary custody of a minor without a warrant when the officer reasonably believes that the minor (Welfare and Institutions Code § 300; Welfare and Institutions Code § 305):

(a) Is in immediate need of medical care.
(b) Is in immediate danger of physical or sexual abuse.
(c) Is in a physical environment that poses an immediate threat to the minor’s health or safety.
(d) The minor is left unattended, posing an immediate threat to the minor’s health or safety.
   1. Officers shall attempt to contact the parent or guardian to take custody of the unattended child.
   2. If contact with the parent or guardian of the unattended minor cannot be made, the County Welfare Office shall be contacted to assume custody of the minor.
(e) The minor is in the hospital and release to the parent poses an immediate threat to the minor’s health or safety.
(f) The minor is a ward of the juvenile court and the officer reasonably believes that the juvenile has violated an order of the court.
(g) That the minor has left any placement ordered by the juvenile court.
(h) Requires medical or other care after having been found suffering from injury or sickness in a public place.

308.4 ELDER AND ADULT DEPENDENT ABUSE
308.4.1 NOTIFICATION
Members of this department who are mandated reporters of elder or dependent adult abuse pursuant to Welfare and Institutions Code § 15630 shall notify the county adult protective services agency when the member reasonably suspects, has observed, or has knowledge of an incident that reasonably appears to be abuse of an elder or dependent adult, or are told by an elder or dependent adult that the individual has experienced abuse.

For purposes of notification, a dependent adult is an individual between 18 and 64 years of age who has physical or mental limitations that restrict the ability to carry out normal activities or to protect the individual's rights, including but not limited to persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age. This also includes those admitted as inpatients to a 24-hour health facility, as defined in state law (Welfare and Institutions Code § 15610.23).

For purposes of notification, abuse is physical abuse, abandonment, abduction, isolation, financial abuse, or neglect. Physical abuse includes any assault or sex crime (Welfare and Institutions Code § 15610.63). Financial abuse includes taking personal or real property by undue influence or intent to defraud (Welfare and Institutions Code § 15610.30).

Because additional notifications may also be required, depending on where the alleged abuse occurred, the supervisor is responsible for ensuring that proper notifications are made to the District Attorney’s Office and any other regulatory agency that may be applicable based upon where the abuse took place (e.g., care facility, hospital) (Welfare and Institutions Code § 15630).

308.4.2 NOTIFICATION PROCEDURE
Notification should occur as follows (Welfare and Institutions Code § 15630):

(a) Notification shall be made immediately, or as soon as practicable, by telephone, fax, or electronic transmission.

(b) A written report shall be forwarded within two working days.

308.5 DOCUMENTATION
In all encountered, reported, or suspected cases of abuse, officers should, after making the notifications above, document the notification and the circumstances surrounding discovery of the abuse.

308.6 CONFIDENTIALITY OF REPORTS
Information related to incidents of abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Penal Code § 11167.5; Welfare and Institutions Code § 15633).
Discriminatory Harassment

309.1 PURPOSE AND SCOPE
The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

309.2 POLICY
The Butte County Probation Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights and privileges it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

309.3 DEFINITIONS
Definitions related to this policy include:

309.3.1 DISCRIMINATION
The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on the actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual’s protected class. It has the effect of interfering with an individual’s work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments, crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.
309.3.2 RETALIATION
Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because that person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

309.3.3 SEXUAL HARASSMENT
The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person’s sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

(a) Submission to such conduct is made either explicitly or implicitly as a term or condition of employment, position, or compensation.

(b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.

(c) Such conduct has the purpose or effect of substantially interfering with a member’s work performance or creating an intimidating, hostile, or offensive work environment.

309.3.4 ADDITIONAL CONSIDERATIONS
Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

(a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission and the California Fair Employment and Housing Council guidelines.

(b) Bona fide requests or demands by a supervisor that a member improve work quality or output, that the member report to the job site on time, that the member comply with County or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

309.4 RESPONSIBILITIES
This policy applies to all department members, who shall follow the intent of these guidelines in a manner that reflects department policy, professional law enforcement standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct, or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to an immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief Probation Officer, the Director of Human Resources, or the Chief Administrative Officer.

Any members who believe, in good faith, that they have been discriminated against, harassed, or subjected to retaliation, or who have observed harassment, discrimination, or retaliation, are
Discriminatory Harassment

encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.
Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with a resolution as stated below.

309.4.1 QUESTIONS OR CLARIFICATION
Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief Probation Officer, the Director of Human Resources, the Chief Administrative Officer, or the California Department of Fair Employment and Housing (DFEH) for further information, direction, or clarification (Government Code § 12950).

309.4.2 SUPERVISOR RESPONSIBILITIES
The responsibilities of each supervisor and manager shall include but are not limited to:

(a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.

(b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.

(c) Ensuring that their subordinates understand their responsibilities under this policy.

(d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.

(e) Making a timely determination regarding the substance of any allegation based upon all available facts.

(f) Notifying the Chief Probation Officer or Director of Human Resources in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

309.4.3 SUPERVISOR'S ROLE
Because of differences in individual values, supervisors and managers may find it difficult to recognize that their behavior or the behavior of others is discriminatory, harassing, or retaliatory. Supervisors and managers shall be aware of the following:

(a) Behavior of supervisors and managers should represent the values of the Department and professional law enforcement standards.

(b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline in a manner that is consistent with established procedures.
309.5 INVESTIGATION OF COMPLAINTS
Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented and promptly and thoroughly investigated.

309.5.1 SUPERVISORY RESOLUTION
Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that such behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

309.5.2 FORMAL INVESTIGATION
If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint, and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in any investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief Probation Officer, Director of Human Resources, or the Chief Administrative Officer.

309.5.3 ALTERNATIVE COMPLAINT PROCESS
No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

309.6 DOCUMENTATION OF COMPLAINTS
All complaints or allegations shall be thoroughly documented on the appropriate forms and in a manner designated by the Chief Probation Officer. The outcome of all reports shall be:
Discriminatory Harassment

(a) Approved by the Chief Probation Officer, the Chief Administrative Officer, or the Director of Human Resources, depending on the ranks of the involved parties.

(b) Maintained in accordance with the department’s established records retention schedule.

309.6.1 NOTIFICATION OF DISPOSITION
The complainant and/or victim will be notified in writing of the disposition of the investigation and the actions taken to remedy or address the circumstances giving rise to the complaint.

309.7 WORKING CONDITIONS
The Chief Probation Officer or the authorized designee should be responsible for reviewing facility design and working conditions for discriminatory practices. This person should collaborate with other County employees who are similarly tasked (2 CCR 11034).

309.8 TRAINING
All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. Members shall certify by signing the prescribed form that they have been advised of this policy, are aware of and understand its contents, and agree to abide by its provisions during their term with the Department.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents, and agree that they will continue to abide by its provisions.

309.8.1 STATE-REQUIRED TRAINING
The Training Coordinator should ensure that employees receive the required state training and education regarding sexual harassment, prevention of abusive conduct, and harassment based on gender identity, gender expression, and sexual orientation as follows (Government Code § 12950.1; 2 CCR 11024);

(a) Supervisory employees shall receive two hours of classroom or other effective interactive training and education within six months of assuming a supervisory position.

(b) All other employees shall receive one hour of classroom or other effective interactive training and education within six months of their employment or sooner for seasonal or temporary employees as described in Government Code § 12950.1.

(c) All employees shall receive refresher training every two years thereafter.

If the required training is to be provided by DFEH online training courses, the Training Coordinator should ensure that employees are provided the link or website address to the training course (Government Code § 12950).
Discriminatory Harassment

309.8.2 TRAINING RECORDS
The Training Coordinator shall be responsible for maintaining records of all discriminatory harassment training provided to members. Records shall be retained in accordance with established records retention schedules and for a minimum of two years (2 CCR 11024).

309.8.3 REQUIRED POSTERS
The Department shall display the required posters regarding discrimination, harassment, and transgender rights in a prominent and accessible location for members (Government Code § 12950).
Victim and Witness Assistance

310.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that members address victim- and witness-related issues appropriately.

310.2 POLICY
The Butte County Probation Department recognizes the difficulties faced by victims and witnesses of crime. The members of the Butte County Probation Department will treat victims with compassion and provide them the services required by law.

310.3 RESPONSIBILITIES
Member responsibilities include the following:

(a) Members preparing a pre-sentence report or juvenile dispositional report are expected to include available information regarding the impact of the offense on the victim and the victim’s family and any sentencing/disposition recommendations from the victim as required by California Constitution Article I § 28.

(b) Officers who supervise a probationer requesting a transfer to another county shall provide written notice of the date, time, and place set for hearing on the motion to the victim, if a victim exists. (Cal. Rules of Court, Rule 4.530).

(c) Members should follow county protocol as applicable regarding notice to witnesses who were threatened by the offender following the offender’s arrest and each victim or next of kin of the victim of a violent offense of their right to request and receive a release notification (Penal Code § 679.03).

(d) Officers should provide victims, or the parents or guardians of the victim if the victim is a minor, or the next of kin of the victim if the victim has died written material containing their rights pursuant to Penal Code § 1191.1 and Penal Code § 1191.2.

310.4 VICTIM SAFETY
Officers should never guarantee a victim’s safety from future harm but may make practical safety suggestions to victims who express fear of future harm or retaliation. Officers should never guarantee that a person qualifies as a victim for the purpose of compensation or restitution but may direct the person to the proper written department material or available victim resources, such as the Butte County Victim-Witness Assistance Program.

Officers should report all known allegations of victim intimidation to the appropriate local law enforcement agency and prosecutor as soon as practicable.

310.5 VICTIM INFORMATION
Written victim information materials should include the following:
Victim and Witness Assistance

(a) Shelters and other community resources for victims, including domestic violence and sexual assault victims.
(b) An advisement that a person who was arrested may be released on bond, probation, or other forms of release and that the victim should not rely upon such status or supervision as a guarantee of safety.
(c) A clear explanation of relevant court orders and how they can be obtained.
(d) Information regarding available compensation for qualifying victims of crime.

Officers should report all known allegations of witness intimidation to the appropriate local law enforcement agency and prosecutor as soon as practicable.
Information Technology Use

311.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the proper use of department information technology resources, including computers, electronic devices, hardware, software, and systems. Members shall also refer to the County’s Computer Use and Information Security Policy version 3.0.

311.1.1 DEFINITIONS
Definitions related to this policy include:

**Computer system** - All computers (on-site and portable), electronic devices, hardware, software, and resources owned, leased, rented, or licensed by the Butte County Probation Department that are provided for official use by its members. This includes all access to, and use of, Internet Service Providers (ISP) or other service providers provided by or through the Department or department funding.

**Software** - Includes but is not limited to all computer programs, systems, and applications, including shareware. This does not include files created by the individual user.

**Temporary file, permanent file, or file** - Any electronic document, information, or data residing or located, in whole or in part, on the system, including but not limited to spreadsheets, calendar entries, appointments, tasks, notes, letters, reports, messages, photographs, or videos.

311.2 POLICY
It is the policy of the Butte County Probation Department that members shall use information technology resources, including computers, software, and systems, that are issued or maintained by the Department in a professional manner and in accordance with this policy.

311.3 PRIVACY EXPECTATION
Members forfeit any expectation of privacy with regard to emails, texts, or anything published, shared, transmitted, or maintained through file-sharing software or any internet site that is accessed, transmitted, received, or reviewed on any department computer system.

The Department reserves the right to access, audit, and disclose, for whatever reason, any message, including attachments, and any information accessed, transmitted, received, or reviewed over any technology that is issued or maintained by the Department, including the department email system, computer network, and/or any information placed into storage on any department system or device. This includes records of all keystrokes or web-browsing history made at any department computer or over any department network. The fact that access to a
database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through department computers, electronic devices, or networks.

The Department shall not require a member to disclose a personal username or password for accessing personal social media or to open a personal social website; however, the department may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

311.4 RESTRICTED USE
Members shall not access computers, devices, software, or systems for which they have not received prior authorization or the required training. Members shall immediately report unauthorized access or use of computers, devices, software, or systems by another member to their supervisor.

Members shall not use another person’s access passwords, login information, and other individual security data, protocols, and procedures unless directed to do so by a supervisor.

311.4.1 SOFTWARE
Members shall not copy or duplicate any copyrighted or licensed software except for a single copy for backup purposes, in accordance with the software company’s copyright and license agreement.

To reduce the risk of a computer virus or malicious software, members shall not install any unlicensed or unauthorized software on any department computer. Members shall not install personal copies of any software on any department computer.

When related to criminal investigations, software program files may be downloaded only with the approval of the information systems technology (IT) staff and with the authorization of the Chief Probation Officer or the authorized designee.

No member shall knowingly make, acquire, or use unauthorized copies of computer software that is not licensed to the Department while on department premises, computer systems, or electronic devices. Such unauthorized use of software exposes the Department and involved members to severe civil and criminal penalties.

Introduction of software by members should only occur as a part of the automated maintenance or update process of department- or County-approved or installed programs by the original manufacturer, producer, or developer of the software. Any other introduction of software requires prior authorization from IT staff and a full scan for malicious attachments.

311.4.2 HARDWARE
Access to technology resources provided by or through the Department shall be strictly limited to department-related activities. Data stored on or available through department computer systems shall only be accessed by authorized members who are engaged in an active investigation or assisting in an active investigation, or who otherwise have a legitimate law enforcement or
department-related purpose to access such data. Any exceptions to this policy must be approved by a supervisor.

311.4.3  INTERNET USE
Internet sites containing information that is not appropriate or applicable to department use and that shall not be intentionally accessed include but are not limited to adult forums, pornography, gambling, chat rooms, and similar or related internet sites. Certain exceptions may be permitted with the express approval of a supervisor as a function of a member’s assignment. Downloaded information from the internet shall be limited to messages, mail, and data files.

Use of the County’s internet for personal use is allowable during a member’s break or lunch period subject to all other provisions and restrictions outlined in the County’s Computer Use and Information Security Policy.

311.4.4  OFF-DUTY USE
Members shall only use technology resources provided by the Department while on-duty or in conjunction with specific on-call assignments unless specifically authorized by a supervisor. This includes the use of telephones, cell phones, texting, email, or any other off-the-clock work-related activities. This also applies to personally owned devices that are used to access department resources.

Refer to the Personal Communication Devices Policy for guidelines regarding off-duty use of personally owned technology.

311.5  PROTECTION OF SYSTEMS AND FILES
All members have a duty to protect the computer system and related systems and devices from physical and environmental damage and are responsible for the correct use, operation, care, and maintenance of the computer system.

Members shall ensure department computers and access terminals are not viewable by persons who are not authorized users. Computers and terminals should be secured, users logged off, and password protections enabled whenever the user is not present. Access passwords, login information, and other individual security data, protocols, and procedures are confidential information and are not to be shared. Password length, format, structure, and content shall meet the prescribed standards required by the computer system or as directed by a supervisor and shall be changed at intervals as directed by IT staff or a supervisor.

It is prohibited for a member to allow an unauthorized user to access the computer system at any time or for any reason. Members shall promptly report any unauthorized access to the computer system or suspected intrusion from outside sources (including the internet) to a supervisor.

311.6  INSPECTION AND REVIEW
A supervisor or the authorized designee has the express authority to inspect or review the computer system, all temporary or permanent files, related electronic systems or devices, and
Information Technology Use

any contents thereof, whether such inspection or review is in the ordinary course of supervisory duties or based on cause.

Reasons for inspection or review may include but are not limited to computer system malfunctions, problems or general computer system failure, a lawsuit against the Department involving one of its members or a member’s duties, an alleged or suspected violation of any department policy, a request for disclosure of data, or a need to perform or provide a service.

The IT staff may extract, download, or otherwise obtain any and all temporary or permanent files residing or located in or on the department computer system when requested by a supervisor or during the course of regular duties that require such information.

- Personal use of social media by department members (see the Speech, Expression, and Social Networking Policy).
- Use of social media in personnel processes (see the Recruitment and Selection Policy).
- Use of social media as part of a compliance monitoring (see the Compliance Monitoring Policy).

312.1.1 DEFINITIONS
Definitions related to this policy include:

Social media - Any of a wide array of internet-based tools and platforms that allow for the sharing of information, such as the department website or social networking services.

312.2 POLICY

Department members shall ensure that the use or access of social media is done in a manner that protects the constitutional rights of all people.

312.3 AUTHORIZED USERS
Only members authorized by the Chief Probation Officer or the authorized designee may utilize social media on behalf of the Department. Authorized members shall use only department-approved equipment during the normal course of duties to post and monitor department-related social media, unless they are specifically authorized to do otherwise by their supervisors.

The Chief Probation Officer may develop specific guidelines identifying the type of content that may be posted. Any content that does not strictly conform to the guidelines should be approved by a supervisor prior to posting.

Requests to post information over department social media by members who are not authorized to post should be made through the member’s chain of command.

312.4 AUTHORIZED CONTENT
Only content that is appropriate for public release, that supports the department mission, and that conforms to all department policies regarding the release of information may be posted.
Examples of appropriate content include:

(a) Announcements.
(b) Tips and information related to crime prevention.
(c) Investigative requests for information.
(d) Requests that ask the community to engage in projects that are relevant to the department mission.
(e) Real-time safety information that is related to in-progress crimes, geographical warnings, or disaster information.
(f) Traffic information.
(g) Media releases.
(h) Recruitment of personnel.

312.4.1 INCIDENT-SPECIFIC USE
In instances of active incidents where speed, accuracy, and frequent updates are paramount, the lead officer on-scene or the authorized designee will be responsible for the compilation of information to be released, subject to the approval of the Incident Supervisor.

312.5 PROHIBITED CONTENT
Content that is prohibited from posting includes but is not limited to:

(a) Content that is abusive, discriminatory, inflammatory, or sexually explicit.
(b) Any information that violates individual rights, including confidentiality and/or privacy rights and those provided under state, federal, or local laws.
(c) Any information that could compromise an investigation.
(d) Any information that could tend to compromise or damage the mission, function, reputation, or professionalism of the Butte County Probation Department or its members.
(e) Any information that could compromise the safety and security of department operations, members of the Department, victims, probationer, or the public.
(f) Any content posted for personal use.
(g) Any content that has not been properly authorized by this policy or a supervisor.

Any member who becomes aware of content on this department’s social media site that the member believes is unauthorized or inappropriate should promptly report such content to a supervisor. The supervisor will ensure its removal from public view and investigate the cause of the entry.

312.5.1 PUBLIC POSTING PROHIBITED
Department social media sites shall be designed and maintained to prevent posting of content by the public.
Department Use of Social Media

The Department may provide a method for members of the public to contact department members directly.

312.6  MONITORING CONTENT
The Chief Probation Officer will appoint a supervisor to review, at least annually, the use of department social media and report back on, at a minimum, the resources being used, the effectiveness of the content, any unauthorized or inappropriate content, and the resolution of any issues.

312.7  RETENTION OF RECORDS
The Administrative Coordinator should establish a method of ensuring that public records generated in the process of social media use are retained in accordance with established records retention schedules.

312.8  TRAINING
Authorized members should receive training that, at a minimum, addresses legal issues concerning the appropriate use of social media sites, as well as privacy, civil rights, and dissemination and retention of information posted on department sites.
Report Preparation

313.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members of the Department who complete reports as a part of their duties.

313.2 POLICY
It is the policy of the Butte County Probation Department that members shall act with promptness and efficiency in the preparation and processing of all reports. Reports shall document sufficient information to refresh the member’s memory and shall provide enough detail for follow-up investigation and successful prosecution.

313.3 EXPEDITIOUS REPORTING
Incomplete reports, unorganized reports, or reports that are delayed without supervisory approval are not acceptable. Reports shall be processed according to established priorities or to a special priority necessary under exceptional circumstances.

313.4 REPORT PREPARATION
Reports should be sufficiently detailed for their purpose and free from errors prior to submission and approval. Members are responsible for completing and submitting all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads or arrest reports where the suspect remains in custody should not be held.

All reports shall accurately reflect the identity of the persons involved; all pertinent information seen, heard, or assimilated by any other sense; and any actions taken. Members shall not suppress, conceal, or distort the facts of any reported incident, nor shall any member make a false report orally or in writing. Generally, the reporting member’s opinions should not be included in reports unless specifically identified as such.

313.4.1 NOTATION OF INFORMATION RECEIVED FROM THIRD PARTIES
When information included in a report was received from a third party that is not an identified law enforcement, probation, parole, or corrections agency, the member authoring the report should state which specific information was obtained from a third party and whether it was independently confirmed by a member from the Department.

313.5 ADULT DIVISION REPORTS
In all of the following situations, members shall complete reports using the appropriate department-approved forms and reporting methods, unless otherwise approved by a supervisor.

The reporting requirements are not intended to be all-inclusive. A member may complete a report if the member deems it necessary or as directed by a supervisor.
313.5.1 REPORTS TO THE COURT
As appropriate and necessary, officers should prepare and file with the court the following reports:

(a) A presentence report for adult probationers upon referral of a felony conviction from the court (Penal Code § 1203).
   1. The report should include a recommendation of whether the probationer should be granted probation and recommended conditions of probation, if granted (Penal Code § 1203).
   2. The report should be consistent with the requirements of Penal Code 1203(a) and Court Rule 4.411.5 (Penal Code §1203).

(b) A conduct and worktime credit estimate to be filed with the court at the time of sentencing (Penal Code § 1191.3).
   1. The estimate shall also be provided to the victim.

313.5.2 CRIMINAL ACTIVITY AND VIOLATION CONDUCT
When a member becomes aware of any activity where a crime or violation of probation or supervised release has occurred, the member shall document the incident regardless of whether a victim desires prosecution.

Activity to be documented in an incident or arrest report includes:

(a) All arrests.
(b) All felony crimes.
(c) Non-felony criminal incidents involving threats or stalking behavior.
(d) Situations covered by the Use of Force Policy.
(e) All misdemeanor crimes where the victim desires a report.
(f) All violations of probation or supervised release.

313.5.3 NON-CRIMINAL ACTIVITY AND NON-VIOLATION CONDUCT
Non-criminal activity to be documented includes:

(a) Any found property or found evidence.
(b) All protective custody and welfare detentions.
(c) Any time a person is reported missing, regardless of jurisdiction.
(d) Suspicious incidents that may indicate a potential for crimes against children or that a child’s safety is in jeopardy.
(e) Suspicious incidents that may place the public or others at risk.
(f) Any use of force by members of this department against any person (see the Use of Force Policy).
(g) Any firearm discharge (see the Firearms Policy).
(h) Any time a member points a firearm at any person.

(i) Any traffic accidents, involving department vehicles or members involved in County business, above the minimum reporting level (see the Vehicle Use, Safety, and Maintenance Policy).

(j) Whenever the member believes the circumstances should be documented or at the direction of a supervisor.

313.5.4 MISCELLANEOUS INJURIES
Any injury reported to this department shall require an incident report when:

(a) The injury is the result of drug overdose.

(b) There is an attempted suicide.

(c) The injury is major or serious and potentially fatal.

(d) The circumstances surrounding the incident are suspicious in nature and it is desirable to document the event.

(e) The injury is to a person in a member’s custody or care.

313.6 JUVENILE DIVISION REPORTS
Officers may be required to complete reports relating to juvenile probationers in any of the following scenarios. Officers should complete reports consistent with the appropriate department forms and reporting methods, unless otherwise approved by a supervisor. The reports referenced herein are not intended to be all-inclusive.

313.6.1 DISPOSITIONAL REPORT
Officers shall prepare and file with the court a social study, prepared pursuant to the requirements of Welfare and Institutions Code § 706, and any other written reports and recommendations as requested by the court with regard to custody, status, or welfare of a minor. Reports shall be prepared consistent with the requirements of Welfare and Institutions Code § 281.

313.7 COUNTY PERSONNEL OR PROPERTY
Incidents involving County personnel or property shall require a report when:

(a) An injury occurs as the result of an act of a County employee or on County property.

(b) There is damage to County property or equipment.

313.8 REVIEW AND CORRECTIONS
Supervisors shall review reports for content and accuracy. If a correction is necessary, the reviewing supervisor should note the requested correction directly on the report.

The original report and the draft report should be returned to the supervisor for correction as soon as practicable. It shall be the responsibility of the originating member to ensure that any report returned for correction is processed in a timely manner.
In the absence of, or at the direction of, a supervisor, a Probation Officer III may also review and correct reports under the same guidelines outlined in this section.

313.8.1 CHANGES AND ALTERATIONS
Reports that have been approved by a supervisor and submitted to unit clerical staff for filing and distribution shall not be modified or altered except by way of a supplemental report.

Reviewed reports not yet submitted to the unit clerical staff may be corrected or modified by the authoring member only with the knowledge and authorization of the reviewing supervisor.
Media Relations

314.1 PURPOSE AND SCOPE
This policy provides guidelines for the release of official department information to the media.

314.2 POLICY
It is the policy of the Butte County Probation Department to protect the privacy rights of individuals, while releasing non-confidential information to the media regarding topics of public concern. Information that has the potential to negatively affect inter- or intra-agency investigations will not be released.

314.3 RESPONSIBILITIES
The ultimate authority and responsibility for the release of information to the media shall remain with the Chief Probation Officer. In situations not warranting immediate notice to the Chief Probation Officer and in situations where the Chief Probation Officer has given prior approval, designated management level staff may prepare and release information to the media in accordance with this policy and applicable laws regarding confidentiality.

314.4 PROVIDING ADVANCE INFORMATION
To protect the safety and rights of department members and other persons, advance information about planned actions by probation personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief Probation Officer.

Any exceptions to the above should only be considered for the furtherance of legitimate probation purposes. Prior to approving any exception, the Chief Probation Officer will consider, at a minimum, whether the release of information or the presence of the media would unreasonably endanger any individual or prejudice the rights of any person or is otherwise prohibited by law.

314.5 MEDIA REQUESTS
Any media request for information or access to department members shall be referred to the Chief Probation Officer, or if unavailable, to the first available manager or supervisor. Prior to releasing any information to the media, members shall consider the following:

(a) At no time shall any member of this department make any comment or release any official information to the media without prior approval from the Chief Probation Officer or authorized designee.

(b) In situations involving multiple agencies or government departments, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.
(c) Under no circumstance should any member of this department make any comment to the media regarding any probation incident not involving this department without prior approval of the Chief Probation Officer. Under these circumstances the member should direct the media to the agency handling the incident.

314.6 CONFIDENTIAL OR RESTRICTED INFORMATION
It shall be the responsibility of the Chief Probation Officer or authorized designee to ensure that confidential or restricted information is not inappropriately released to the media. When in doubt, authorized and available legal counsel should be consulted prior to releasing any information.

314.6.1 EMPLOYEE INFORMATION
The identities of officers involved in shootings or other critical incidents may only be released to the media upon the consent of the involved officer or upon a formal request filed.

Any requests for copies of related reports or additional information, including the identity of officers involved in shootings or other critical incidents, shall be referred to the Chief Probation Officer or authorized designee.

Requests should be reviewed and fulfilled by the Custodian of Records or, if unavailable, the Chief Probation Officer or the authorized designee. Such requests will be processed in accordance with the provisions of the Records Maintenance and Release Policy and public records laws (e.g., California Public Records Act).

314.7 RELEASE OF INFORMATION
The Department may routinely release information to the media without receiving a specific request. This may include media releases regarding critical incidents, information of public concern, updates regarding significant incidents, or requests for public assistance in solving crimes or identifying suspects or probationers with warrants. This information may also be released through the department website or other electronic data sources.
Outside Agency Assistance

315.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or assistance from a law enforcement agency.

315.2 POLICY
It is the policy of the Butte County Probation Department to respond to requests for mutual aid or assistance by law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

315.3 ASSISTING OUTSIDE AGENCIES
Generally, requests for any type of assistance from a law enforcement agency should be routed to the Assistant Chief Probation Officer’s office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

Mutual aid or assistance may be provided by this department when a law enforcement agency requests assistance. The Assistant Chief Probation Officer may authorize an appropriate number of available officers to assist. Officers rendering assistance shall comply with applicable laws and the policies of this department.

Only officers who have been approved by the Chief Probation Officer or authorized designee to respond to requests for mutual aid or assistance are authorized to participate in any response. Officers who respond to a request for assistance shall notify a supervisor of their activity as soon as practicable.

315.3.1 EMERGENCY ASSISTANCE
Officers should not respond to any emergency calls except as authorized in this policy. If an officer believes that an emergency response is required in any other situation, the officer should immediately request a response by local law enforcement.

Officers should only respond to a request for assistance as an emergency response when dispatched and when authorized by this agency to operate an emergency vehicle under emergency circumstances. Officers responding should notify a supervisor as soon as reasonably practicable. Officers responding to an emergency request for assistance from a law enforcement agency shall proceed immediately as appropriate and shall operate the emergency vehicle lighting and siren as required by law (Vehicle Code § 21055; Vehicle Code § 21056).

Officers not responding to a request for assistance as an emergency response shall observe all traffic laws and proceed without the use of emergency lights and siren. Officers responding to a request for assistance as an emergency response in a vehicle that is not equipped with lights and siren should observe all traffic laws.
315.4 REQUESTING OUTSIDE ASSISTANCE
If assistance is needed from an outside agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

315.5 REPORTING REQUIREMENTS
Incidents of outside assistance shall be documented in a general case report or as directed by the Assistant Chief Probation Officer.

315.6 SHARED EQUIPMENT AND SUPPLIES
A plan should be prepared by the Assistant Chief Probation Officer or the authorized designee regarding equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies.

The plan should include:

(a) An itemization of the equipment.
(b) The conditions relative to sharing.
(c) The training requirements for:
   1. The use of the equipment and supplies.
   2. The members trained in the use of the equipment and supplies.
(d) Any other requirements for use of the equipment and supplies.

Copies of the plan should be provided to the Assistant Chief Probation Officer to ensure use of the equipment and supplies complies with the sharing agreements.

The Assistant Chief Probation Officer should see that appropriate members have received the required training on the plan.
Major Incident Notification

316.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members of the Butte County Probation Department in determining when, how, and to whom notification of major incidents should be made.

316.2 POLICY
The Butte County Probation Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed. Additional information regarding media inquiries is addressed in the Media Relations policy.

316.3 CRITERIA FOR NOTIFICATION
Most situations where the media show a strong interest are also of interest to the Chief Probation Officer and the appropriate County administrators. The following list of incident types is provided as a guide for notification and is not intended to be all-inclusive:

- Officer-involved shooting, (see the Officer-Involved Shootings and Deaths Policy for special notification)
- Homicides, suspicious deaths, or other deaths related to probation activity
- Crimes or other behavior by probationers of unusual violence, or circumstances that may include hostages, barricaded persons, home invasions, armed robbery, or sexual assaults involving probationers
- In-custody deaths or in-custody serious injuries related to probationers
- Traffic accidents with fatalities or severe injuries involving department members or probationers
- Significant injury to or death of a member of the Department, whether on- or off-duty
- Arrest of a member of the Department
- Equipment failures, utility failures, and incidents that may affect staffing or pose a threat to basic probation services
- Any other incident that has attracted or is likely to attract significant media attention

316.4 ASSISTANT CHIEF PROBATION OFFICER RESPONSIBILITIES
The Assistant Chief Probation Officer is responsible for making the appropriate notifications. The Assistant Chief Probation Officer shall make reasonable attempts to obtain as much information on the incident as possible before notification and shall attempt to make the notifications as soon as practicable. Notification should be made by using the call notification protocol that should be posted in a readily available location.
Major Incident Notification

316.4.1 CHIEF PROBATION OFFICER NOTIFICATION
In the event an incident occurs as identified in the Criteria for Notification section above, the Chief Probation Officer shall be notified along with the Assistant Chief Probation Officer and the supervisor of the affected division.

316.4.2 MEDIA RELATIONS
The Chief Probation Officer or the authorized designee may assign the supervisory level staff or another officer to respond to requests for information if it appears the media may have a significant interest in the incident.
Limited English Proficiency Services

317.1 PURPOSE AND SCOPE
This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

317.1.1 DEFINITIONS
Definitions related to this policy include:

**Authorized interpreter** - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

**Interpret or interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

**Limited English proficiency (LEP)individual** - Any individual whose primary language is not English and who has a limited ability to read, write, speak, or understand English. These individuals may be competent in certain types of communication (e.g., speaking, understanding) but still exhibit LEP for other purposes (e.g., reading, writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting, but these skills may be insufficient in other situations.

**Qualified bilingual member** - A member of the Butte County Probation Department, designated by the Department, who has the ability to communicate fluently, directly, and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

**Translate or translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

317.2 POLICY
It is the policy of the Butte County Probation Department to reasonably ensure that LEP individuals have meaningful access to probation services, programs, and activities while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights, or programs based on national origin or any other protected interest or right.

317.3 LEP COORDINATOR
The Chief Probation Officer shall delegate certain responsibilities to an LEP coordinator. The coordinator shall be appointed by, and directly responsible to, the Assistant Chief Probation Officer or the authorized designee.

The responsibilities of the coordinator include but are not limited to:
Limited English Proficiency Services

(a) Coordinating and implementing all aspects of the Butte County Probation Department’s LEP services to LEP individuals.

(b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.

(c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Assistant Chief Probation Officer. The list should include information regarding:
   1. Languages spoken.
   2. Contact information.
   3. Availability.

(d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.

(e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.

(f) Annually assessing demographic data and other resources, including contracted language services utilization data and data from community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.

(g) Identifying standards and assessments to be used by this department to qualify individuals as qualified bilingual members or authorized interpreters.

(h) Periodically reviewing the department’s efforts in providing meaningful access to LEP individuals, and, as appropriate, developing reports, developing new procedures, or recommending modifications to this policy.

(i) Receiving and responding to complaints regarding department LEP services.

(j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs, and activities.

317.4 FOUR-FACTOR ANALYSIS

Because there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of the following four factors, which are:

(a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of this department or a particular geographic area.
Limited English Proficiency Services

(b) The frequency with which LEP individuals are likely to come in contact with department members, programs, or services.

(c) The nature and importance of the contact, program, information, or service provided.

(d) The cost of providing LEP assistance and the resources available.

317.5 TYPES OF LEP ASSISTANCE AVAILABLE
Butte County Probation Department members should never refuse service to an LEP individual requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will use all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include but are not limited to the assistance methods described in this policy.

317.6 WRITTEN FORMS AND GUIDELINES
Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

317.7 AUDIO RECORDINGS
The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals representative of the community being served.

317.8 QUALIFIED BILINGUAL MEMBERS
Bilingual members may be qualified to provide LEP services when they have demonstrated through established County procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members who provide LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence, or conveying rights or responsibilities.

317.9 AUTHORIZED INTERPRETERS
Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language,
must have an understanding of the functions of an interpreter that allows for correct and effective
translation, and should not be a person with an interest in the department case or investigation
involving the LEP individual. A person providing interpretation or translation services may be
required to establish the accuracy and trustworthiness of the interpretation or translation in a court
proceeding.

Authorized interpreters must pass a screening process established by the County that
demonstrates their skills and abilities in the following areas:

(a) The competence and ability to communicate information accurately in both English
and in the target language.

(b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this
department and of any particularized vocabulary or phraseology used by the LEP
individual.

317.9.1 SOURCES OF AUTHORIZED INTERPRETERS
The Department may contract with authorized interpreters who are available over the telephone.
Members may use these services with the approval of a supervisor and in compliance with
established procedures.

317.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE
ASSISTANCE
Language assistance may be available from community volunteers who have demonstrated
competence in either monolingual (direct) communication and/or in interpretation or translation (as
noted above), and have been approved by the Department to communicate with LEP individuals.

When qualified bilingual members or other authorized interpreters are unavailable to assist,
approved community volunteers who have demonstrated competence may be called on when
appropriate. However, department members must carefully consider the nature of the contact and
the relationship between the LEP individual and the volunteer to ensure that the volunteer can
provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or
interpretation, members should carefully consider the circumstances before relying on such
individuals. For example, children should not be relied upon except in exigent or very informal and
non-confrontational situations.

317.10 CONTACT AND REPORTING
Although all probation contacts, services, and individual rights are important, this department will
use the four-factor analysis to prioritize service to LEP individuals so that such services may be
targeted where they are most needed, according to the nature and importance of the particular
law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation
that involves a situation in which interpretation services were provided to any involved LEP
individual, such services should be noted in the related report. Members should document the
Limited English Proficiency Services

type of interpretation services used and whether the individual elected to use services provided by the Department or some other identified source.

317.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE
The Butte County Probation Department will take reasonable steps and will work with the Human Resources Department to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

317.12 FIELD SUPERVISION
Field supervision will generally include such contacts as home, school, or work visits and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and use the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

317.13 INVESTIGATIVE FIELD INTERVIEWS
In any situation where an interview may reveal information that could be used as the basis for revocation of probation or supervised release, or arrest, or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses, and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any Miranda warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated Miranda warning card.
An LEP individual’s bilingual friends, family members, children, neighbors, or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

**317.14 CUSTODIAL INTERROGATIONS**
Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal case. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter. To ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

**317.15 COMPLAINTS**
The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP coordinator.

 Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during a complaint investigation should not be members of this department.

 Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

**317.16 COMMUNITY OUTREACH**
Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional probation duties. This department will continue to work with community groups, local businesses, and neighborhoods to provide equal access to such programs and services.

**317.17 TRAINING**
To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

 The Training Coordinator shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Coordinator shall maintain records of all LEP training provided and will retain a copy in each member’s training file in accordance with the established records retention schedule.
Communications with Persons with Disabilities

318.1 PURPOSE AND SCOPE
This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

318.1.1 DEFINITIONS
Definitions related to this policy include:

**Auxiliary aids** - Tools used to communicate with people who have a disability or impairment. They include but are not limited to using gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

**Disability or impairment** - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

**Qualified interpreter** - A person who is able to interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters, and intermediary interpreters.

318.2 POLICY
It is the policy of the Butte County Probation Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects, and arrestees, have equal access to probation services, programs, and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights, or programs based upon disabilities.

318.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR
The Chief Probation Officer shall delegate certain responsibilities to an ADA coordinator (28 CFR 35.107). The coordinator shall be appointed by and directly responsible to the Chief Probation Officer or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

(a) Working with the County ADA coordinator regarding the Butte County Probation Department’s efforts to ensure equal access to services, programs, and activities.

(b) Developing reports or new procedures or recommending modifications to this policy.
Communications with Persons with Disabilities

(c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs, and activities.

(d) Ensuring that a list of qualified interpreter services is maintained and available to each member of the department. The list should include information regarding:
   1. Contact information.
   2. Availability.

(e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.

(f) Ensuring signage is posted in appropriate areas indicating that auxiliary aids are available free of charge to individuals with disabilities.

(g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs, and activities.

318.4 FACTORS TO CONSIDER
Because the nature of any probation contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs, and activities. These factors may include but are not limited to:

(a) Members should not always assume that effective communication is being achieved. That an individual appears to be nodding in agreement does not always mean the individual completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate understanding.

(b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).

(c) The nature of the probation contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).

(d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

318.5 INITIAL AND IMMEDIATE CONSIDERATIONS
Recognizing that various probation encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.
Communications with Persons with Disabilities

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual’s choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

(a) The methods of communication usually used by the individual.
(b) The nature, length, and complexity of the involved communication.
(c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, is hard of hearing, or has impaired speech must be handcuffed while in the custody of the Butte County Probation Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

318.6 TYPES OF ASSISTANCE AVAILABLE
Butte County Probation Department members shall never refuse an available service to an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall it require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to disabled individuals through a variety of services.

Disabled individuals may choose to accept department-provided auxiliary aids or services, or they may choose to provide their own.

Department-provided auxiliary aids or services may include but are not limited to the assistance methods described in this policy.

318.7 AUDIO RECORDINGS AND ENLARGED PRINT
The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form (e.g., a personnel complaint form) or provide forms with enlarged print.
318.8 QUALIFIED INTERPRETERS
A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect, or arrestee) if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:
(a) Available within a reasonable amount of time.
(b) Experienced in providing interpretation services related to probation matters.
(c) Familiar with the use of VRS and/or video remote interpreting services.
(d) Certified in either American Sign Language (ASL) or Signed English (SE).
(e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
(f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide an interpreter (28 CFR 35.160).

318.9 TTY AND RELAY SERVICES
In situations where an individual without a disability would have access to a telephone (e.g., booking, attorney contacts), members must also provide those who are deaf, are hard of hearing, or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

318.10 COMMUNITY VOLUNTEERS
Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with
Communications with Persons with Disabilities

the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

318.11 FAMILY AND FRIENDS
While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect/probationer/person on supervised release).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

(a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
(b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

318.12 REPORTING
Whenever any member of this department is required to complete a report or other documentation and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual’s express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

318.13 FIELD SUPERVISION
Field supervision will generally include such contacts as home, work, or school visits, street contacts, community encounters, and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity, and importance of the communication, as well as the individual’s preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally...
request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

318.13.1 FIELD RESOURCES
Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, depending on the circumstances, include such simple things as:

(a) Hand gestures or visual aids with an individual who is deaf, is hard of hearing, or has impaired speech.
(b) Exchange of written notes or communications.
(c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
(d) Use of computer, word processing, personal communication device, or similar device to exchange texts or notes.
(e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

318.14 CUSTODIAL INTERROGATIONS
In an effort to ensure that the rights of individuals who are deaf, are hard of hearing, or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that the individual understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. Miranda warnings shall be provided by a qualified interpreter or by providing a written Miranda warning card to suspects who are deaf or hard of hearing.

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

318.15 ARRESTS AND BOOKINGS
If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.
When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, are hard of hearing, have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee’s health and welfare, to protect the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information should be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

318.16 COMPLAINTS
The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the ADA coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this department.

318.17 TRAINING
To ensure that all members who may have contact with disabled individuals are properly trained, the Department will provide periodic training that should include:

(a) Awareness and understanding of this policy and related procedures, related forms, and available resources.
(b) Procedures for accessing qualified interpreters and other available resources.
(c) Working with in-person and telephone interpreters and related equipment.

The Training Coordinator shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including those who are deaf, are hard of hearing, have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Coordinator shall maintain records of all training provided and will retain a copy in each member’s training file in accordance with the established records retention schedule.
Chid and Dependent Adult Safety

319.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult abuse investigation. These are covered in the Mandatory Reporting Policy.

319.2 POLICY
It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Butte County Probation Department will endeavor to create a strong, cooperative relationship with local, state, and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

319.3 PROCEDURES DURING AN ARREST
When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases, this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the probationer has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

(a) Inquire about and confirm the location of any children or dependent adults.

(b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.

(c) Consider asking witnesses, neighbors, friends, and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should consider reasonable alternatives to arresting a parent, guardian, or caregiver in the presence of a child or dependent adult.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that appropriate care will be provided.

319.3.1 AFTER AN ARREST
Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee’s disclosed or discovered children or dependent adults.
Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases, the following guidelines should be followed:

(a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
   1. Officers should consider allowing the person to use the person's cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.

(b) Unless there is evidence that it would not be in the dependent person's best interest (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver’s judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends who the person knows and trusts because familiarity with surroundings and consideration for comfort, emotional state, and safety are important.
   1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian, or caregiver.

(c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.

(d) Notify Children's Services Division or the Adult Protective Services, if appropriate.

(e) Notify the field supervisor or Assistant Chief Probation Officer of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver’s arrest and of the arrangements being made for the care of the arrestee’s dependent. The result of such actions should be documented in the associated report.

319.3.2 REPORTING

(a) For all arrests where children are present or living in the household, the reporting member will document the following information:
   1. Name
   2. Sex
   3. Age
   4. Special needs (e.g., medical, mental health)
   5. How, where, and with whom or which agency the child was placed
   6. Identities and contact information for other potential caregivers
Child and Dependent Adult Safety

7. Notifications made to other adults (e.g., schools, relatives)
   (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
   1. Name
   2. Sex
   3. Age
   4. Whether the person reasonably appears able to engage in self-care
   5. Disposition or placement information if the person is unable to engage in self-care

319.3.3 SUPPORT AND COUNSELING REFERRAL
If the handling officers believe the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate, or a crisis response telephone number, they should provide appropriate referral information.

319.3.4 SELF-SURRENDER
If an officer allows a probationer to self-surrender, the officer should, where practicable, allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate.

319.4 DEPENDENT WELFARE SERVICES
Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service agency to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the Probation office, transported in a marked law enforcement vehicle, or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

319.5 TRAINING
The Training Coordinator is responsible for ensuring that all members of this department who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian, or caregiver is arrested.
Service Animals

320.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

320.1.1 DEFINITIONS
Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks to benefit an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the individual’s disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler’s control, the facility can accommodate the horse’s type, size, and weight, and the horse’s presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

320.2 POLICY
It is the policy of the Butte County Probation Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

320.3 IDENTIFICATION AND USE OF SERVICE ANIMALS
Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness, or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors, or flipping switches for people who have limited use of their hands, arms, or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities, or psychiatric disabilities, such as reminding a person with depression to take medication.
Service Animals

- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

320.4 MEMBER RESPONSIBILITIES
Service animals assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Butte County Probation Department affords to all members of the public (28 CFR 35.136).

320.4.1 INQUIRY
If it is apparent or if a member knows that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal’s status should be asked. The individual should not be questioned about the disability nor should the person be asked to provide any license, certification, or identification card for the service animal.

320.4.2 CONTACT
Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting, or otherwise initiating contact with a service animal.

320.4.3 REMOVAL
If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually, and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services that are reasonably available to an individual with a disability, with or without a service animal.
Volunteers and Student Interns

321.1 PURPOSE AND SCOPE
This policy establishes the guidelines for Butte County Probation Department volunteers and student interns to supplement and assist department personnel in their duties. Trained volunteers are members who can augment department personnel and help complete various tasks.

321.1.1 DEFINITIONS
Definitions related to this policy include:

**Student intern** - A college, university, or graduate student gaining practical experience in a chosen field while performing services for the Department under supervision.

**Volunteer** - An individual who performs a service for the Department without promise, expectation, or receipt of compensation for services rendered. This may include unpaid chaplains, student interns, and persons providing administrative support.

321.2 POLICY
The Butte County Probation Department shall ensure that volunteers and student interns are properly appointed, trained, and supervised to carry out specified tasks and duties in order to create an efficient department and improve services to the community.

321.3 ELIGIBILITY
Requirements for participation as a volunteer or student intern for the Department may include but are not limited to:

(a) Being an enrolled student in a college, university, or other approved educational entity.
(b) Being at least 18 years of age.
(c) Possession of a valid driver’s license if the position requires vehicle operation.
(d) Possession of liability insurance for any personally owned equipment, vehicles, or animals utilized during volunteer work.
(e) No conviction of a felony, any crime of a sexual nature or against children, any crime related to assault or violence, any crime related to dishonesty, or any crime related to impersonating a law enforcement officer.
(f) No conviction of a misdemeanor or gross misdemeanor crime within the past 10 years, excluding petty misdemeanor traffic offenses.
(g) No mental illness or chemical dependency condition that may adversely affect the person’s ability to serve in the position.
(h) Ability to meet physical requirements reasonably appropriate to the assignment.
(i) A personal background history and character suitable for a person representing the Department, as validated by a background investigation.
The Chief Probation Officer may allow exceptions to these eligibility requirements based on organizational needs and the qualifications of the individual.

**321.4 RECRUITMENT, SELECTION, AND APPOINTMENT**
The Butte County Probation Department shall endeavor to recruit and appoint only those applicants who meet the high ethical, moral, and professional standards set forth by this department.

**321.4.1 RECRUITMENT**
Volunteers and student interns should be recruited on an as needed basis consistent with department policy on equal opportunity, nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in and an ability to assist the Department in serving the public.

**321.4.2 SELECTION**
Volunteer and student intern candidates shall successfully complete the following process prior to appointment:

(a) Submit the appropriate written application.
(b) Interview with the volunteer coordinator.
(c) Successfully complete an appropriate-level background investigation.

**321.4.3 APPOINTMENT**
Service as a volunteer or student intern with the Department shall begin with an official notice of acceptance or appointment by the Chief Probation Officer or the authorized designee. Notice may only be given by an authorized representative of the Department, who will normally be the volunteer coordinator. No volunteers or student interns should begin any assignment until they have been officially accepted for that position and have completed all required screening and paperwork.

All volunteers and student interns shall receive a copy of the orientation materials and shall be required to sign a volunteer or student intern agreement. Volunteers and student interns should be placed only in assignments or programs consistent with the needs of the Department.

Volunteers and student interns serve at the discretion of the Chief Probation Officer.

**321.5 IDENTIFICATION**
As representatives of the Department, volunteers and student interns are responsible for presenting a professional image to the community. Volunteers and student interns shall dress appropriately for the conditions and performance of their duties. Necessary safety equipment will be provided for each volunteer and student intern. Identification symbols shall be worn by volunteers and student interns.

Volunteers and student interns will be issued Butte County Probation Department identification cards, which must be carried at all times during volunteer/intern hours. The identification cards will
Volunteers and Student Interns

be the standard Butte County Probation Department identification cards, except that “Volunteer” or “Student Intern” will be indicated on the cards.

321.6 PERSONNEL WORKING AS VOLUNTEERS OR STUDENT INTERNS
Qualified regular department personnel, when authorized, may also serve as volunteers or student interns. However, this department shall not utilize the services of volunteers or student interns in such a way that it would violate employment laws or collective bargaining agreements or memorandums of understanding (e.g., a detention officer participating as a volunteer or a student intern for reduced or no pay). Therefore, the volunteer coordinator should consult with the Human Resources Department prior to allowing regular department personnel to serve in a volunteer or student intern capacity (29 CFR 553.30).

321.7 VOLUNTEER COORDINATOR
The volunteer coordinator shall be appointed by and directly responsible to the Administration Supervisor or the authorized designee.

The function of the coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist efforts to jointly provide more productive volunteer services. Under the general direction of the Chief Probation Officer or the authorized designee, volunteers and student interns shall report to the volunteer coordinator.

The volunteer coordinator may appoint a senior volunteer or other designee to assist in the coordination of volunteers and student interns and their activities.

The responsibilities of the coordinator or the authorized designee include but are not limited to:

(a) Recruiting, selecting, and training qualified volunteers and student interns.
(b) Conducting volunteer meetings.
(c) Establishing and maintaining a volunteer callout roster.
(d) Maintaining records for each volunteer and student intern.
(e) Tracking and evaluating the contribution of volunteers and student interns.
(f) Maintaining a record of volunteer and student intern schedules and work hours.
(g) Completing and disseminating, as appropriate, all necessary paperwork and information.
(h) Planning periodic recognition events.
(i) Maintaining a liaison with other community programs that use volunteers and assisting in community-wide efforts to recognize and promote volunteering.
(j) Maintaining a liaison with colleges and universities that provide student interns to promote the intern program with both students and the educational institution.
(k) Maintaining volunteer and student intern orientation and training materials and outlining expectations, policies, and responsibilities for all volunteers and student interns.
An evaluation of the overall use of volunteers and student interns will be conducted on an annual basis by the coordinator.

321.8 DUTIES AND RESPONSIBILITIES
Volunteers assist department personnel as needed. Volunteers should be placed only in assignments or programs consistent with their knowledge, skills, and abilities and the needs of the Department. Student interns should be assigned to areas that meet the needs of both their educational program and the Department.

All volunteers will be assigned to duties by the volunteer coordinator or the authorized designee.

321.8.1 COMPLIANCE
Volunteers and student interns shall be required to adhere to all department policies and procedures. A copy of the policies and procedures will be made available to each volunteer and student intern upon appointment. The volunteer and student intern shall become thoroughly familiar with these policies.

Whenever a rule, regulation, or guideline in this Policy Manual refers to regular department personnel, it shall also apply to a volunteer and student intern, unless by its nature it is inapplicable.

321.8.2 VOLUNTEER MEETINGS
All volunteers are required to attend scheduled meetings. Any absences must be satisfactorily explained to the volunteer coordinator.

321.9 SUPERVISION
Each volunteer and student intern must have a clearly identified supervisor who is responsible for direct management of that individual. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer or student intern and should be available for consultation and assistance.

Functional supervision of volunteers and student interns is the responsibility of the supervisor in charge of their assigned duties. The following are some considerations that supervisors should keep in mind while supervising volunteers and student interns:

(a) Take the time to introduce volunteers and student interns to members on all levels.
(b) Ensure volunteers and student interns have work space and necessary office supplies.
(c) Make sure the work is challenging. Do not hesitate to give volunteers and student interns an assignment or task that will utilize these valuable resources.
(d) Ensure the work for student interns meets the needs of their educational program, if possible, while also meeting the needs of the department.

A volunteer may be assigned as a supervisor of other volunteers, provided that the supervising volunteer is under the direct supervision of an employee of the Butte County Probation Department.
321.9.1 EVALUATIONS
Student interns will be evaluated pursuant to the requirements of their educational program.

321.9.2 FITNESS FOR DUTY
No volunteer or student intern shall report for work or be at work when the individual's judgment or physical condition has been impaired due to illness or injury, or by the use of alcohol or drugs, whether legal or illegal.

Volunteers or student interns shall report to their supervisors any change in status that may affect their ability to fulfill their duties. This includes but is not limited to:

(a) Driver’s license.
(b) Medical condition.
(c) Arrests.
(d) Criminal investigations.
(e) All law enforcement contacts.

321.10 INFORMATION ACCESS
With appropriate background clearance, a volunteer or student intern may have access to or be in the vicinity of criminal histories, investigative files, or information portals. Unless otherwise directed by a supervisor, the duties of the position, or department policy, all such information shall be considered confidential. Only that information specifically identified and approved by authorized members shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by department policy and supervisory personnel.

A volunteer or student intern whose assignment requires the use of, or access to, confidential information will be required to be fingerprinted and have the fingerprints submitted to the California Department of Justice to obtain clearance. Subsequent unauthorized disclosure of any confidential information verbally, in writing, or by any other means by the volunteer or student intern is grounds for immediate dismissal and possible criminal prosecution.

Volunteers and student interns shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to newspapers or other periodicals, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

321.11 EQUIPMENT
Any property or equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer or student intern shall remain the property of the Department and shall be returned at the termination of service.

321.11.1 VEHICLE USE
Volunteers and student interns are not authorized to operate department vehicles.
321.12 DISCIPLINARY PROCEDURES/TERMINATION
If a volunteer is the subject of a personnel complaint or becomes involved in an internal investigation, the matter shall be investigated in compliance with the Personnel Complaints Policy. If a student intern is the subject of or is involved in an internal investigation, the coordinator of the educational program that sponsors the intern should be notified.

Volunteers are considered at-will and may be removed from service at the discretion of the Chief Probation Officer, with or without cause. Volunteers shall have no property interest in their continued appointments.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice and a reason for their decision.

321.12.1 EXIT INTERVIEWS
The volunteer coordinator should conduct exit interviews, where possible. These interviews should ascertain why the volunteer is leaving the position and should solicit the volunteer’s suggestions on improving the position. When appropriate, an exit interview should also include a discussion on the possibility of involvement in some other capacity with the Department. Student intern exit interviews should solicit the intern’s suggestions for improving the internship and learning opportunities with the department.

403.3 RESPONSIBILITIES
The Chief Probation Officer or the authorized designee should develop and maintain procedures for the administration of drug and alcohol tests, including but not limited to:

(a) Criteria for identifying probationers subject to random, scheduled, and for cause testing. The criteria should include consideration of:
   1. Conditions of supervision.
   2. Probationer factors such as history, current use, and behavior.

   4. Risk and needs assessments.
   5. Officer observations.
   6. Third-party information, where confirmed if necessary.

(b) Types of unauthorized substances tested.

(c) Specimen collection and testing procedures, including:
   1. Identification of approved testing locations.
   2. Approved testing methods.
   3. Compliance with the department’s exposure control plan and any applicable occupational safety requirements. (See the Communicable Diseases Policy.)
4. Supervision of the probationer being tested during the collection of a urine specimen by officers of the same sex as the probationer being tested, or of the same sex with which the probationer identifies.

5. Use of approved testing equipment or devices.

6. Collection of all specimens in an area free of agents or adulterants to avoid cross contamination or dilution of specimens.

7. Security procedures to prevent tampering with a specimen.

8. Establishment of methods to verify that the person appearing for testing is the probationer subject to testing.

9. Establishment of processes, including time frames, for a probationer to submit a specimen once a specimen has been requested.

(d) Procedures for documenting the handling of specimens from the point of collection to disposal (chain of custody).

403.3.1 RESPONSIBILITIES
The Chief Probation Officer or the authorized designee should work with community-based service providers (e.g., drug and/or alcohol treatment facilities) to develop procedures for notifying the supervising officer when a probationer submits a positive, adulterated, or diluted specimen, or refuses to submit a specimen to the community provider. Those procedures should include but not be limited to:

(a) The time frame in which the provider must notify the supervising officer (e.g., immediately for high-risk offenders).

(b) The type of communication required (e.g., email, phone).

(c) The immediate action taken by the provider in response to the specimen, if any.

(d) Preservation and documentation of the specimen and test results, confirmation testing, or other actions on the part of the provider; and chain of custody for the specimen and results, including any materials used in the collection and analysis of the specimen.

The Chief Probation Officer should establish any other required minimum data elements that are to be included in drug treatment progress reports from the community-based service providers (Penal Code § 1210.1).

403.3.2 NOTIFICATIONS
The supervising officer shall notify the drug treatment facility of a court order requiring drug testing within seven days of receiving the order. A copy of the probationer's treatment progress reports, received from the drug treatment facility, should be provided to the court every 90 days, or as the court directs (Penal Code § 1210.1).
403.4 COLLECTION AND TESTING GENERALLY
Members who have been trained in department procedures for collecting specimens may collect specimens consistent with the probationer’s case management plan, a court order, the random screening protocol, or as otherwise specified in department procedure.

403.4.1 RESPONSIVE ACTION
When a probationer admits to the use of an unauthorized substance, refuses to submit a specimen when required, tests positive for an unauthorized substance, or provides an adulterated or diluted specimen, the supervising officer should consider whether:

(a) Confirmation testing is appropriate.
(b) The failure or refusal may be a violation of the conditions of supervision and take further action pursuant to the Violations Policy.
(c) With supervisor approval, modification to the conditions of supervision, including referral for further assessment to determine the need for outpatient or inpatient drug treatment services, would be appropriate and proceed pursuant to the Modification of Conditions of Supervision Policy.
(d) A reassessment would be appropriate as provided in the Risk and Needs Assessments Policy.
(e) Officers may choose to handle a violation of conditions of supervision in an informal manner, in consideration of each person's individual needs, as long as the action complies with court mandates.

If a probationer tests positive, admits use, or refuses to provide a sample and the officer reasonably suspects the probationer arrived at the testing location or intends to leave the testing location by operation of a motor vehicle while impaired, the officer should proceed according to the Violations Policy.

403.4.2 CONFIRMATION TESTS
Supervising officers should perform testing of a probationer despite an admission of use.

When a specimen tests positive or is adulterated or diluted, regardless of any admission of use, reasonable efforts should be made to confirm whether the result occurred during the use of an authorized or prescribed medication or is the result of the use of a prohibited substance. This may include:

(a) Administration of additional on-site screening.
(b) Verification of medical prescriptions or medical marijuana identification card if use is approved by the court or conditions of the probationer's supervision.
(c) Submission of an appropriate specimen, following the established chain of custody, to an approved toxicology laboratory for confirmation testing.

403.5 TRAINING

404.3 APPROVALS
Officers should not modify conditions of supervision without court approval unless the court has expressly delegated the authority to do so to the officer or Butte County Probation Department.

If court approval is not required and the modification would decrease the intensity of supervision, officers should obtain supervisor approval prior to the modification.

404.4 MODIFICATIONS
When an officer determines modification of a probationer’s conditions of supervision may be appropriate, the officer should within a reasonable time:

- Identify the proposed modification and document the reason(s) for the proposed modification.
- Notify the probationer of the proposed modification and ask whether the probationer will agree to the modification.
- If the probationer is a minor, proceed with the Modification Hearing subsection (even if the probationer agrees to the modification).

An agreement by the probationer to the modification should be in writing and witnessed by a supervisor and a third-party officer or staff member.

404.4.1 MODIFICATION WITHOUT HEARING
If the probationer agrees to the modification and the court has expressly authorized modifications without a hearing, the officer should (Penal Code § 1203.2; Penal Code § 3455):

(a) Obtain a written waiver of the hearing from the probationer.

(b) Submit to the court a copy of the modification along with the rationale for the modification and the probationer’s agreement and waiver of hearing.

Prior to submission of court documents, the officer shall notify the probationer of the right to an attorney, and if indigent, the right to a court-appointed attorney (Penal Code § 1203.2). If a probationer waives the right to an attorney, the officer should obtain a signature from the individual on the written waiver. If the probationer consults with an attorney and thereafter agrees
Modification of Conditions of Supervision

to the modification and waiver of personal appearance at the hearing, the officer should obtain a signature from the attorney as to the agreement (Penal Code § 1203.2; Penal Code § 3455).

404.4.2 MODIFICATION HEARING
If the probationer does not waive a court hearing or a hearing is required under the circumstances, the officer should:

(a) Arrange to have a court date set.

(b) Prepare or assist in preparing any documents required by the court (Penal Code § 1203.2; Penal Code § 3455; Welfare and Institutions Code § 778).

(c) Notify the probationer of the hearing date.
   1. Notice should be in writing signed by the probationer and the method of notice, or reason why notice was not given, should be documented.
   2. Officers filing a petition to juvenile court to modify or set aside a condition of probation should serve a copy of the petition on the District Attorney, the minor's attorney of record, or, if there is no counsel of record, to minor and the parents or guardians (Welfare and Institutions Code § 778; Welfare and Institutions Code § 776).

404.5 CASE PLAN
Officers should review any resulting modifications with the probationer.

The case plan should be modified as appropriate. See the Supervision of Probationers Policy.

404.6 DOCUMENTATION
Documents associated with modifications of conditions of supervision, including any waivers and approvals, should be filed in the probationer's case file and retained in accordance with the Records Maintenance and Release Policy.
Violations

405.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance for responding to and reporting violations of conditions of supervision.

405.2 POLICY
It is the policy of this department to respond to potential violation behavior with due diligence.

405.3 INVESTIGATIONS
Officers should begin an investigation into reported or suspected violation behavior within a reasonable time. Investigations into possible violations involving behavior reasonably believed to implicate a specific threat to public safety or to the safety of the probationer or another person should be given priority.

Suspected violations that may constitute additional criminal behavior should be documented sufficiently for presentation to outside agencies, such as local law enforcement for follow-up or the District Attorney for filing of additional charges. See the Report Preparation Policy.

All investigations should be documented, including whether the case was submitted to the court and/or the District Attorney and any reasons it was not.

405.4 PROCESSING VIOLATIONS
If as a result of an investigation, the officer reasonably believes violation proceedings are appropriate, the officer should make reasonable efforts to bring the matter before the court as soon as reasonably practicable.

405.4.1 REQUIRED VIOLATION REPORTING
Officers shall report any violation or breach of conditions imposed by the court to both the court that appointed the officer and the court that released the probationer, if different (Penal Code § 1203.7; Penal Code § 1203.12).

Officers who receive written notification that a probationer has been imprisoned for another offense shall submit a report to the court that released the probationer not later than 30 days after receiving notification of the imprisonment. Officers who otherwise discover that a probationer is incarcerated on another offense should make reasonable efforts to notify the releasing court of the information discovered (Penal Code § 1203.2a).

405.4.2 DISCRETIONARY VIOLATION REPORTING
Officers should consult with a supervisor in cases where they reasonably believe that despite violation behavior compliance with conditions may be achieved without court intervention. If modification of conditions is appropriate, officers should proceed in accordance with the Modification of Conditions of Supervision Policy.
Violations

Officers who determine that intermediate sanctions are not appropriate for an individual who violated conditions of supervision on post-release community supervision (PRCS) pursuant to Penal Code § 3450 et seq. should submit a petition to the court to revoke or terminate PRCS, if appropriate, or proceed with the Modifications of Conditions of Supervision Policy (Penal Code § 3455).

405.4.3 FLASH INCARCERATION
Officers shall obtain supervisor approval prior to the imposition of flash incarceration. Officers shall notify the court, sheriff’s office, District Attorney, and public defender as soon as practicable once a decision has been made to impose flash incarceration on a probationer (Penal Code § 1203.35). If probationer does not agree to accept a recommended period of flash incarceration, the officer should report the violation to the court, if appropriate, or proceed with the Modification of Conditions of Supervision Policy, if applicable (Penal Code § 1203.35).

405.4.4 ADDITIONAL REQUIREMENTS FOR INDIVIDUALS ON POST-RELEASE COMMUNITY SUPERVISION
Officers should investigate suspected violation behavior of individuals on PRCS pursuant to Penal Code § 3450 et seq. and process violations per the Investigations and Processing Violations sections of this policy.

Officers who have a reasonable belief that an individual on PRCS has violated a condition of supervision should obtain supervisor approval prior to the implementation of flash incarceration (Penal Code § 3454).

If flash incarceration or another intermediate sanction is not appropriate, the officer should submit a petition to the court to revoke or terminate PRCS, if applicable, or proceed with the Modification of Conditions of Supervision Policy. The petition shall include a written report that contains the terms and conditions of PRCS, the circumstances of the violation, the history of the violator, and any recommendations (Penal Code § 3455). If a petition is submitted to the court, the officer should proceed with the Service of Documents, Notice to the District Attorney, Evidence Disclosure, and Notifications sections in this policy. If an arrest is appropriate, the officer should proceed with the Arrests section of this policy.

405.5 ARRESTS
Officers who reasonably believe that an arrest is appropriate based on violation behavior should take steps to initiate the arrest within the scope of their authority and without unreasonable delay (Penal Code § 1203.2; Penal Code § 3455; Welfare and Institutions Code § 625). See the Probation Authority Policy.

If an officer has a reasonable belief that an immediate arrest is warranted (e.g., the violation behavior implicates a specific threat (such as an intoxicated probationer close to operating a vehicle), abscondence is likely, the arrest is required by state law), the officer should initiate a warrantless arrest if legally permitted under the circumstances.
405.6 SERVICE OF DOCUMENTS
Regardless of whether an arrest is made, the officer shall serve a copy of any petition filed with the court on the probationer or the attorney for the probationer, if known (Penal Code § 1203.2). The officer should also serve a copy of the violation report on the probationer or the probationer's attorney, if known. Service should be made by certified mail, return receipt requested.

405.6.1 NOTICE TO THE DISTRICT ATTORNEY
Officers shall provide a copy of the petition to revoke probation to the District Attorney (Penal Code § 1203.2). The copy should be provided as soon as practicable after filing the petition. The method of notification (e.g., personally, by certified mail) and the date should be documented.

405.6.2 EVIDENCE DISCLOSURE
Evidence that the officer intends to be used at a violation hearing should be disclosed prior to the hearing to the District Attorney. Information that is confidential or protected may have disclosure limitations and should be approved by a supervisor and/or the court prior to disclosure.

405.6.3 SUPPLEMENTAL PETITIONS IN JUVENILE COURT
Officers filing a supplemental petition to juvenile court shall serve notice of the date, time, and place of a Welfare and Institutions Code § 777 hearing to the minor's parents, foster parents, guardians, or the relatives providing care to the minor in the manner required by Welfare and Institutions Code § 658 or Welfare and Institutions Code § 660, as applicable (Welfare and Institutions Code § 777).

405.7 NOTIFICATIONS
Officers who initiate violation proceedings against probationers should consider whether notification should be made to a third party or the victim of the offense for which the probationer is on supervision. See the Victim and Witness Assistance Policy.
Subpoenas and Court Appearances

**406.1 PURPOSE AND SCOPE**
This policy establishes the guidelines for department members who must appear in court. It will allow the Butte County Probation Department to cover any related work absences and keep the Department informed about relevant legal matters.

**406.2 POLICY**
Butte County Probation Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

**406.3 SUBPOENAS**
Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so. This may be accomplished by personal service to the officer or by delivery of two copies of the subpoena to the officer's supervisor or other authorized department agent (Government Code § 68097.1; Penal Code § 1328(c)).

The party that issues a civil subpoena to an officer to testify as a witness must tender the statutory fee of $275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328(d)(e)):

(a) The supervisor or authorized individual will be unable to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena.

(b) It is less than five working days prior to the date listed for an appearance and the supervisor or authorized individual is not reasonably certain that service can be completed.

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines it is not possible to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328(f)).

**406.3.1 SPECIAL NOTIFICATION REQUIREMENTS**
Any member who is subpoenaed to testify, agrees to testify, or provides information on behalf or at the request of any party other than the County Counsel or the prosecutor shall notify the member's immediate supervisor without delay regarding:

(a) Any civil case where the County or one of its members, as a result of their official capacity, is a party.
Subpoenas and Court Appearances

(c) Any criminal proceeding where the member is called to testify or provide information on behalf of the defense.

(d) Any civil action stemming from the member’s on-duty activity or because of their association with the Butte County Probation Department.

(e) Any personnel or disciplinary matter when called to testify or to provide information by a government entity other than the Butte County Probation Department.

The supervisor will then notify the Chief Probation Officer and the appropriate prosecuting attorney as may be indicated by the case. The Chief Probation Officer should determine if additional legal support is necessary.

No member shall be retaliated against for testifying in any matter.

406.3.2 CIVIL SUBPOENA
The Department will compensate members who appear in their official capacities on civil matters arising out of their official duties, as directed by the current collective bargaining agreement or memorandum of understanding.

The Department should seek reimbursement for the member’s compensation through the civil attorney of record who subpoenaed the member.

406.3.3 OFF-DUTY RELATED SUBPOENAS
Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

406.4 FAILURE TO APPEAR
Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

406.5 STANDBY
To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes location during the day, the member shall notify the designated department member of how the member can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

406.6 COURTROOM PROTOCOL
When appearing in court, members shall:
Subpoenas and Court Appearances

(b) Dress in business attire.
(c) Observe all rules of the court in which they are appearing and remain alert to changes in the assigned courtroom where their matter is to be heard.

406.6.1 TESTIMONY
Before the date of testifying, the subpoenaed member shall request a copy of relevant reports and become familiar with the content in order to be prepared for court. The member should also contact the prosecuting attorney regarding testimony and evidence that might be needed in court.

406.6.2 EVIDENCE
When a member is directed by a subpoena to appear in court with evidence or the prosecuting attorney requests evidence that is available to the member, that member should:

(a) Notify the Evidence Technician promptly after receiving the subpoena that the specified evidence is needed for court, and verify that the evidence is readily available.
(b) Verify whether the evidence will be analyzed by the time of the court appearance, if applicable, and advise the prosecutor of any delay.
(c) Check with the prosecuting attorney on a timely basis if in doubt about what items or materials to bring to court.
(d) Notify the prosecuting attorney on a timely basis in the event that evidence has been lost, stolen, or misplaced, or if previously undisclosed information about the evidence has become available.
(e) Comply with provisions of the Property Policy regarding checking out the evidence and transferring custody of the evidence to the prosecutor or the court, whichever is appropriate.

406.7 OVERTIME APPEARANCES
When a member appears in court on off-duty time, the member will be compensated in accordance with the current collective bargaining agreement or memorandum of understanding.

Biased-Based Supervision

411.1 PURPOSE AND SCOPE
This policy provides guidance to Butte County Probation Department members that affirms the County's commitment to supervision that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in probation activities designed to strengthen the department’s relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, and partnerships).

411.1.1 DEFINITIONS
Definitions related to this policy include:

Bias-based supervision - An inappropriate reliance on actual or perceived characteristics, such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics), as the basis for providing differing supervision services or enforcement of court orders.

411.2 POLICY
The Butte County Probation Department is committed to providing supervision services to the community with due regard for the racial, cultural, or other differences of those served. It is the policy of this department to provide probation services and to enforce the law and conditions set by the court equally, fairly, objectively, and without discrimination toward any individual or group.

411.3 BIAS-BASED SUPERVISION PROHIBITED
Bias-based supervision is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely, and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns, or specific schemes.

411.4 MEMBER RESPONSIBILITIES
Every member of this department shall perform their duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based supervision to a supervisor. Members should, when reasonable to do so, intervene to prevent any bias-based actions by another member.

411.4.1 REASON FOR CONTACT
Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.
Biased-Based Supervision

To the extent that written documentation would otherwise be completed (e.g., arrest report), the involved officer should include those facts giving rise to the contact.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

411.5 SUPERVISOR RESPONSIBILITIES
Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

(a) Supervisors should discuss any issues with the involved officer and their supervisor in a timely manner.
   1. Supervisors should document these discussions in the prescribed manner.

(b) Supervisors should periodically review case management system data, and any other available resource used to document contact between officers, probationers, and the public to ensure compliance with this policy.
   1. Supervisors should document these periodic reviews.
   2. Data that captures a potential instance of bias-based supervision should be appropriately retained for administrative investigation purposes.

(c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.

(d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based supervision.

411.6 TRAINING
Training on fair and objective supervision and review of this policy should be conducted as directed by the Training Coordinator.
Chapter 5 - Field and Special Operations
Crime Scene Integrity and Investigation

500.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance regarding the discovery of a crime or crime scene by department members and any corresponding investigation of a crime.

This policy is intended to address criminal investigations of new crimes or crime scenes, not specific violations of an offender’s terms of probation. See the Violations Policy.

500.2 POLICY
It is the policy of this department to secure the safety of the public and the preservation of crime scenes, when reasonably practicable, until relieved by local law enforcement, a supervisor, or other designated person. It is also the policy of this department to cooperate with local law enforcement in the investigation of newly discovered crimes as set forth in this policy.

500.3 INITIAL CONSIDERATIONS
Officers who become aware of a crime or crime scene, including one that may involve probationers under the supervision of the Department, should contact the appropriate local law enforcement agency as soon as practicable.

If the crime involves a probationer under supervision by the Department, the officer should coordinate investigative responsibilities and share relevant information with the responding local law enforcement agency.

An officer who reasonably believes that an individual present during the commission of a crime or at a crime scene is under probation supervision by another officer or other department should take reasonable steps to notify the individual’s supervising officer or the associated department to coordinate any necessary investigative responsibilities.

500.3.1 RESPONSE
Officers who encounter or who are first to arrive at a crime scene should:

(a) Contact local law enforcement.
(b) Contact other local agencies (e.g., emergency medical services, fire) and request additional assistance and resources, if appropriate.
(c) Notify a supervisor.
(d) When reasonably practicable, provide for the general safety of those within the immediate area by mitigating, reducing, or eliminating threats or dangers.
(e) Evacuate the location safely as required or appropriate.
(f) Identify potential witnesses.
500.4 ARRESTS
An officer at the location of a crime or crime scene should not initiate an arrest unless the officer has a reasonable belief that an immediate arrest is appropriate and warranted to prevent imminent harm to others and only if legally permitted under the circumstances. Additional guidance regarding officer arrest authority under California law is provided in the Probation Authority Policy.

Circumstances involving domestic violence may require exceptional handling under California law.

500.4.1 ARRESTS AND INVESTIGATIONS INVOLVING DOMESTIC VIOLENCE
Absent extenuating circumstances involving an imminent threat of death or bodily injury to the officer or another person, officers who have probable cause to believe that an offense involving domestic violence has occurred within their presence should request response by the appropriate local law enforcement agency.

This should be considered even if the officer has arrest authority under California law. However, if the officer is authorized or required to take enforcement action, the officer shall take steps to reasonably ensure that appropriate action is taken, including an arrest when there is probable cause to do so. In such case, any decision not to arrest shall be made by the officer’s supervisor.

Officers shall also take steps to reasonably ensure any other mandatory action related to domestic violence is accomplished. This may include mandates related but not limited to the following:

(a) Required victim notifications or assistance.
(b) The service of court orders.
(c) Seizure of firearms or other deadly weapons in accordance with Penal Code § 18250 if the incident involved threats of bodily harm or physical assault and the firearm or weapon is discovered in plain view or pursuant to consent or other lawful search.

500.5 EVIDENCE
Officers should not conduct searches beyond the scope of their authority. Evidence discovered at a crime scene and that pertains to an officer’s investigation of a probation violation should be documented and preserved as soon as practicable in accordance with the Search and Seizure Policy.

Officers who discover evidence that does not relate to a probation violation may defer to local law enforcement personnel for collection.

500.6 REPORTS
Reports should include adequate investigative information and reference to all evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in a related criminal case, as well as information that may adversely affect the credibility of a witness. If an officer learns of potentially incriminating or exculpatory information any time after submission of a report, the officer should prepare and submit a supplemental report documenting such information as soon as practicable.
Officers should proceed with the Violations Policy when the investigation involves a violation of probation conditions.

500.6.1 DISCLOSURE OF REPORTS
Upon completion, reports, including any supplemental reports, should be transmitted to the prosecutor’s office and to any other agency to whom the original report was sent (e.g., local law enforcement agency). If information is believed to be privileged or confidential (e.g., informant or protected information), release should be approved by a supervisor prior to disclosure.

Disclosure of protected information in this context may be subject to the Records Maintenance and Release and Protected Information policies. See the Violations Policy, regarding information disclosure as part of a probation violation hearing.

500.7 RECORDS
Reports created in relation to a crime or crime scene investigation should be retained in accordance with the Records Maintenance and Release Policy.
Ride-Alongs

501.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for a ride-along with members of the Butte County Probation Department. This policy provides the requirements, approval process, hours of operation, and member responsibilities for ride-alongs.

501.2 POLICY
Ride-along opportunities may be provided to members of the public, County employees, and members of this department to observe and experience, firsthand, various functions of the Butte County Probation Department. The term “ride-along” includes riding as a passenger with an officer performing field supervision or observing the work day of members engaging in other functions within the Department facility, such as office contacts with probationers or supervised persons.

501.3 ELIGIBILITY
A ride-along is available to Butte County residents and business owners, consultants, students currently attending class in Butte County, and individuals employed within the County and individuals employed within Butte County. Efforts will be made to accommodate all interested persons. However, any applicant may be disqualified from participating without cause.

Factors that may be considered in disqualifying an applicant include but are not limited to:

- Being younger than 15-18 years of age.
- Prior criminal history.
- Pending criminal action.
- Pending lawsuit against this department or the County.
- Denial by any supervisor.

501.4 AVAILABILITY
A ride-along or job observation is available most days of the week, from 8:00 a.m. to 5:00 p.m. Exceptions to this schedule may be made as approved by the supervisor.

501.5 REQUESTS TO PARTICIPATE
Generally, ride-along and job observation requests will be maintained and scheduled by the supervisor. The applicant will complete and sign a ride-along or job observation waiver form. If the applicant is younger than 18 years of age, a parent or guardian must be present to complete the waiver form. Information requested will include a valid state-issued identification card or driver’s license number, birth date, address, and telephone number.
Ride-Alongs

The supervisor will schedule a date, based on availability, generally one week after the date of application. If approved, a copy of the waiver form will be forwarded to the appropriate division as soon as possible for scheduling considerations.

If the request is denied, a representative of this department will advise the applicant of the denial.

501.6 PROCEDURES

Once approved, ride-along applicants will be allowed to participate no more than once every six months. An exception may apply to the following law enforcement-involved participants:

- Volunteers
- Chaplains
- Butte County Probation Department applicants
- Any others with approval of the supervisor
- Student workers or interns

An effort will be made to ensure that no more than one member of the public will participate in a ride-along or job observation during any given time period. Normally, no more than one ride-along participant will be allowed in department vehicles at a given time.

501.6.1 OFF-DUTY PARTICIPATION

Off-duty members of this department or any other law enforcement agency, and employees of the County, will not be permitted to participate in a ride-along with on-duty members of this department without the express consent of the supervisor.

In the event that such participation is permitted, the off-duty department member, other law enforcement agency personnel, or County employee shall not:

(a) Be considered on-duty.
(b) Represent themselves as members of this department or any other law enforcement agency.
(c) Participate in any law enforcement activity except as emergency circumstances may require.

501.6.2 CRIMINAL HISTORY CHECK

All ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Department of Justice Automated Criminal History System check prior to approval of the ride-along.

501.6.3 SUITABLE ATTIRE

Any person approved to participate in a ride-along is required to be suitably dressed in a collared shirt, blouse or jacket, slacks, and shoes. Sandals, T-shirts, tank tops, shorts, and ripped or torn pants are not permitted. Hats and ball caps will not be worn without the express consent of the
supervisor. The supervisor, or a lead staff member in the absence of a supervisor, may refuse a ride-along to anyone who is not dressed appropriately.

501.7 MEMBER RESPONSIBILITIES
The assigned department member shall consider the safety of the ride-along or job observation participant at all times. The member shall maintain control over the participant and shall instruct the individual about conditions that necessarily limit participation. Instructions should include:

(a) The participant will follow the directions of the department member.

(b) The participant will not become involved in any investigation, handling of evidence, discussions with victims, probationers, supervised persons or suspects, reading an individual’s criminal history or other protected information, or handling any probation department equipment.

(c) Participation may be terminated at any time by the member if the participant interferes with the performance of the member’s duties.

1. If the ride-along is in progress, the member may return the participant to the point the ride originated.

(d) Participants may be allowed to continue a ride-along during the transportation and booking process, provided it does not jeopardize their safety.

(e) Members will not allow participants to be present in any location or situation that would jeopardize the participant’s safety or cause undue stress or embarrassment to a victim or any other member of the public.

(f) Participants who are not probation or law enforcement officers shall not be permitted to accompany the department member into a private residence without the express consent of the resident or other authorized person.

The member assigned to provide a ride-along shall advise the supervisor, or lead staff in the absence of a supervisor, that a ride-along participant is present in the vehicle before going into service. An officer with a ride-along participant should use sound discretion when encountering a potentially dangerous situation and, if feasible, let the participant out of the vehicle in a well-lit public place. The supervisor, or lead staff in the absence of a supervisor, will be advised of the situation and as soon as practicable have another department member respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride, or is otherwise inappropriate, should be immediately reported to the supervisor. The member should enter comments regarding the reasons for terminating the ride-along on the waiver form.

Upon completion of the ride-along, the member shall return the waiver form to the supervisor.
Hazardous Material Response

502.1 PURPOSE AND SCOPE
Exposure to hazardous materials presents potential harm to department members and the public. This policy outlines the factors that members should consider when they encounter hazardous material, including the reporting of exposures and supervisor responsibilities.

502.1.1 DEFINITIONS
Definitions related to this policy include:

Hazardous material - A substance that by its nature, containment, or reactivity has the capability of inflicting harm during exposure; is characterized as being toxic, corrosive, flammable, reactive, an irritant, or a strong sensitizer; and thereby poses a threat to health when improperly managed.

502.2 POLICY
It is the policy of the Butte County Probation Department to immediately contact the appropriate local emergency services to respond to hazardous material emergencies in order to protect the safety of probationers, the public, and those members who may be exposed to such incidents.

502.3 HAZARDOUS MATERIAL EXPOSURE
Members may encounter situations involving suspected hazardous materials, such as a chemical spill in the workplace. When members come into contact with a suspected hazardous material, they should take certain steps to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond to and mitigate most incidents involving hazardous materials and biohazards.

Members should not perform tasks or use equipment without proper training. Officers present at a hazardous material incident may require decontamination before they are allowed to leave the scene and should be evaluated by appropriate technicians and emergency medical services personnel for signs of exposure.

502.4 CONSIDERATIONS
These steps should be considered at any scene involving suspected hazardous materials:

(a) Make the initial assessment of a potentially hazardous material from a safe distance.

(b) Notify appropriate supervisors, the appropriate fire department and hazardous response units, and local law enforcement.

1. Provide weather conditions, wind direction, a suggested safe approach route, and any other information pertinent to responder safety.

(c) Wear personal protective equipment (PPE), as available and as trained, being cognizant that some hazardous material can be inhaled.
(d) Remain upwind, uphill, and at a safe distance, maintaining awareness of weather and environmental conditions, until the material is identified and a process for handling has been determined.

(e) Attempt to identify the type of hazardous material from a safe distance using optical aids (binoculars or spotting scopes) if they are available. Identification can be determined by:

1. Placards or use of an emergency response guidebook.
2. Driver’s statements or shipping documents from the person transporting the material.
3. Information obtained from any involved person with knowledge regarding the hazardous material. Information should include:
   (a) The type of material.
   (b) How to secure and contain the material.
   (c) Any other information to protect the safety of those present, the community, and the environment.

(f) Provide first aid to injured parties if it can be done safely and without contamination.

(g) Make reasonable efforts to secure the scene to prevent access from unauthorized individuals and to protect and identify any evidence.

(h) Begin evacuation of the immediate and surrounding areas, dependent on the material. Voluntary evacuation should be considered; mandatory evacuation may be necessary and will depend on the type of material.

(i) Establish a decontamination area when needed.

502.5 REPORTING EXPOSURE
Department members who believe they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an incident report that shall be forwarded via chain of command to the Chief Probation Officer as soon as practicable. If the affected member is unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

Injury or illness caused or believed to be caused by exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report as applicable.

502.5.1 SUPERVISOR RESPONSIBILITIES
When a supervisor has been informed that a member has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure or continued exposure.
Hazardous Material Response

To ensure the safety of members, PPE is available from supervisors. PPE not maintained by this department may be available through the appropriate fire department or emergency response team.
Hostage and Barricade Incidents

503.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain, or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

503.1.1 DEFINITIONS
Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is:
- Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- Unlawfully held against the person's will under threat or actual use of force.

503.2 POLICY
It is the policy of the Butte County Probation Department to address hostage and barricade situations by immediately contacting local law enforcement.

503.3 COMMUNICATION
When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. The focus of communication should be to stabilize the situation while awaiting local law enforcement.

503.4 CONSIDERATIONS
Officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

Officers should immediately contact local law enforcement when it is determined that a hostage or barricade situation exists.

The handling officer should brief the arriving local law enforcement officers of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.
**503.4.1 BARRICADE SITUATION**

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting local law enforcement, specialized personnel, and trained negotiators.

**503.4.2 HOSTAGE SITUATION**

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of local law enforcement, specialized personnel, and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats.

**503.5 RESPONSIBILITIES**

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, establish a proper chain of command, and assume the role of Incident Supervisor until properly relieved by local law enforcement.

**503.6 REPORTING**

Unless otherwise relieved by a supervisor, the handling officer at the scene is responsible for completion of an incident report.
Response to Bomb Threat Calls

504.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines to assist members of the Butte County Probation Department in their initial response to incidents involving explosives or explosive devices, explosion/bombing incidents, or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

504.2 POLICY
It is the policy of the Butte County Probation Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

504.3 RECEIPT OF BOMB THREAT
Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement, and alleged detonation time of the device and should immediately contact the appropriate local law enforcement agency to convey the information.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

504.4 BUTTE COUNTY PROBATION DEPARTMENT FACILITY
If the bomb threat is against the department facility, the member who received the threat should immediately contact the appropriate local law enforcement agency and notify the supervisor as soon as practicable. The supervisor, in coordination with local law enforcement, will direct and assign officers as required for coordinating a general building search or evacuation of the department, as deemed appropriate.

504.5 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY
If the bomb threat is against a county or municipal facility within the jurisdiction of the County that is not the property of this department, assistance to the other entity may be provided as the supervisor deems appropriate once the appropriate local law enforcement agency has been notified of the threat.

504.6 PRIVATE FACILITY OR PROPERTY
When a member of this department receives notification of a bomb threat at a location in the County of Butte, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

(a) The location of the facility.
Response to Bomb Threat Calls

(b) The nature of the threat.
(c) Whether the type and detonation time of the device is known.
(d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
(e) Whether the individual is requesting law enforcement assistance at the facility.
(f) Whether any internal facility procedures exist regarding bomb threats, such as:
   1. No evacuation of personnel and no search for a device.
   2. Search for a device without evacuation of personnel.
   3. Evacuation of personnel without a search for a device.
   4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that local law enforcement is notified. Also notify the department supervisor immediately so that the supervisor can communicate with the person in charge of the threatened facility as necessary.

504.7 ASSISTANCE
The Chief Probation Officer or the authorized designee should be notified when department assistance is requested. The Chief Probation Officer or authorized designee will make the decision whether the Department will render assistance to responding law enforcement and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including evacuation and giving officers control over the facility.

Should the Chief Probation Officer or authorized designee determine that the department will assist law enforcement with such an incident, the Chief Probation Officer or authorized designee will determine:

(a) The appropriate level of assistance.
(b) The plan for assistance in consultation with responding local law enforcement.
(c) Whether to evacuate and/or search the facility.
(d) Whether to involve facility staff in the search or evacuation of the building.
   1. The safety of all participants is the paramount concern.
(e) The need for additional resources, including:
   1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request local law enforcement's assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.
504.8 SUSPECTED DEVICE
When handling an incident involving a suspected explosive device, the following guidelines, while not all-inclusive, should be followed:

(a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.

(b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.

(c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes:
   1. Two-way radios.
   2. Cell phones.
   3. Other personal communication devices.

(d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.

(e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.

(f) A safe access route should be provided for support personnel and equipment.

(g) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.

(h) Promptly relay available information to local law enforcement and the Chief Probation Officer or authorized designee including:
   1. The time of discovery.
   2. The exact location of the device.
   3. A full description of the device (e.g., size, shape, markings, construction).
   4. The anticipated danger zone and perimeter.
   5. The areas to be evacuated or cleared.

504.9 EXPLOSION/BOMBING INCIDENTS
When an explosion has occurred, the supervisor may be confronted with a multitude of considerations. As in other catastrophic events, a rapid evacuation may help to minimize injury to victims, contamination of the scene, or any additional damage from fires or unstable structures.

504.9.1 CONSIDERATIONS
Officers present at the scene of an explosion, whether accidental or a criminal act, should consider the following actions:

(a) Assess the scope of the incident, including the number of victims and extent of injuries, where safe and practicable.

(b) Request through 9-1-1 additional personnel and resources, as appropriate.
Response to Bomb Threat Calls

(c) Assist with first aid.

(d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens, and hazardous materials, where safe and practicable.

(e) Assist with the safe evacuation of victims, if possible.

(f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices only if trained to do so or where necessary to establish an evacuation route for self and others.

(g) Preserve evidence, where safe and practicable.

(h) Establish an outer perimeter and evacuate, if necessary.

(i) Identify witnesses.

504.9.2 NOTIFICATIONS
When an explosion has occurred, the following people should be notified, as appropriate:

- Local law enforcement
- Supervisor
- Fire department
- Bomb squad
- Additional department personnel, as necessary
- Other government agencies, as appropriate

504.10 CROWD CONTROL
Only authorized members with a legitimate need should be permitted access to the scene and only at the direction of local law enforcement. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

504.10 PRESERVATION OF EVIDENCE
As in any other crime scene, steps should immediately be taken to preserve the scene. Pending the arrival of local law enforcement, the supervisor should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact evidence may be embedded in nearby structures or hanging in trees and bushes.
Crisis Intervention Incidents

505.1 PURPOSE AND SCOPE
This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person’s mental state and intent in order to effectively and legally interact with the individual.

505.1.1 DEFINITIONS
Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person’s internal ability to manage behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; noncompliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive, or dangerous behavior that may be accompanied by impaired judgment.

505.2 POLICY
The Butte County Probation Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members’ interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

505.3 SIGNS
Members should be alert to any of the following possible signs of mental health issues or crises:

(a) A known history of mental illness
(b) Threats of or attempted suicide
(c) Loss of memory
(d) Incoherence, disorientation, or slow response
(e) Delusions, hallucinations, perceptions unrelated to reality, or grandiose ideas
(f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness, or guilt
(g) Social withdrawal
(h) Manic or impulsive behavior, extreme agitation, or lack of control
(i) Lack of fear
(j) Anxiety, aggression, rigidity, inflexibility, or paranoia
Members should be aware that this list is not exhaustive. The presence or absence of any of these signs should not be treated as proof of the presence or absence of a mental health issue or crisis.

505.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS
The Chief Probation Officer should designate the Training Coordinator and appropriate supervisors to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide department interaction with probationers who may be in crisis, and may also be used to develop case management plans for probationers suffering from mental illness.

505.5 CRISIS INTERVENTION RESPONSE
Safety is a priority during any crisis intervention. It is important to recognize that individuals under the influence of alcohol, drugs, or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer’s authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises, and unusual behavior are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer interacting with a person in crisis should:

(a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.

(b) Request local law enforcement and/or available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.

(c) If feasible without compromising safety, turn off flashing lights, bright lights, or sirens.

(d) Attempt to determine if weapons are present or available.

1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).

(e) Take into account the person’s mental and emotional state and potential inability to understand commands or to appreciate the consequences of action or inaction, as perceived by the officer.

(f) Secure the scene and clear the immediate area as necessary.

(g) Employ tactics to preserve the safety of all participants.

(h) Determine the nature of any crime and report the same to local law enforcement, if applicable.

(i) Request a supervisor, as warranted.
Crisis Intervention Incidents

(j) Evaluate any available information that might assist in determining cause or motivation for the person’s actions or stated intentions.

(k) If circumstances reasonably permit, consider and employ alternatives to force.

505.6 DE-ESCALATION
Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, members should be aware of the following considerations and should generally:

• Evaluate safety conditions.
• Introduce themselves and attempt to obtain the person’s name.
• Be patient, polite, calm and courteous, and avoid overreacting.
• Speak and move slowly and in a non-threatening manner.
• Moderate the level of direct eye contact.
• Remove distractions or disruptive people from the area.
• Demonstrate active listening skills (i.e., summarize the person’s verbal communication).
• Provide for sufficient avenues of retreat or escape should the situation become volatile.

Officers generally should not:

• Use stances or tactics that can be interpreted as aggressive.
• Allow others to interrupt or engage the person.
• Corner a person who is not believed to be armed, violent, or suicidal.
• Argue, speak with a raised voice, or use threats to obtain compliance.

505.7 INCIDENT ORIENTATION
When encountering an incident that may involve mental illness or a mental health crisis, the officer should request critical information as it becomes available. This may include:

(a) Whether the person relies on drugs or medication or may have failed to take medication.

(b) Whether there have been prior incidents or suicide threats/attempts, and whether there has been previous probation or other law enforcement response.

(c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.
505.8 SUPERVISOR RESPONSIBILITIES
If possible, a supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

(a) Attempt to secure appropriate and sufficient resources.

(b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).

(c) Absent an imminent threat to the public, consider strategic disengagement. This may include removing or reducing department resources or engaging in passive monitoring.

(d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.

(e) Conduct an after-action tactical and operational debriefing and prepare an incident report to be forwarded to the supervisor.

(f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

505.9 INCIDENT REPORTING
Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

505.10 NONSWORN INTERACTION WITH PEOPLE IN CRISIS
Members, including but not limited to clerical staff, may interact with persons in crisis in an administrative capacity, such as during records requests or phone calls.

(a) Members should treat all individuals equally and with dignity and respect.

(b) If during an interaction, a member believes a person is in crisis, the member should proceed patiently and in a calm manner.

(c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person’s behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may self-harm or be harmful to others, an officer should be promptly summoned to provide assistance.
Crisis Intervention Incidents

505.11   EVALUATION
The supervisor designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers, or incidents and will be submitted to the Chief Probation Officer through the chain of command.

505.12   TRAINING
In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This department will endeavor to provide POST and/or STC-approved advanced officer training on interaction with persons with mental disabilities, welfare checks, and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).
Civil Commitments

506.1 PURPOSE AND SCOPE
This policy provides guidelines for when officers may take steps to place a probationer under mental health hold (5150 commitment) (Welfare and Institutions Code § 5150).

506.2 POLICY
It is the policy of the Butte County Probation Department to protect the public and probationers through legal and appropriate use of the mental health hold process.

506.3 AUTHORITY
An officer having probable cause may take a probationer under the officer's supervision into custody and place the probationer in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental health disorder, the probationer is a danger to self or others or the probationer is gravely disabled (Welfare and Institutions Code § 5150).

When determining whether to take a probationer into custody, officers are not limited to determining the probationer is an imminent danger and shall consider reasonably available information about the historical course of the probationer's mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

(a) An individual who is providing or has provided mental health treatment or related support services to the probationer
(b) A family member
(c) The probationer subject to the determination or anyone designated by the probationer

506.3.1 AUTHORITY FOR MINORS
An officer having probable cause may take a probationer under the officer's supervision into custody and place the probationer in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental disorder, the probationer is a danger to self or others or the probationer is a gravely disabled minor and authorization for voluntary treatment is not available (Welfare and Institutions Code § 5585.50).

Gravely disabled minor means a minor who, as a result of a mental disorder, is unable to use the elements of life that are essential to health, safety, and development, including food, clothing, and shelter, even though provided to the minor by others. Intellectual disability, epilepsy, or other developmental disabilities, alcoholism, other drug abuse, or repeated antisocial behavior do not, by themselves, constitute a mental disorder (Welfare and Institutions Code § 5585.25).
506.3.2 VOLUNTARY EVALUATION
If an officer encounters a probationer who may qualify for a mental health hold or an involuntary commitment, the officer may inquire as to whether the probationer desires to be voluntarily evaluated at an appropriate facility. If the probationer so desires, the officer should:

(a) Transport the probationer to an appropriate facility that is able to conduct the evaluation and admit the person.

(b) Document the circumstances surrounding the probationer’s desire to pursue voluntary evaluation and/or admission.

If at any point the person withdraws an affirmative decision for a voluntary evaluation, the officer should proceed with the application for emergency mental health evaluation, if appropriate.

506.4 CONSIDERATIONS AND RESPONSIBILITIES
Any officer who comes into contact with a probationer who may qualify for detention for the purpose of a mental health hold or an involuntary commitment should consider, as time and circumstances reasonably permit:

(a) Contacting local law enforcement for assistance, if appropriate.

(b) Available information that might assist in determining the possible cause and nature of the person’s actions or stated intentions.

(c) Community or neighborhood mediation services.

(d) Conflict resolution and de-escalation techniques.

(e) Community or other resources that may be readily available to assist with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others. See also the Risk and Needs Assessment, Supervision, Modification of Conditions of Supervision, and Violations policies.

Mental health holds should be preferred over arrest for people who have mental health issues and are suspected of committing minor crimes or creating other public safety issues.

506.4.1 SECURING OF PROPERTY
When a probationer is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian, or conservator is in possession of the probationer’s personal property, the officer shall take reasonable precautions to safeguard the personal property in the probationer’s possession or on the premises occupied by the probationer (Welfare and Institutions Code § 5150).

The officer taking the probationer into custody shall provide a report to the court that describes the probationer’s property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the officer
shall only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

506.5 TRANSPORTATION
When transporting any probationer for a mental health hold, the transporting officer should notify a supervisor and the receiving facility of the estimated time of arrival, the level of cooperation of the probationer, and whether any special medical care is needed. If appropriate, DACOM should be utilized.

Officers may transport individuals in a department vehicle and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the probationer require transport in a medical transport vehicle and the safety of any person, including the probationer, requires the presence of an officer during the transport, supervisor approval is required before transport commences.

506.6 TRANSFER TO APPROPRIATE FACILITY
Upon arrival at the facility, the officer will escort the probationer into a treatment area designated by a facility staff member. If the probationer is not seeking treatment voluntarily, the officer should provide the staff member with the written application for a mental health hold and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the probationer is transported and delivered while restrained, the officer may assist with transferring the probationer to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

506.7 DOCUMENTATION
The officer shall complete an Application for 72-Hour Detention for Evaluation and Treatment form, provide it to the facility staff member assigned to the probationer, and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for the officer involvement; the probable cause to believe the probationer is, as a result of a mental health disorder, a danger to others or self or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.2).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

506.7.1 ADVISEMENT
The officer taking a probationer into custody for evaluation shall advise the probationer of (Welfare and Institutions Code § 5150):

(a) The Officer’s name and agency.
Civil Commitments

(b) The fact that the probationer is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise the probationer of the probationer’s rights.

(c) The name of the facility to which the probationer is being taken.

(d) If the probationer is being taken into custody at the probationer’s residence, the probationer should also be advised to take a few personal items, which the officer must approve, and may make a telephone call or leave a note indicating where the probationer is being taken. The officer should also ask if the probationer needs assistance turning off any appliances or water.

The advisement shall be given in a language the probationer understands. If the probationer cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

506.8 CRIMINAL OFFENSES

Officers investigating a probationer who is suspected of committing a minor violation and who is being taken into custody through a mental health hold, should resolve the violation by completing a report and forwarding the information, as appropriate.

When an officer discovers, during a home visit or otherwise, that a probationer has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility (e.g., domestic violence, child abuse, homicide), the officer should:

(a) Immediately contact the appropriate local law enforcement agency and inform them of the offense and reasons why a mental health hold may be appropriate.

(b) Inform responding local law enforcement personnel of the facts supporting an arrest and the facts that would support a detention.

(c) Notify the supervisor as soon as practicable.

(d) Thoroughly document in the related reports the circumstances that indicate the probationer may qualify for a mental health hold.

506.9 FIREARMS AND OTHER WEAPONS

Whenever a probationer is taken into custody for a mental health hold or an involuntary commitment, the handling officers should seek to determine if the probationer owns or has access to any firearm or other deadly weapon as defined in Welfare and Institutions Code § 8100. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search unless lawful warrantless entry has already been made (e.g., entry is authorized under the terms and conditions of the person’s probation; the person consents). A warrant may also be needed before searching for or seizing weapons.
Civil Commitments

The handling officer shall issue a receipt describing the deadly weapon or any firearm seized and list any serial number or other identification that is on the firearm.

The officer should further advise the probationer of the procedure for the return, sale, transfer, or destruction of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102).

506.9.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS
Whenever the handling officer has cause to believe that the future return of any confiscated weapon might endanger the probationer or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Chief Probation Officer or authorized designee who shall be responsible for initiating a petition to the superior court for a hearing in accordance with Welfare and Institutions Code § 8102(c) to determine whether the weapon will be returned.

The petition to the superior court shall be initiated within 30 days of the release of the probationer from whom such weapon has been confiscated, unless the Department makes an application to the superior court to extend the time to file such a petition, up to a maximum of 60 days (Welfare and Institutions Code § 8102).

At the time any such petition is initiated, the Department shall send written notice to the probationer about the right to a hearing on the issue, that he/she has 30 days to confirm with the court clerk any desire for a hearing, and that the failure to do so will result in the forfeiture of any confiscated weapon (Welfare and Institutions Code § 8102).

506.10 TRAINING
This department will endeavor to provide department-approved training on interaction with individuals who may be experiencing mental illness, mental impairment, or mental disability, mental health holds, and crisis intervention.
Rapid Response and Deployment

507.1 PURPOSE AND SCOPE
Violence that is committed in schools, workplaces, and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement and probation. The purpose of this policy is to identify guidelines and factors that will assist officers in situations that call for rapid response and deployment.

507.2 POLICY
The Butte County Probation Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those who are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

507.3 CONSIDERATIONS
When dealing with a crisis situation, members should:

(a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
(b) Obtain, explore, and analyze sources of intelligence and known information regarding the circumstances, location, and suspect involved in the incident.
(c) Attempt to attain a tactical advantage over the suspect by reducing, preventing, or eliminating any known or perceived threat.
(d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

507.4 FIRST RESPONSE
If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent, or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat, or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to incidents at other locations.

When deciding on a course of action, officers should consider:
(a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advancement or engagement should be based on information known or received at the time.

(b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.

(c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.

(d) Whether the suspect can be contained or denied access to victims.

(e) Whether the officers have the ability to effectively communicate with other personnel or resources.

(f) Whether planned tactics can be effectively deployed.

(g) The availability of defensive weapons, control devices, and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In the case of a barricaded or trapped suspect, with no hostages and no immediate threat to others, officers should consider covering escape routes and evacuating persons as appropriate while summoning and waiting for additional assistance (e.g., special tactics and/or hostage negotiation team response).

507.5 PLANNING
The Chief Probation Officer or authorized designee should coordinate critical incident planning. Planning efforts should consider:

(a) Identification of likely critical incident target sites at the Butte County Probation Department, such as buildings, including detention facilities, and parking areas.

(b) Availability of building plans and venue schematics of likely critical incident target sites.

(c) Communications interoperability with other law enforcement and emergency service agencies.

(d) Training opportunities in critical incident target sites, including joint training with site occupants.

(e) Evacuation routes in critical incident target sites.

(f) Field supervision first-response training.

(g) Response coordination and resources of emergency medical and fire services.

(h) Equipment needs.

507.6 TRAINING
The Training Coordinator should include rapid response to critical incidents in the training plan. This training should address:

(a) Orientation to likely critical incident target sites at the Butte County Probation Department, such as buildings, including detention facilities, and parking areas.
(b) Communications interoperability with other law enforcement and emergency service agencies.

(c) Field supervision first-response training, including rifle and shotgun familiarization, and control device training.

(d) First aid, including gunshot trauma.

(e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).
Immigration Violations

508.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines to members of the Butte County Probation Department relating to immigration and interacting with federal immigration officials.

508.1.1 DEFINITIONS
The following definition applies to this policy (Government Code § 7284.4):

Immigration enforcement – Any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal civil immigration law, including any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal criminal immigration law that penalizes a person's presence in, entry or reentry to, or employment in the United States.

508.2 POLICY
It is the policy of the Butte County Probation Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

508.3 VICTIMS AND WITNESSES
To encourage cooperation, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of the Butte County Probation Department will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and without regard to race, ethnicity, or national origin in any way that would violate the United States or California constitutions.

508.4 IMMIGRATION STATUS AND DETENTIONS
Immigration status may be reported to the court as required. Any reasonably discovered change in the immigration status of any probationer or any discrepancy in the record about the person's immigration status should be documented and reported to the court.

No individual should be detained solely for the purpose of waiting for information from immigration officials (Government Code § 7284.6).

508.4.1 IMMIGRATION INQUIRIES PROHIBITED
Officers shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).
508.4.2 CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS)
Members shall not use information transmitted through CLETS for immigration enforcement purposes except for criminal history information and only when consistent with the California Values Act (Government Code § 15160).

Additionally, members shall not use the system to investigate immigration violations of 8 USC § 1325 (improper entry) if that violation is the only criminal history in an individual’s record (Government Code § 15160).

508.5 FEDERAL REQUEST FOR ASSISTANCE
Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The supervisor is responsible for determining whether the requested assistance would be permitted under the California Values Act (Government Code § 7284.2 et seq.).

508.6 INFORMATION SHARING
No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373):

(a) Sending information to or requesting or receiving such information from federal immigration officials
(b) Maintaining such information in department records
(c) Exchanging such information with any other federal, state, or local government entity

Nothing in this policy restricts sharing information that is permissible under the California Values Act.

508.7 U VISA AND T VISA NONIMMIGRANT STATUS
Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the appropriate prosecutor or the appropriate law enforcement agency.

508.8 TRAINING
The Training Coordinator should ensure officers receive immigration training on this policy. Training should include prohibitions contained in the California Values Act (Government Code § 7284 et seq.).
Field Training

509.1 PURPOSE AND SCOPE
This policy provides guidelines for field training that ensure standardized training and evaluation; facilitate the transition from the training setting to the actual performance of general duties; and introduce the policies, procedures, and operations of the Butte County Probation Department. The policy addresses the administration of field training and the selection, supervision, training, and responsibilities of the Field Training Officer (FTO).

509.2 POLICY
It is the policy of the Butte County Probation Department that all newly hired officers will participate in field training that is staffed and supervised by trained and qualified FTOs.

509.3 FIELD TRAINING
The Department should establish minimum standards for field training, which should be of sufficient duration to prepare officer trainees for probation duties. The field training is designed to prepare trainees for a probation supervision assignment and ensure they acquire the skills needed to operate in a safe, productive, and professional manner, in accordance with the general duties of this department.

To the extent practicable, field training should include procedures for:

(a) Issuing training materials to each trainee at the beginning of his/her field training.
(b) Daily, weekly, and monthly evaluation and documentation of the trainee’s performance.
(c) A multiphase structure that includes:
   1. A formal evaluation progress report completed by the FTOs involved with the trainee and submitted to the Training Coordinator and FTO Supervisor.
   2. Assignment of the trainee to a variety of shifts and supervision tasks.
   3. Assignment of the trainee to a rotation of FTOs to provide for an objective evaluation of the trainee’s performance.
(d) The trainee’s confidential evaluation of the assigned FTOs and the field training process.
(e) Retention of all field training documentation in the officer trainee’s training file, including:
   1. All performance evaluations.
   2. A certificate of completion certifying that the trainee has successfully completed the required number of field training hours.

509.4 FTO SUPERVISOR
The Chief Probation Officer shall delegate certain responsibilities to the FTO Supervisor.
The FTO Supervisor may appoint a senior FTO or other designee to assist in the coordination of FTOs and their activities.

The responsibilities of the FTO Supervisor include but are not limited to:

(a) Assigning trainees to FTOs.
(b) Conducting FTO meetings.
(c) Maintaining and ensuring FTO and trainee performance evaluations are completed.
(d) Maintaining, updating, and issuing department training materials to each FTO and trainee.
(e) Monitoring the overall performance of field training.
(f) Keeping the Chief Probation Officer informed through monthly evaluation reports about the trainees' progress.
(g) Performing other activities as may be directed by the Chief Probation Officer.

509.5  FTO SELECTION, TRAINING, AND RESPONSIBILITIES

509.5.1  SELECTION PROCESS
The selection of an FTO will be at the discretion of the Chief Probation Officer or the authorized designee. Selection should be based on the officer’s:

(a) Desire to be an FTO.
(b) Experience, which should include a minimum of four years of field supervision, two of which shall be with this department.
(c) Demonstrated ability as a positive role model.
(d) Successful completion of an internal oral interview process.
(e) Evaluation by supervisors and current FTOs.
(f) Possession of, or ability to obtain, approved certification.

An FTO must remain in good standing and may be relieved from FTO duties due to discipline, inappropriate conduct, poor performance, and/or at the discretion of the Chief Probation Officer.

509.5.2  TRAINING
An officer selected as an FTO shall successfully complete the department-approved training prior to being assigned as an FTO.

All FTOs should complete an update course approved by this department at least every three years while assigned to the position of FTO.

509.5.3  TRAINING MATERIALS
The FTO shall receive training materials outlining the requirements, expectations, and objectives of the FTO position. FTOs should refer to their training materials or the FTO Supervisor regarding specific questions related to FTO or field training.
Field Training

509.5.4 RESPONSIBILITIES
The responsibilities of the FTO include but are not limited to:

(a) Issuing trainee field training materials to the assigned trainee in accordance with the Training Policy.
   1. The FTO should ensure that the trainee has the opportunity to become knowledgeable of the subject matter and proficient with the skills as set forth in the training materials.
   2. The FTO shall sign off on all completed topics contained in the training materials, noting the methods of learning and evaluating the performance of the assigned trainee.

(b) Completing and reviewing daily performance evaluations with the trainee.

(c) Completing and submitting a written evaluation on the performance of the assigned trainee to the FTO Supervisor on a daily basis.

(d) Completing a detailed weekly performance evaluation of the assigned trainee at the end of each week.

(e) Completing a monthly evaluation report of the assigned trainee at the end of each month.

(f) Providing the trainee's supervisor with a verbal synopsis of the trainee’s activities at the end of each day or during any unusual occurrence needing guidance or clarification.
Public Recording of Probation Officer Activity

510.1 PURPOSE AND SCOPE
This policy provides guidelines for handling situations in which members of the public photograph or audio/video record probation officer actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

510.2 POLICY
The Butte County Probation Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully by local law enforcement having jurisdiction.

Officers should exercise restraint and should not resort to seeking highly discretionary arrests for offenses such as interference, failure to comply, or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

510.3 RECORDING PROBATION OFFICER ACTIVITY
Members of the public who wish to record probation officer activities are limited only in certain aspects.

(a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.

(b) Beyond the act of photographing or recording, individuals may not interfere with probation officer activity. Examples of interference include but are not limited to:
1. Tampering with a witness or suspect.
2. Inciting others to violate the law.
3. Being so close to the activity as to present a clear safety hazard to the officers.
4. Being so close to the activity as to interfere with an officer’s effective communication with a probationer or other individual.

(c) The individual may not present an undue safety risk to self, to the officer, or to others.

510.4 OFFICER RESPONSE
Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or
behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing individuals to clear the area, an officer could advise individuals they may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with probation officer activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

510.5 SUPERVISOR RESPONSIBILITIES
A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

(a) Request any additional assistance as needed to ensure a safe environment.

(b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practicable, the encounter should be recorded.

(c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.

(d) Ensure that any enforcement, seizure, or other actions are constitutional and consistent with this policy and state law.

(e) Explain alternatives for individuals who wish to express concern about the conduct of department members, such as how and where to file a complaint.

510.6 SEIZING RECORDINGS AS EVIDENCE
Officers should not seize recording devices or media unless (42 USC § 2000aa):

(a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.

1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.

(b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.

(c) The person consents.

1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.

2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the
Public Recording of Probation Officer Activity

evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property Policy.
511.1 PURPOSE AND SCOPE
This policy recognizes that members may encounter persons in need of medical aid and establishes an appropriate response to such situations.

511.2 POLICY
It is the policy of the Butte County Probation Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

511.3 FIRST RESPONDING MEMBER RESPONSIBILITIES
Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should request response by emergency medical services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide information for relay to EMS personnel in order to enable an appropriate response, including:

(a) The location where EMS is needed.
(b) The nature of the incident.
(c) Any known scene hazards.
(d) Information on the person in need of EMS, such as:
   1. Signs and symptoms as observed by the member.
   2. Changes in apparent condition.
   3. Number of patients, sex, and age, if known.
   4. Whether the person is conscious, breathing and alert, or is believed to have consumed drugs or alcohol.
   5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.
511.4 TRANSPORTING ILL AND INJURED PERSONS
Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries, or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes, or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

511.5 PERSONS REFUSING EMS CARE
If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive medical care or be transported.

However, members may assist EMS personnel when EMS personnel determine the person lacks the mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, the officer should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

511.5.1 SICK OR INJURED ARRESTEE
If an arrestee appears ill or injured, or claims illness or injury, the arrestee should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.
Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor’s approval.

511.6 MEDICAL ATTENTION RELATED TO USE OF FORCE
Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices, and Conducted Energy Device policies.

511.7 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE
A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

511.7.1 AED USER RESPONSIBILITY
Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Coordinator who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should, as soon as possible, request response by EMS.

511.7.2 AED REPORTING
Any member using an AED will complete an incident report detailing its use.

511.7.3 AED TRAINING AND MAINTENANCE
The Training Coordinator should ensure appropriate training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency or EMS authority upon request (22 CCR 100021; 22 CCR 100022; 22 CCR 100029).

The Training Coordinator is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100021).

511.8 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION
Members may administer opioid overdose medication in accordance with protocol specified by the licensed health care provider who prescribed the overdose medication for use by the member and (Civil Code § 1714.22; 22 CCR 100019):

(a) When trained and tested to demonstrate competence following initial instruction.

(b) When authorized by the medical director of the Local Emergency Management Service Agency.
Medical Aid and Response

511.8.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES
Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Coordinator.

Any member who administers an opioid overdose medication should request response by EMS as soon as possible.

511.8.2 OPIOID OVERDOSE MEDICATION REPORTING
Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Coordinator will ensure that the Administrative Coordinator is provided enough information to meet applicable state reporting requirements.

511.8.3 OPIOID OVERDOSE MEDICATION TRAINING
The Training Coordinator should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication.

Training should be coordinated with the local health department and comply with applicable standards.

511.9 ADMINISTRATION OF EPINEPHRINE AUTO-INJECTORS
The Chief Probation Officer may authorize the acquisition of epinephrine auto-injectors for use by members as provided by Health and Safety Code § 1797.197a. The Training Coordinator shall create and maintain an operations plan for the storage, maintenance, use, and disposal of epinephrine auto-injectors as required by Health and Safety Code § 1797.197a(f).

Trained members who possess valid certification may administer an epinephrine auto-injector for suspected anaphylaxis (Health and Safety Code § 1797.197a(b); 22 CCR 100019).

511.9.1 EPINEPHRINE USER RESPONSIBILITIES
Members should handle, store, and administer epinephrine auto-injectors consistent with their training and the department operations plan. Members should check the auto-injectors at the beginning of their shift to ensure the medication is not expired. Any expired medication should be removed from service in accordance with the Department Operations Plan.

Any member who administers an epinephrine auto-injector medication should request response by EMS as soon as possible (Health and Safety Code § 1797.197a(b)).

511.9.2 EPINEPHRINE AUTO-INJECTOR REPORTING

Task Force

512.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members when participating in task force (TF) operations.

512.2 POLICY
It is the policy of the Butte County Probation Department to improve public safety and reduce violent crime through proactive collaboration with law enforcement task forces.

512.3 AGENCY INVOLVEMENT
Participation in TF operations provides access to multi-jurisdictional resources for apprehending probationers who have absconded from supervision or who have otherwise violated the law and/or supervision conditions.

Department participation in TF operations is subject to the approval of the Chief Probation Officer or the authorized designee.

512.3.1 REQUESTS FOR AGENCY INVOLVEMENT
Initial requests for participation in a TF or TF operation should be routed to the Chief Probation Officer for approval. In some instances, a memorandum of understanding (MOU) or other established protocol may exist that eliminates the need for approval of individual requests.

512.3.2 OFFICER OPERATIONAL ACTIVITY
Officers involved in TF operations should confirm the existence of, time period of coverage, and prior Chief Probation Officer approval for any MOU or established protocol prior to engaging in TF operational activity.

When engaged in TF operational activity or when rendering assistance pursuant to a TF agreement, officers must conform to applicable laws and the policies of this department unless previously approved by the Chief Probation Officer.

Requests for emergency assistance unrelated to TF operations and enforcement action taken outside the jurisdiction of the department unrelated to TF operations are governed by the Outside Agency Assistance and Probation Authority policies.

512.4 TEMPORARY DETENTION AND TRANSPORT
TF operation arrestees should only be temporarily detained and/or transported by this department pursuant to the Transporting Persons in Custody Policy unless previously approved by the Chief Probation Officer.

512.5 REPORTING REQUIREMENTS
Original reports of investigations, evidence seized, and other materials generated or collected by the TF operation should be retained by the agency responsible for the case. However, evidence
may be turned over to other law enforcement agencies as appropriate pursuant to the Property Policy. Copies of investigative reports and other materials may be provided to other agencies in accordance with applicable laws, TF rules, and Records Maintenance and Release Policy.

512.6  MANDATORY SHARING AND TRAINING
When equipment and/or supplies maintained by the department have been purchased with federal funds or grants and are subject to agency sharing requirements, the Chief Probation Officer or authorized designee should regularly document:

(a) The conditions relative to sharing.

(b) The training requirements for:
   1. The use of the equipment and supplies.
   2. The members trained in the use of the equipment and supplies.

(c) Any other requirements in the use of the equipment and supplies.

Copies of this documentation should be maintained by the Chief Probation Officer or authorized designee.

The Training Coordinator should maintain documentation that the appropriate members have received the required training.

512.7  NEWS MEDIA
Media inquiries should be referred to the Task Force Commander of the agency responsible for coordinating the activities of the TF.
Transporting Persons in Custody

513.1 PURPOSE AND SCOPE
This policy provides guidelines for transporting persons who are in the custody of the Butte County Probation Department.

Additional guidance can be found in the Medical Aid and Response Policy.

513.2 POLICY
It is the policy of the Butte County Probation Department to make reasonable efforts to protect the safety of persons in custody while they are being transported.

513.3 CHIEF PROBATION OFFICER RESPONSIBILITIES
The Chief Probation Officer or authorized designee is responsible for reviewing the safety and restraint systems for all vehicles used to transport persons in custody. The review shall ensure the restraint systems comply with the law and shall determine whether they reasonably meet the needs of the Department. Safety systems should allow for transporting members to be in constant and reasonably clear audio contact with each person being transported.

The Chief Probation Officer or authorized designee should establish related procedures for safely transporting persons in custody who have their legs restrained in some manner other than leg shackles.

513.4 TRANSPORTING MEMBER RESPONSIBILITIES
Members transporting a person in custody in a department vehicle should ensure:

(a) All areas of the vehicle accessible to a person in custody are searched before and after each transport.

(b) All persons in custody are searched prior to a transport.

(c) All persons are properly restrained in the vehicle’s safety restraint system in a seated position.

(d) Any person behaving in a manner so violent or uncooperative that the person cannot or will not sit upright is considered as possibly being in need of medical aid, see the Medical Aid and Response Policy.

(e) A verbal welfare check is made with a person in custody every 10 minutes or less.

(f) Transport is accomplished in a direct and timely manner.

(g) The same consideration is shown to a person in custody as would be reasonably shown to any other passenger during transport (e.g., avoiding loud or objectionable music, rough rides, excessive heat or cold).

(h) Persons suspected of having a communicable disease are transported in compliance with the exposure control plan.
Transporting Persons in Custody

(i) Persons in custody are transported individually when practical, or within their own compartment of a multiple-compartment vehicle, unless supervisor approval is received based on unusual circumstances.

(j) Persons in custody should not be transported in vehicles without safety barriers, unless supervisor approval is received based on unusual circumstances.

(k) DACOM is advised of:
   1. The time when a transport begins and the vehicle’s mileage.
   2. The time, vehicle’s mileage, and reason for any stops.
   3. The time of arrival at the destination and the vehicle’s mileage.

(l) Reasonable efforts are made to prevent inappropriate conversations between persons being transported (e.g., demeaning or insulting language) or conversations between a person being transported and someone outside the vehicle.

(m) Sufficient visual observation and communication is maintained to determine whether a person is experiencing any stress or trauma during the transport of:
   1. Persons who were placed in any restraints beyond just handcuffs due to their violent or uncooperative behavior (see the Handcuffing and Restraints Policy).
   2. Persons wearing a spit hood.
   3. Persons who are a suspected suicide risk.
   4. Persons who are ill or injured.

513.5 PROHIBITIONS

(a) Transport juveniles with adults.

(b) Transport females with males. When possible, transgender or intersex persons should be transported with persons of the gender they identify with if circumstances do not allow for single transport.

(c) Transport persons with known hostilities toward each other together, such as mutual combatants or rival gang members.

(d) Leave the vehicle unattended with a person in custody inside.

(e) Leave a vehicle with its keys or an unsecured weapon inside with a person in custody in the vehicle.

(f) Handcuff a person to any part of a vehicle.

(g) Place a person in custody in an unreasonable risk of harm (e.g., engaging in a pursuit, responding to a high-risk incident).

(h) Allow any person who is not in custody (i.e., friends, family) to have contact with or be in close proximity to the person in custody.

(i) Allow any food, drink, or other consumables to be given to the person in custody by anyone other than department personnel or receiving agency personnel.
513.6 SPECIFIC TRANSPORTATION ISSUES

513.6.1 TRANSPORTING PERSONS WITH DISABILITIES
When transporting a person with a disability, a transporting member should request assistance as necessary to transport the person in a reasonable and safe manner. The transporting member should ensure that any special equipment (e.g., canes, wheelchairs, prosthetics) is transported in such a manner that it not be damaged or pose a security threat.

513.6.2 TRANSPORTING ILL OR INJURED PERSONS
See the Medical Aid and Response Policy.

513.6.3 DELIVERING A PERSON IN CUSTODY TO A FACILITY
Members delivering persons to other facilities (e.g., hospital, other agency, court, jail) should:

(b) Remove restraints in coordination with facility personnel.
(c) Deliver the appropriate documentation concerning the person to facility personnel.
(d) Notify the receiving facility of any known medical or safety issues, including whether restraints beyond handcuffs were applied due to the person’s violent or uncooperative behavior.

513.6.4 LONG-DISTANCE TRANSPORTS
Absent exigent circumstances, members should only stop during long-distance transports for:

- Fuel
- Meals
- Restroom breaks

Where practicable, time-stamped receipts for purchases should be retained and all stops should be logged in a manner that includes the following:

- The time when a transport begins and the vehicle’s mileage
- The time, vehicle’s mileage, and reason for any stops
- The time of arrival at the destination and the vehicle’s mileage

513.7 TRAINING
The Training Coordinator should ensure that members receive training on proper procedures for transporting persons in custody.
Chapter 6 - Equipment
Department-Owned and Personal Property

600.1 PURPOSE AND SCOPE
This policy addresses the care of department-owned property and the role of the Department when personal property, the property of another person or entity, or department-owned property is damaged or lost.

600.2 POLICY
The Butte County Probation Department will ensure that members are issued appropriate property and equipment necessary for the member’s job function. The Department will take steps to minimize the cost associated with maintaining department property, including personal property authorized for use in the member’s duties.

600.3 DEPARTMENT/AGENCY-ISSUED PROPERTY
The Chief Probation Officer or the designee should document all property and equipment issued by the Department in the appropriate file at the time of issuance. Receipt of issued items shall be acknowledged by the receiving member’s signature. Upon separation from the Department, all issued property and equipment shall be returned. Documentation of the return shall be acknowledged by the signature of a supervisor.

600.3.1 MEMBER RESPONSIBILITIES
Members shall be responsible for the safekeeping, serviceable condition, proper care, proper use, and replacement of department property that has been assigned or entrusted to them.

(a) Members shall promptly report, through their chain of command, any loss, damage to, or unserviceable condition of any department-issued property or equipment.

(b) The use of damaged or unserviceable property should be discontinued as soon as practicable, and the item replaced with a comparable item as soon as available.

(c) Except when otherwise directed by a supervisor or when exigent circumstances exist, department-issued property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.

(d) Department-issued property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without prior approval.

(e) Members should obtain a supervisor’s approval before any attempt to repair damaged or unserviceable property, unless the repair is of a minor or temporary nature.

600.4 PERSONAL PROPERTY
Carrying and/or using personal property or equipment on-duty requires prior written approval by the Chief Probation Officer or appropriate Assistant Chief Probation Officer. The member should submit a request that includes a description of the property and the reason and length of time it will be used. Personal property of the type routinely carried by persons who are not performing law enforcement duties, and that is not a weapon, is excluded from this requirement.
The Department will not replace or repair items (e.g., jewelry, expensive watches) that are not reasonably required as part of work.

600.4.1 FILING CLAIMS FOR PERSONAL PROPERTY
A member requesting reimbursement for damage to, or loss of, personal property must submit the request in writing to the member's immediate supervisor. The supervisor may require a separate written report.

Upon review by the Assistant Chief Probation Officer and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief Probation Officer, who will then forward the claim to the County department responsible for issuing payments.

600.5 SUPERVISOR RESPONSIBILITIES
The supervisor receiving a report that property, including personal property authorized for use, has been damaged should conduct an investigation and direct a memo to the appropriate Assistant Chief Probation Officer. The memo should include the result of the investigation and whether reasonable care was taken to prevent the loss, damage, or unserviceable condition.

Cases where the supervisor has reason to believe that misconduct or negligence was involved in the loss, damage, or unserviceable condition of property should be handled in accordance with the Standards of Conduct and Personnel Complaints policies.

600.6 DAMAGE TO PROPERTY OF ANOTHER PERSON OR ENTITY
A member who intentionally or unintentionally damages or causes to be damaged the real or personal property of another person or entity while performing any probation function shall promptly report the damage through the chain of command.

600.6.1 DAMAGE BY PERSONNEL OF ANOTHER AGENCY
Personnel from another agency may intentionally or unintentionally cause damage to the real or personal property of the Butte County Probation Department or of another person while performing their duties within the jurisdiction of this department. The department member present or the member responsible for the property is responsible to report the damage as follows:

(a) A verbal report shall be made to the member’s immediate supervisor as soon as circumstances permit.

(b) A written report shall be submitted before the member goes off-duty or as otherwise directed by the supervisor.
Personal Communication Devices

601.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless-capable tablets, and similar wireless two-way communications and/or portable internet-access devices. PCD use includes but is not limited to placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games, and accessing sites or services on the internet.

601.2 POLICY
The Butte County Probation Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under the California Public Records Act (CPRA) (Government Code § 6250 et seq.).

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

601.3 PRIVACY EXPECTATION
Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities (see the Information Technology Use Policy for additional guidance).

601.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT
No member is authorized to be the sole possessor of a department-issued PCD. Department-issued PCDs can be retrieved, reassigned, accessed, or used by any member as directed by a supervisor without notice. Member use of a department-issued PCD and use of a personal PCD at work or for work-related business constitutes specific consent for access for department purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel.
to ensure access is consistent with the California Electronic Communications Privacy Act (Penal Code § 1546; Penal Code § 1546.1).

601.4 DEPARTMENT/AGENCY-ISSUED PCD
Depending on a member’s assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member’s use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief Probation Officer or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief Probation Officer or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

601.5 PERSONALLY OWNED PCD
Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

(a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.

(b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.

(c) The PCD and any associated services shall be purchased, used, and maintained solely at the member’s expense.

(d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of department communications). Members will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy regarding any department business-related communication.

1. Members may use personally owned PCDs on-duty for routine administrative work as authorized by the Chief Probation Officer.

(e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Department, without the express authorization of the Chief Probation Officer or the authorized designee.

(f) Use of a personally owned PCD while at work or for work-related business constitutes consent for the Department to access the PCD to inspect and copy data to meet the needs of the Department, which may include litigation, CPRA retention and release obligations, and internal investigations. If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.
Personal Communication Devices

(g) All work-related documents, emails, photographs, recordings, or other public records created or received on a member’s personally owned PCD should be transferred to the Butte County Probation Department and deleted from the member’s PCD as soon as reasonably practicable but no later than the end of the member’s shift.

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the member has prior express authorization from a supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.

601.6 USE OF PCD
The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

(a) All PCDs in the workplace shall be set to silent or vibrate mode.
(b) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.
(c) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
(d) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recorded media unless it is directly related to official department business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief Probation Officer or the authorized designee, may result in discipline.
(e) Members will not access social networking sites for any purpose that is not official department business.
(f) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

601.7 SUPERVISOR RESPONSIBILITIES
The responsibilities of supervisors include but are not limited to:
Personal Communication Devices

(a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.

(b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.

1. An investigation into improper conduct should be promptly initiated when circumstances warrant.

2. Before conducting any administrative search of a member’s personally owned device, supervisors should consult with the Chief Probation Officer or the authorized designee.

601.8 OFFICIAL USE
Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while using PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

601.9 USE WHILE DRIVING
The use of a PCD while driving can adversely affect safety, cause unnecessary distractions, and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, members who are operating department vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. Hands-free use should be restricted to business-related calls or calls of an urgent nature (Vehicle Code § 23123; Vehicle Code § 23123.5).
Vehicle Use, Safety, and Maintenance

602.1 PURPOSE AND SCOPE
The Department utilizes motor vehicles for a variety of applications. To maintain a system of accountability and ensure that department-owned vehicles are used and maintained appropriately, regulations relating to the use and maintenance of these vehicles have been established. The term “department-owned” as used in this section also refers to any vehicle leased or rented by the Department.

602.2 POLICY
The Butte County Probation Department provides vehicles for official business use. The department will provide service for department vehicles to ensure they remain operational and maintain their appearance, as resources allow.

602.3 USE OF DEPARTMENT/AGENCY VEHICLES
Only authorized members should operate department vehicles. Members who operate department-owned vehicles must comply with all applicable state laws and must possess a valid driver’s license endorsed for the type of vehicle operated.

Additionally, members are responsible for helping maintain department vehicles so they are properly equipped, maintained, refueled, and cleaned.

602.3.1 USE OF SAFETY BELTS
Members shall wear provided safety restraints as stated in the Safety Belts Policy.

602.3.2 KEYS
Members approved to operate department-owned vehicles shall have keys made available for check-out. Members who are assigned to the Butte Interagency Narcotics Task Force (BINTF) should be issued keys for the designated BINTF vehicle.

Members shall not duplicate keys. The loss of a key shall be promptly reported in writing through the member’s chain of command.

Under no circumstances will probationers be allowed to operate a vehicle or have possession of any vehicle keys.

602.3.3 AUTHORIZED PASSENGERS
Members operating department vehicles shall not permit persons other than County personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Alongs Policy.
602.3.4 ALCOHOL
Members who have consumed alcohol are prohibited from operating any department vehicle. Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

602.3.4 PARKING
Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

602.3.5 ACCESSORIES AND/OR MODIFICATIONS
There shall be no modifications, additions, or removal of any equipment or accessories without written permission from the Chief Probation Officer or authorized designee.

602.4 VEHICLE SECURITY
Department vehicles will be locked and the keys will be secured when not in use. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

602.4.1 REMOVAL OF WEAPONS
All firearms, weapons, and control devices shall be removed from a vehicle and properly secured prior to the vehicle being released for maintenance, service, or repair.

602.5 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES
Department vehicles may be assigned to members assigned to BINTF at the discretion of the Chief Probation Officer. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform the member's regular assignment.

602.5.1 ON-DUTY USE
Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Chief Probation Officer or the authorized designee.
602.5.2 UNSCHEDULED TAKE-HOME USE

Circumstances may arise where department vehicles must be used by members to commute to and from a work assignment. Members may take home department vehicles only with prior approval of a supervisor and shall meet the following criteria:

(a) The circumstances are unplanned and were created by the needs of the Department.
(b) Other reasonable transportation options are not available.
(c) The member lives within a reasonable distance (generally not to exceed a 60-minute drive time) of the County limits.
(d) Off-street parking will be available at the member’s residence.
(e) The vehicle will be locked when not attended.
(f) All firearms, weapons, and control devices will be removed from the interior of the vehicle and properly secured in the residence when the vehicle is not attended, unless the vehicle is parked in a locked garage.

602.5.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the member’s assignment to BINTF. Residence in County is a prime consideration for assignment of a BINTF take-home vehicle. Members who reside outside the County may be required to secure the vehicle at a designated location or at the Department at the discretion of the Chief Probation Officer.

Department members shall sign a take-home vehicle agreement that outlines certain standards, including but not limited to how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities, and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a County vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member’s tax adviser.

Criteria for use of take-home vehicles include the following:

(a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or personal transportation, unless special circumstances exist and the Chief Probation Officer or authorized designee gives authorization.
(b) Vehicles may be used to transport the member to and from the member’s residence for work-related purposes.
(c) Vehicles will not be used when off-duty except:
   1. In circumstances when a member has been placed on call by the Chief Probation Officer or the authorized designee and there is a high probability that member will be called back to duty.
   2. When the member is performing a work-related function during what normally would be an off-duty period, including vehicle maintenance or traveling to or from a work-related activity or function.
3. When the member has received permission from the Chief Probation Officer or the authorized designee.

4. When the vehicle is being used by the Chief Probation Officer or the authorized designee or members who are in on-call administrative positions.

(d) While operating the vehicle, authorized members will carry and have accessible their duty firearms and be prepared to perform any function they would be expected to perform while on-duty.

(e) The two-way communications radio and global positioning satellite device, if equipped, must be on and set to an audible volume when the vehicle is in operation.

(f) Unattended vehicles are to be locked and secured at all times.

1. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., equipment charging).

2. All weapons shall be secured while the vehicle is unattended.

3. All department identification, portable radios, and equipment should be secured.

(g) Vehicles are to be parked off-street at the member’s residence unless prior arrangements have been made with the Chief Probation Officer or the authorized designee. If the vehicle is not secured inside a locked garage, all firearms and control devices shall be removed and properly secured in the residence (see the Firearms Policy regarding safe storage of firearms at home).

(h) Vehicles are to be secured at the member’s residence or the appropriate department facility, at the discretion of the Department, when a member will be away (e.g., on vacation) for periods exceeding one week.

1. If the vehicle remains at the residence of the member, the Department shall have access to the vehicle.

2. If the member is unable to provide access to the vehicle, it shall be parked at the Department.

(i) The member is responsible for the care and maintenance of the vehicle.

602.5.4 USE OF PERSONAL VEHICLES
The use of personal vehicles for official business must be approved by the Chief Probation Officer or the authorized designee.

The Chief Probation Officer or the authorized designee shall verify that the personal vehicle meets the state’s insurance requirements. A copy of the insurance card shall be retained in the vehicle and in a department file. All policies and procedures applicable to department vehicles shall apply to the personal vehicle while it is being used for official business.

602.6 MAINTENANCE
Each unit’s supervisor is responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by
Vehicle Use, Safety, and Maintenance

the Department. Failure to adhere to these requirements may result in loss of vehicle assignment to that unit. The following should be performed as outlined below:

(a) Each unit’s supervisor shall make regular inspections of their assigned vehicles for service/maintenance requirements and damage.

(b) It is the supervisor’s responsibility to ensure the assigned vehicle is maintained according to the established service and maintenance schedule.

(c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the Chief Probation Officer or authorized designee.

(d) The Department shall be notified of problems with the vehicle and approve any major repairs before they are performed.

(e) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to their unit to ensure the vehicles are being maintained in accordance with this policy.

602.6.1 VEHICLE INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any vehicle checked out before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any probationer, the transporting member shall search all areas of the vehicle that are accessible by the probationer before and after that person is transported.

All department-owned vehicles are subject to inspection and/or search at any time by a supervisor. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or any of its contents, regardless of who owns the contents.

602.6.2 VEHICLE SAFETY REPAIRS

Anyone authorized to drive department vehicles is responsible for inspecting the interior and exterior of any assigned vehicle before placing the vehicle into service and again at the conclusion of the shift. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

Vehicles that are deemed as unsafe shall not be used until necessary repairs are made. The supervisor or the authorized designee shall monitor the maintenance requests and ensure that the necessary repairs are made before the vehicle is placed back into service.

All vehicles owned, leased, or used by this department shall be inspected annually by a qualified individual. Inspection reports will be forwarded to and maintained by the Fiscal Unit Supervisor.
602.7 TOLL ROAD USAGE
Probation vehicles are not routinely exempt from incurring toll road charges.
To avoid unnecessary toll road charges, all members operating department vehicles on a toll road shall adhere to the following:

(a) Members operating department vehicles for any reason other than in response to an emergency shall pay the appropriate toll charge or utilize the appropriate tollway transponder. Members may submit for reimbursement from the County for any toll fees incurred in the course of official business.

(b) Members passing through a toll plaza or booth during a response to an emergency shall notify, in writing, the appropriate supervisor within five working days explaining the circumstances.

602.8 ACCIDENT, DAMAGE, ABUSE, AND MISUSE
When any department-owned vehicle is involved in a traffic accident, the involved member shall promptly notify a supervisor. The appropriate local law enforcement agency shall be summoned to conduct an investigation. A traffic accident report shall be filed with the agency having jurisdiction. The member shall complete this department’s vehicle accident form.

If the member is incapable of completing the vehicle accident form, a supervisor shall complete the form.

An administrative investigation should be conducted to determine if the member acted within policy.

602.8 ATTIRE AND APPEARANCE
When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever a member is in public view or has contact with the public, the member’s attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.
Personal Protective Equipment

603.1 PURPOSE AND SCOPE
This policy identifies the different types of personal protective equipment (PPE) provided by the Department as well as the requirements and guidelines for the use of PPE.

This policy does not address ballistic vests or protection from communicable disease, as those issues are addressed in the Body Armor and Communicable Diseases policies.

603.1.1 DEFINITIONS
Definitions related to this policy include:

**Disposable particulate mask** - A class of disposable respirators approved by the Food and Drug Administration (FDA) and the National Institute for Occupational Safety and Health (NIOSH) as suitable for use where fluid or particulate resistance is a priority. Examples are N95 and N100 masks.

**Personal protective equipment (PPE)** - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical, or other workplace hazards.

**Respiratory PPE** - Any device that is worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or the presence of toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

603.2 POLICY
The Butte County Probation Department endeavors to protect members by supplying certain PPE to members as provided in this policy.

603.3 OFFICER/AGENT RESPONSIBILITIES
Members are required to use PPE as provided in this policy and pursuant to their training.

Members are responsible for proper maintenance and storage of issued PPE. PPE should be stored in an appropriate location so that it is available when needed.

Any member who identifies hazards in the workplace is encouraged to utilize the procedures in the Illness and Injury Prevention Policy to recommend new or improved PPE or additional needs for PPE.

603.4 HEARING PROTECTION
Approved hearing protection shall be used by members during firearms training.

Hearing protection shall meet or exceed the requirements provided in 8 CCR 5098.
603.5 EYE PROTECTION
Approved eye protection, including side protection, shall be used by members during firearms training or during situations in which eye protection may be warranted (e.g., cleaning areas where bloodborne pathogens were spilled, urine sample collections with probationers). Eye protection for members who wear prescription lenses shall incorporate the prescription (e.g., eye protection that can be worn over prescription lenses). Members shall ensure their eye protection does not interfere with the fit of their hearing protection.

The Rangemaster shall ensure eye protection meets or exceeds the requirements provided in 8 CCR 3382.

603.6 RESPIRATORY PROTECTION
The Chief Probation Officer or the authorized designee is responsible for ensuring a respiratory protection plan is developed and maintained by a trained and qualified member. The plan shall include procedures for (8 CCR 5144):

(a) Selecting appropriate respiratory PPE based on hazards and risks associated with functions or positions.
(b) Fit testing, including identification of members or contractors qualified to conduct fit testing.
(c) Medical evaluations.
(d) PPE inventory control.
(e) PPE issuance and replacement.
(f) Cleaning, disinfecting, storing, inspecting, repairing, discarding, and otherwise maintaining respiratory PPE, including schedules for these activities.
(g) Regularly reviewing the PPE plan.
(h) Remaining current with applicable National Institute for Occupational Safety and Health (NIOSH), American National Standards Institute (ANSI), Occupational Safety and Health Administration (OSHA), Environmental Protective Agency (EPA), and state PPE standards and guidelines.

603.6.1 RESPIRATORY PROTECTION USE
Disposable particulate masks should only be used to protect the member from particulate contaminants and are not suitable in an oxygen-deficient atmosphere or where an unsafe level of gases or fumes exists. See also the Communicable Diseases Policy.

Designated members may be issued respiratory PPE based on the member’s assignment (e.g., narcotics task force).

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.
Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (8 CCR 5144):

(a) The member's face and respirator facepiece need to be washed to prevent eye or skin irritation associated with respirator use.

(b) The member detects vapor or gas breakthrough, a change in breathing resistance, or leakage of the facepiece.

(c) The member needs to replace the respirator, filter, cartridge, or canister.

603.6.2 MEMBER RESPONSIBILITIES FOR RESPIRATORY PROTECTION

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators, or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke, or vapors shall use respiratory PPE.

Members using respiratory PPE shall (8 CCR 5144):

(a) Ensure that they have no facial hair between the sealing surface of the facepiece and the face that could interfere with the seal or the valve function. Members also shall ensure that they have no other condition that will interfere with the face-to-facepiece seal or the valve function.

(b) Not wear corrective glasses, goggles, or other PPE that interferes with the seal of the facepiece to the face, or that has not been previously tested for use with that respiratory equipment.

(c) Perform a user seal check per department-approved procedures recommended by the respirator manufacturer each time they put on a tight-fitting respirator.

(d) Leave a respiratory use area whenever they detect vapor or gas breakthrough, changes in breathing resistance, or leakage of their facepiece and ensure that the respirator is replaced or repaired before returning to the affected area.

603.6.3 SELF-CONTAINED BREATHING APPARATUS

Scene commanders may direct members to use SCBA when entering an atmosphere that may pose an immediate threat to life, would cause irreversible adverse health effects, or would impair an individual's ability to escape from a dangerous atmosphere. These situations may include but are not limited to:

(a) Entering the hot zone of a hazardous materials incident.

(b) Entering any area where contaminant levels may become unsafe without warning, or any situation where exposures cannot be identified or reasonably estimated.

(c) Entering a smoke- or chemical-filled area.
The use of SCBA should not cease until approved by a scene commander.

603.6.4 RESPIRATOR FIT TESTING
No member shall be issued respiratory PPE until proper fit testing has been completed by a designated member or contractor (8 CCR 5144).

After initial testing, fit testing for respiratory PPE shall be repeated (8 CCR 5144):

(a) At least once every 12 months.
(b) Whenever there are changes in the type of SCBA or facepiece used.
(c) Whenever there are significant physical changes in the user (e.g., obvious change in body weight, scarring of the face seal area, dental changes, cosmetic surgery, or any other condition that may affect the fit of the facepiece seal).

All respirator fit testing shall be conducted in negative-pressure mode.

603.6.5 RESPIRATORY MEDICAL EVALUATION QUESTIONNAIRE
No member shall be issued respiratory protection that forms a complete seal around the face until (8 CCR 5144):

(a) The member has completed a medical evaluation that includes a medical evaluation questionnaire.
(b) A physician or other licensed health care professional has reviewed the questionnaire.
(c) The member has completed any physical examination recommended by the reviewing physician or health care professional.

603.7 RECORDS
The Training Coordinator is responsible for maintaining records of all:

(a) PPE training.
(b) Initial fit testing for respiratory protection equipment.
(c) Annual fit testing.
(d) Respiratory medical evaluation questionnaires and any subsequent physical examination.

1. These records shall be maintained in a separate confidential medical file.

The records shall be maintained in accordance with the Department records retention schedule and 8 CCR 5144.

603.8 TRAINING
Members should be trained in the respiratory and other hazards to which they may be potentially exposed during routine and emergency situations.
All members shall be trained in the proper use and maintenance of PPE issued to them, including when the use is appropriate; how to put on, remove and adjust PPE; how to care for the PPE; and the limitations (8 CCR 3380).

Members issued respiratory PPE shall attend annual training on the proper use of respiratory protection devices (8 CCR 5144).
Body Armor

604.1 PURPOSE AND SCOPE
The purpose of this policy is to provide officers with guidelines for the proper use of body armor.

604.2 POLICY
It is the policy of the Butte County Probation Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

604.3 ISSUANCE
The Rangemaster shall ensure that body armor is issued to all officers and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

Body armor shall be issued when an officer begins service at the Butte County Probation Department and shall be replaced when the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

The Chief Probation Officer may authorize issuing body armor to uniformed, civilian/non-sworn members whose jobs may make wearing of body armor advisable.

604.3.1 USE
Generally, the required use of body armor is subject to the following:

(a) Members shall only wear department-approved body armor.
(b) Members shall wear body armor any time they are in a situation where they could reasonably be expected to take enforcement action, including but not limited to when they are participating in field supervision activities.
(c) Members shall wear body armor when working in uniform or taking part in department range training.
(d) Members are not required to wear body armor when they are functioning primarily in an administrative or support capacity and would not reasonably be expected to take enforcement action.
(e) Officers may be excused from wearing body armor when they are involved in undercover or plainclothes work that their supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1. In those instances when body armor is not worn, officers should have reasonable access to their body armor.

604.3.2 INSPECTION
Supervisors should ensure through routine observation and periodic documented inspections that body armor is worn and maintained in accordance with this policy.
Annual inspections of body armor should be conducted by a person trained to perform the inspection for fit, cleanliness, and signs of damage, abuse, and wear.

604.3.3 CARE AND MAINTENANCE
The required care and maintenance of body armor is subject to the following:

(a) Members are responsible for inspecting their body armor for signs of damage, wear, and cleanliness at the start of each shift.
   1. Unserviceable body armor shall be reported to the supervisor.

(b) Members are responsible for the proper storage of their body armor.
   1. Body armor should not be stored for an extended period of time in an area where environmental conditions (e.g., temperature, light, humidity) could potentially degrade its effectiveness.

(c) Members are responsible for the care and cleaning of their body armor pursuant to the manufacturer’s care instructions.
   1. Body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer.
   2. Failure to follow manufacturer’s care instructions may damage the ballistic performance capabilities of the body armor. If care instructions for the body armor cannot be located, the manufacturer should be contacted to request the instructions.

(d) Body armor should be replaced in accordance with the manufacturer’s recommended replacement schedule, or when its effectiveness or functionality has been compromised.

604.4 FIREARMS INSTRUCTOR RESPONSIBILITIES
The responsibilities of the Rangemaster include but are not limited to:

(a) Monitoring technological advances in the body armor industry for any appropriate changes to department-approved body armor.

(b) Assessing the level of weapons and ammunition currently utilized by the public and the suitability of approved body armor to protect against those threats.

(c) Educating officers about the safety benefits of wearing body armor.
Chapter 7 - Support Services
Property

700.1 PURPOSE AND SCOPE
This policy provides guidelines for the proper processing, storage, security, and disposition of evidence, and other property.

700.1.1 DEFINITIONS
Definitions related to this policy include:

Property - All articles placed in secure storage within the Butte County Probation Department, including evidence, and items taken for safekeeping.

700.3 RESPONSIBILITIES
The Chief Probation Officer should designate a property custodian responsible for the management of property held by the Butte County Probation Department.

The property custodian should:

(a) Maintain procedures for the safety, security, and chain of custody for property received, including procedures for packaging, submitting, storing, transferring, releasing, and disposing of property.

(b) Maintain procedures for evidence room security and access control, including access logs.

(c) Maintain emergency procedures and supplies for the continuity of operations if the facility must be evacuated or moved (e.g., for hazardous spills, fires, floods), including protective equipment for personnel, lighting, and ventilation.

(d) Develop and make available appropriate forms.

(e) Maintain procedures for the use of property for investigative or training purposes.

(f) Conduct inventories and participate in audits and inspections as provided in this policy and address identified issues as appropriate.

(h) Establish agreements with other appropriate organizations that have resources and expertise to store and destroy hazardous materials, flammable materials, explosive materials, narcotics and dangerous drugs, and other materials requiring specialized destruction.
700.4 SECURITY
Only authorized members should have access to property. Members authorized to access secure property storage areas should take reasonable steps to prevent access by unauthorized persons. This includes preventing others from accessing related keys, access codes, passwords, or access cards and reporting any possible breaches or security concerns as soon as practicable.

700.5 PROPERTY HANDLING
The member who first comes into possession of property is generally responsible for the collection, care, custody, and control of the property until it is securely stored.

Receipts should be provided to individuals when property is received or removed from them.

A supervisor should be notified when a submitting member did not follow appropriate procedures.

Members should securely store property prior to going off-duty.

700.6 SPECIAL CONSIDERATIONS
The following items require special handling and should be processed according to department procedures and as follows:

700.6.1 CONTROLLED SUBSTANCES
   (a) Controlled dangerous substances should only be handled using the appropriate type and level of personal protective equipment.
   (b) Controlled dangerous substances should only be tested, opened, or repackaged in authorized areas and only by trained members.
   (c) Controlled substances shall not be packaged with other property.

   (e) Marijuana should be packaged in a container that allows for drying.
   (f) The property custodian should monitor stored marijuana for growth of mold.

700.6.2 MISCELLANEOUS
The following items require special consideration and should be handled in line with current department procedures, to include the following:

   (a) Cash should be counted in the presence of another member. The cash shall be placed in a property envelope and initialed by both members. A supervisor should be contacted for cash in excess of $1,000. The supervisor shall witness the count, initial and date the envelope. After initial submission, cash should be stored in a controlled-access safe.

Digital evidence should be stored in a manner to prevent it from becoming demagnetized.

Explosives, fireworks, ammunition, and hazardous and flammable substances should be secured either off-site or on-site in containers appropriate for the contents. These items should be removed or destroyed as soon as it is practical and legal to do so.
Firearms shall be unloaded and packaged separately from ammunition. Members submitting firearms should package them in such a way as to provide visual confirmation that the firearm is unloaded. Knife boxes should be used to package knives.

Syringe tubes or other sharps containers should be used to package syringes, needles and other sharps.

700.7 RECORDING OF PROPERTY
Members should ensure that all documentation and tagging is completed when entering property and evidence. The property custodian receiving custody of property shall ensure a property control record for each item or group of items has been created.

The property custodian shall ensure that a unique property number is obtained for each item or group of items.

700.8 INSPECTION OF THE PROPERTY STORAGE AREA
The assigned Assistant Chief Probation Officer shall ensure that periodic, unannounced inspections of the storage facilities are conducted to ensure adherence to appropriate policies and procedures. The assigned Assistant Chief Probation Officer also shall ensure that an audit is conducted annually, or as directed by the Chief Probation Officer. Inspections and audits shall be conducted by a member of this department who is not routinely or directly connected with the property operations.

Whenever there is a change of assignment for any member with authorized access to the stored property, an inventory of all property shall be conducted by a person who is not associated with the stored property, or its function. This is to ensure that all property is accounted for and the records are correct.
Records Maintenance and Release

701.1 PURPOSE AND SCOPE
This policy establishes guidelines for the maintenance, release, and disposition of records maintained by the Department. The policy addresses responsibilities of the assigned Assistant Chief Probation Officer for the management of file access, and requests for release of information and records.

701.2 POLICY
It is the policy of the Department to maintain probationer records and to provide for the access to and release of records consistent with department policies, administrative directives, and applicable state law.

701.3 RECORDS CUSTODIAN RESPONSIBILITIES
The Chief Probation Officer shall designate an assigned Assistant Chief Probation Officer. The responsibilities of the assigned Assistant Chief Probation Officer include but are not limited to:

(a) Maintaining and updating a records procedure manual.
(b) Supervising the access, use, and release of protected information (see the Protected Information Policy).
(c) Managing the records management system for the Department, including the retention, archiving, release, and destruction of department public records.
(d) Maintaining and updating the department records retention schedule, including:
   1. Identifying the minimum length of time the Department must keep records.
   2. Identifying who has the responsibility for the original record.
(e) Establishing rules regarding the inspection and copying of department public records as reasonably necessary for the protection of such records (Government Code § 6253).
(f) Identifying records or portions of records that have release restrictions or are confidential under state or federal law and not open for inspection or copying.
(g) Establishing procedures for sharing records as permitted by law with [probationers/clients/offenders], their designees, and coordinating agencies, including law enforcement agencies, social service agencies, and medical and mental health providers.
(h) Establishing rules regarding the processing of subpoenas for the production of records.
(i) Maintaining compliance with federal, state, and local regulations regarding reporting requirements of data.
(j) Ensuring the availability of a current schedule of fees for public records as allowed by law (Government Code § 6253).
(k) Determining how the department's website may be used to post public records in accordance with Government Code § 6253.

(l) Ensuring that public records posted on the department website meet the requirements of Government Code § 6253.10, including but not limited to posting in an open format where a record may be retrieved, downloaded, indexed, and searched by a commonly used internet search application.

701.4 PROCESSING REQUESTS FOR RECORDS

Any department member who receives a request for any records shall route the request to the assigned Assistant Chief Probation Officer or authorized designee.

701.4.1 REQUESTS FOR PUBLIC RECORDS

The processing of requests for public records is subject to the following (Government Code § 6253):

(a) The Department is not required to create records that do not exist.

(b) When a record contains material with release restrictions and material that is not subject to release restrictions, the restricted material shall be redacted and the unrestricted material released.

1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions.

2. If the record is an audio or video recording, a copy of the redacted audio/video recording release should be maintained in the department-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.

(c) Either the requested record or the reason for nondisclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If more time is needed, an extension of up to 14 additional days may be authorized by the Custodian of Records or the authorized designee. If an extension is authorized, the Department shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response. Requests will be routed to County Counsel for final response.

1. When the request does not reasonably describe the records sought, the assigned Assistant Chief Probation Officer shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request, including providing assistance for overcoming any practical basis for denying access to the records or information. The assigned Assistant Chief Probation Officer shall also assist in describing the information and technology and physical location in which the record exists (Government Code § 6253.1).

2. If the record requested is available on the department website, the requester may be directed to the location on the website where the record is posted. If the
requester is unable to access or reproduce the record, a copy of the record shall be promptly provided.

(d) Upon request, a record shall be provided in an electronic format utilized by the Department. Records shall not be provided only in electronic format unless specifically requested (Government Code § 6253.9).

701.4.2 DENIALS
The denial of a request for public records is subject to the following:

(a) If a record request is denied in whole or part, the requester shall be provided a written response that includes the statutory exemption for withholding the record or facts that the public interest served by nondisclosure outweighs the interest served by disclosure (Government Code § 6255).

(b) The written response to the denial shall include the names, titles, or positions of each person responsible for the denial (Government Code § 6253).

701.4.3 RELEASE RESTRICTIONS
Examples of release restrictions include (except where allowed by law or court order):

(a) Probationer records, including probationer classification, disciplinary records, pre-sentence or disposition reports, supervision reports, and progress reports.

(b) Probation reports filed with a court (Penal Code § 1203.03; Penal Code § 1203.05).

(c) Records relating to juveniles (Welfare and Institutions Code § 827; Welfare and Institutions Code § 831).

(d) Probationer medical, mental health, and substance abuse records (Government Code § 6254; 42 CFR 2.35).

(e) Probationer education records (Family Education Rights and Privacy Act of 1974 (FERPA); Education Code § 49076).

(f) Personnel records, medical records, or similar files that would involve an unwarranted invasion of personal privacy (Penal Code § 832.7; Penal Code § 832.8; Evidence Code § 1043 et seq.).

(g) Home addresses, home telephone numbers, personal cellular telephone numbers, and birth dates of department members except as allowed by Government Code § 6254.3.

(h) Criminal intelligence and criminal history information (Penal Code § 13102; Penal Code § 13300) (see also the Protected Information Policy).

(i) A record of a civilian complaint, or the investigations, findings, or dispositions of that complaint, if the complaint is frivolous, as defined by Code of Civil Procedure § 128.5, or if the complaint is unfounded (Penal Code § 832.7(b)(8)).

701.5 SUBPOENAS AND DISCOVERY REQUESTS
Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the assigned Assistant Chief Probation Officer for review and
processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested information.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the appropriate prosecutor or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

701.6 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS

Video and audio recordings related to critical incidents shall be released pursuant to a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 6254(f)(4)).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by any officer, or depicts an incident in which the use of force by any officer against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 6254(f)(4)).

The Assistant Chief Probation Officer should work as appropriate with the Chief Probation Officer in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

701.6.1 DELAY OF RELEASE

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source. Disclosure may be delayed up to 45 days from the date the Department knew or reasonably should have known about the incident. After the initial 45 days and up to one year, delayed disclosure may continue if the Department demonstrates substantial interference with the investigation. Any delayed disclosure longer than one year must be supported by clear and convincing evidence (Government Code § 6254(f)(4)).

701.6.2 NOTICE OF DELAY OF RELEASE

When there is justification to delay disclosure of a recording, the Assistant Chief Probation Officer or authorized designee shall provide written notice to the requester as follows (Government Code § 6254(f)(4)):

(a) During the initial 45 days, the Assistant Chief Probation Officer or authorized designee shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.
(b) When delay is continued after the initial 45 days, the Assistant Chief Probation Officer or authorized designee shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Administrative Coordinator should work with the Chief Probation Officer in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

701.6.3 REDACTION
If the Assistant Chief Probation Officer, in consultation with the Chief Probation Officer, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the Department should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer’s ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 6254(f)(4)).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Assistant Chief Probation Officer shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 6254(f)(4)).

701.6.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE
If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the Department may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 6254(f)(4)):

(a) The person in the recording whose privacy is to be protected, or the authorized representative.
(b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.
(c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the Department determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Assistant Chief Probation Officer shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 6254(f)(4)).

The Department may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 6254(f)(4)(A)).
701.7 RELEASED RECORDS TO BE MARKED
Each page of any written record released pursuant to this policy should be stamped in a colored ink or otherwise marked to indicate the department name and to whom the record was released.

Each audio/video recording released should include the department name and to whom the record was released.

701.8 SECURITY BREACHES
Members who become aware that any Butte County Probation Department system containing personal information may have been breached should notify the assigned Assistant Chief Probation Officer as soon as practicable.

The assigned Assistant Chief Probation Officer shall ensure notice is given anytime there is a reasonable belief an unauthorized person has acquired either unencrypted personal identifying information or encrypted personal information along with the encryption key or security credential stored in any department information system (Civil Code § 1798.29).

Notice shall be given as soon as reasonably practicable to all individuals whose information may have been acquired. The notification may be delayed if the Department determines that notification will impede a criminal investigation or any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system (Civil Code § 1798.29).

If a single breach requires the Department to notify more than 500 California residents, the Department shall electronically submit a sample copy of the notification, excluding any personally identifiable information, to the California Attorney General (Civil Code § 1798.29).

For the purposes of the notice requirement, personal information includes an individual’s first name or first initial and last name in combination with any one or more of the following data elements, when either the name or the data elements are not encrypted:

(a) Social Security number
(b) Driver’s license number, California identification card number, tax identification number, passport number, military identification number, or other unique identification number issued on a government document commonly used to verify the identity of a specific individual
(c) Full account number, credit or debit card number, or any required security code, access code, or password that would permit access to an individual’s financial account
(d) Medical information
(e) Health insurance information

the appropriate member designated to oversee the security of protected information (see the Protected Information Policy).

701.9 SEALED RECORD ORDERS
Sealed record orders received by the Department shall be reviewed for appropriate action by the assigned Assistant Chief Probation Officer and, if appropriate, the member assigned to supervision of the probationer.

The assigned Assistant Chief Probation Officer shall seal such records as ordered by the court. Protected Information

702.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the access, transmission, release, and security of protected information by members of the Butte County Probation Department. This policy addresses the protected information used in the day-to-day operation of the Department and not the public records information covered in the Records Maintenance and Release Policy.

702.1.1 DEFINITIONS
Definitions related to this policy include:

Protected information - Any information or data collected, stored, or accessed by members of the Butte County Probation Department and that is subject to any access or release restrictions imposed by law, regulation, order, or use agreement. This includes all information in federal, state, or local law enforcement databases that is not accessible to the public.

702.2 POLICY
Members of the Butte County Probation Department will adhere to all applicable laws, orders, regulations, use agreements, and training related to the access, use, dissemination, and release of protected information.

(f) Ensuring security practices and procedures are in place to comply with requirements applicable to protected information.
702.4 ACCESS TO PROTECTED INFORMATION
Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Butte County Probation Department policy, or training. Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

702.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION
Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the assigned Assistant Chief Probation Officer for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from law enforcement agencies who are assisting in an investigation or conducting a related investigation. Any such information should be released through the assigned Assistant Chief Probation Officer to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

Protected information, such as Criminal Justice Information, which includes Criminal History Record Information, should generally not be transmitted by radio, cellular telephone, or any other type of wireless transmission to members in the field or in vehicles through any computer or electronic device, except in cases where there is an immediate need for the information to further an investigation or where circumstances reasonably indicate that the immediate safety of department members or the public is at risk.

Nothing in this policy is intended to prohibit broadcasting warrant information.

702.6 SECURITY OF PROTECTED INFORMATION

The responsibilities of this position include but are not limited to:

protected information, such as documents or computer databases, accessible to others when it
is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or
desk, in or on an unattended vehicle, in an unlocked desk drawer or file cabinet, on an unattended
computer terminal).

702.7 CRIMINAL INTELLIGENCE SYSTEMS
No department member may create, submit, or obtain information from a criminal intelligence
system unless the Chief Probation Officer has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the
standards of 28 CFR 23.20.

702.7.1 SYSTEM ENTRIES
It is the designated supervisor’s responsibility to approve the entry of any information from a
report, case notes, a photo, or other relevant document into an authorized criminal intelligence
system. If entries are made based upon information that is not on file with this department, such as
open or public source documents or documents that are on file at another agency, the designated
supervisor should ensure copies of those documents are retained by the assigned Assistant Chief
Probation Officer. Any supporting documentation for an entry shall be retained by the assigned
Assistant Chief Probation Officer in accordance with the established records retention schedule
and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the assigned Assistant
Chief Probation Officer are appropriately marked as intelligence information. The assigned

Chapter 8 - Personnel
Recruitment and Selection

800.1 PURPOSE AND SCOPE
This policy provides a framework for employee recruiting efforts and identifying job-related standards for the selection process. This policy supplements the rules that govern employment practices for the Butte County Probation Department and that are promulgated and maintained by Human Resources Department.

800.2 POLICY
In accordance with applicable federal, state, and local law, the Butte County Probation Department provides equal opportunities for applicants and employees regardless of actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, or any other protected class or status. The Department does not show partiality or grant any special status to any applicant, employee or group of employees unless otherwise required by law.

The Department will recruit and hire only those individuals who demonstrate a commitment to service and who possess the traits and characteristics that reflect personal integrity and high ethical standards.

800.3 RECRUITMENT
The Chief Probation Officer should employ a comprehensive recruitment and selection strategy to recruit and select employees from a qualified and diverse pool of candidates in accordance with the County's personnel policies.

The strategy should include:

(a) Identification of racially and culturally diverse target markets.
(b) Use of marketing strategies to target diverse applicant pools.
(c) Expanded use of technology and maintenance of a strong internet presence. This may include an interactive department website and the use of department-managed social networking sites, if resources permit.
(d) Expanded outreach through partnerships with media, community groups, citizen academies, local colleges, universities, and the military.
(e) Consideration of shared or collaborative regional testing processes.

The Chief Probation Officer shall avoid advertising, recruiting, and screening practices that tend to stereotype, focus on homogeneous applicant pools, or screen applicants in a discriminatory manner.

The Department should strive to facilitate and expedite the screening and testing process and should periodically inform each candidate of the candidate's status in the recruiting process.
800.4 SELECTION PROCESS
The Department shall actively strive to identify a diverse group of candidates that have in some manner distinguished themselves as being outstanding prospects. Minimally, the Department should employ a comprehensive screening, background investigation, and selection process that assesses cognitive and physical abilities and includes review and verification of:

(a) A comprehensive application for employment (including previous employment, references, current and prior addresses, education, military record).
(b) Driving record.
(c) Reference checks.
(d) Employment eligibility, including U.S. Citizenship and Immigration Services (USCIS) Employment Eligibility Verification Form I-9 and acceptable identity and employment authorization documents consistent with Labor Code § 1019.1. This required documentation should not be requested until a candidate is hired. This does not prohibit obtaining documents required for other purposes.
(e) Information obtained from public internet sites.
(f) Financial history consistent with the Fair Credit Reporting Act (FCRA) (15 USC § 1681 et seq.).
(g) Local, state, and federal criminal history record checks.
(h) Lie detector test (when legally permissible) (Labor Code § 432.2).
(i) Medical and psychological examination (may only be given after a conditional offer of employment).

800.5 BACKGROUND INVESTIGATION
Every candidate shall undergo a thorough background investigation to verify candidate’s personal integrity and high ethical standards and to identify any past behavior that may be indicative of the candidate’s unsuitability to perform duties relevant to the operation of the Butte County Probation Department (Government Code § 1031; 15 CCR § 131).

800.5.1 NOTICES
Background investigators shall ensure that investigations are conducted and notices provided in accordance with the requirements of the FCRA and the California Investigative Consumer Reporting Agencies Act (15 USC § 1681d; Civil Code § 1786.16).

800.5.2 STATE NOTICES
If information disclosed in a candidate’s criminal offender record information (CORI) is the basis for an adverse employment decision, a copy of the CORI shall be provided to the applicant (Penal Code § 11105).
800.5.3 REVIEW OF SOCIAL MEDIA SITES
Due to the potential for accessing unsubstantiated, private, or protected information, the Chief Probation Officer shall not require candidates to provide passwords, account information, or access to password-protected social media accounts (Labor Code § 980).

The Chief Probation Officer should consider utilizing the services of an appropriately trained and experienced third party to conduct open-source, internet-based searches and/or review information from social media sites to ensure:

- The legal rights of candidates are protected.
- Material and information to be considered is verified, accurate, and validated.
- The Department fully complies with applicable privacy protections and local, state, and federal law.

Regardless of whether a third party is used, the Chief Probation Officer should ensure that potentially impermissible information is not available to any person involved in the candidate selection process.

800.5.4 RECORDS RETENTION
The background report and all supporting documentation shall be maintained in accordance with the established records retention schedule.

800.6 DISQUALIFICATION GUIDELINES
As a general rule, performance indicators and candidate information and records shall be evaluated by considering the candidate as a whole and taking into consideration the following:

- Passage of time
- Patterns of past behavior
- Severity of behavior
- Probable consequences if past behavior is repeated or made public
- Likelihood of recurrence
- Relevance of past behavior to public safety employment
- Aggravating and mitigating factors
- Other relevant considerations

A candidate’s qualifications will be assessed on a case-by-case basis, using a totality-of-the-circumstances framework.

800.7 EMPLOYMENT STANDARDS
All candidates shall meet the minimum standards required by state law. Candidates will be evaluated based on merit, ability, competence, and experience, in accordance with the high
standards of integrity and ethics valued by the Department and the community (Government Code § 1029; Government Code § 1031; 15 CCR § 131).

Validated, job-related, and nondiscriminatory employment standards shall be established for each job classification and shall minimally identify the training, abilities, knowledge and skills required to perform the position's essential duties in a satisfactory manner. Each standard should include performance indicators for candidate evaluation. Human Resources Department should maintain validated standards for all positions.

(b) Assessing the level of performance required to complete probation.

Standards of Conduct

801.1 PURPOSE AND SCOPE
This policy establishes standards of conduct that are consistent with the values and mission of the Butte County Probation Department and are expected of all department members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions, but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this department or a member’s supervisors.

801.2 POLICY
The continued employment or appointment of every member of this department shall be based on conduct that reasonably conforms to the guidelines set forth herein and the County Personnel Rules. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

801.3 DIRECTIVES AND ORDERS
Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

801.3.1 UNLAWFUL OR CONFLICTING ORDERS
Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law, or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that conflicts with a previous lawful order, department policy, or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict will not be held accountable for disobedience of the lawful order or directive that was initially issued.
Standards of Conduct

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

801.3.2 SUPERVISOR RESPONSIBILITIES
Supervisors and managers are required to follow all policies and procedures and may be subject to discipline for:

(a) Failing to be reasonably aware of the performance of their subordinates or to provide appropriate guidance and control.

(b) Failing to promptly and fully report any known misconduct of a member to the immediate supervisor or to document such misconduct appropriately or as required by policy.

(c) Directing a subordinate to violate a policy or directive, acquiescing to such a violation, or exhibiting indifference to such a violation.

(d) Exercising unequal or disparate authority toward any member for malicious or other improper purpose.

801.4 GENERAL STANDARDS
Members shall conduct themselves, whether on- or off-duty, in accordance with the United States and California constitutions and all applicable laws, ordinances, and rules enacted or established pursuant to legal authority.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

Discipline may be initiated for any good cause. It is not mandatory that a specific policy or rule violation be cited to sustain discipline. This policy is not intended to cover every possible type of misconduct.

801.5 CAUSES FOR DISCIPLINE
The following are illustrative of causes for disciplinary action. This list is not intended to cover every possible type of misconduct and does not preclude the recommendation of disciplinary action for violation of other rules, standards, ethics, and specific action or inaction that is detrimental to efficient department service.

Performance Evaluations

802.1 PURPOSE AND SCOPE
This policy provides guidelines for the Butte County Probation Department performance evaluation system. Members shall also refer to Personnel Rule 7.9.

802.2 POLICY
The Butte County Probation Department shall use a performance evaluation system to measure, document, and recognize work performance. The performance evaluation will serve as an objective guide for the recognition of good work and the development of a process for improvement.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to the actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, or other protected class or status.

802.3 TYPES OF EVALUATIONS
The Department shall use the following types of evaluations:

Regular - An evaluation completed at regular intervals by the employee's immediate supervisor. Employees who have been promoted should be evaluated as established by the Human Resources Department or, minimally, on the anniversary of the last promotion.

When an employee transfers to a different assignment in the middle of an evaluation period, and fewer than six months has transpired since the transfer, the evaluation should be completed by the current supervisor with input from the previous supervisor.

Unscheduled - An evaluation that may be completed at any time the supervisor and Assistant Chief Probation Officer or the authorized designee determine an evaluation is necessary to address less than standard performance. The evaluation may include a plan for follow-up action (e.g., performance improvement plan (PIP), remedial training, retraining).

802.3.1 RATINGS
When completing an evaluation, the supervisor will identify the rating category that best describes the employee's performance.

Supervisor comments may be included in the evaluation to document the employee's strengths, weaknesses, and requirements for improvement. Any job dimension rating marked as unsatisfactory or outstanding shall be substantiated with supervisor comments.

802.3.2 PERFORMANCE IMPROVEMENT PLAN
Employees who receive an unsatisfactory rating may be subject to a PIP. The PIP shall delineate areas that need improvement, any improvement measures, and a timetable in which
to demonstrate improvement. The issuing supervisor shall meet with the employee to review the employee's performance and the status of the PIP at least monthly.

802.4 EVALUATION PROCESS
Supervisors should meet with the employees they supervise at the beginning of the evaluation period to discuss expectations and establish performance standards. Each supervisor should discuss the tasks of the position, standards of expected performance, and the evaluation criteria with each employee.

Performance evaluations cover a specific period and should be based on documented performance dimensions that are applicable to the duties and authorities granted to the employee during that period. Evaluations should be completed by each employee’s immediate supervisor. Other supervisors directly familiar with the employee’s performance during the rating period should be consulted by the evaluating supervisor for input.

Assessment of an employee’s job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise and to acknowledge good work. Periodic discussions with the employee during the course of the evaluation period are encouraged. Supervisors should document all discussions in the prescribed manner.

All supervisors shall receive training on performance evaluations within one year of a supervisory appointment. Additional training will be required as determined by the Assistant Chief Probation Officer.

802.5 EVALUATION FREQUENCY
Supervisors shall ensure that all employees they supervise are evaluated at least once every year on the anniversary of the employee’s date of appointment or hire.

Those employees who are required to successfully complete a probationary period should be evaluated at a minimum of the 3-month and 6-month marker.

802.6 EVALUATION INTERVIEW
When the supervisor has completed the employee's evaluation, a private discussion of the evaluation should be scheduled with the employee. The supervisor should discuss the evaluation ratings and respond to any questions the employee may have. The supervisor should provide relevant counseling regarding advancement, specialty positions, and training opportunities. Any performance areas in need of improvement and goals for reaching the expected level of performance should be identified and discussed. If the employee has reasonable objections to any of the ratings, the supervisor may make appropriate adjustments to the evaluation. The reason for such adjustments shall be documented.

Employees may write a response to the evaluation. The supervisor and employee will sign and date the evaluation.
**802.7 CHAIN OF REVIEW**
The performance evaluation shall be forwarded to the evaluating supervisor’s Assistant Chief Probation Officer. The Assistant Chief Probation Officer shall review the evaluation for fairness, impartiality, uniformity, and consistency.

The Assistant Chief Probation Officer or the authorized designee should evaluate the supervisor on the quality of ratings given.

**802.8 RETENTION AND DISTRIBUTION**
The original performance evaluation and any original correspondence related to an appeal shall be maintained by the Department in accordance with the Personnel Records Policy.

A copy of the evaluation and any documentation of a related appeal shall be provided to the employee and also forwarded to the County Human Resources Department.
Grievances

803.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the Butte County Probation Department grievance system. The grievance system is intended to facilitate communication and to promptly and equitably address employee grievances in the workplace. Members shall also refer to the Grievance section of their bargaining unit's Memorandum of Understanding.

803.1.1 GRIEVANCE DEFINED
A grievance is a difference of opinion or dispute regarding the meaning, interpretation, or application of any of the following:

- The collective bargaining agreement or memorandum of understanding
- This Policy Manual
- Rules and regulations governing personnel practices or working conditions
- Workplace issues that do not amount to misconduct under the Personnel Complaints Policy, such as fraud, waste, abuse of authority, gross mismanagement, or any inappropriate conduct or practices, including violations that may threaten the health, safety, or well-being of members

Specifically outside the category of grievances are complaints related to alleged acts of sexual, racial, ethnic, or other forms of unlawful harassment, as well as complaints related to allegations of discrimination on the basis of sex, race, religion, ethnic background, and other lawfully protected status or activity that are subject to the complaint options set forth in the Discriminatory Harassment Policy. Also outside the category of grievances are personnel complaints regarding any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy or federal, state, or local law, as set forth in the Personnel Complaints Policy.

803.2 POLICY
It is the policy of the Butte County Probation Department to provide a just and equitable system for the prompt handling of employee grievances without discrimination, coercion, restraint, or retaliation against any employee who submits or is otherwise involved in a grievance.

803.3 PROCESS
Grievances may be brought by an individual employee or by an employee group representative. Employees may have representation during the grievance process.

Except as otherwise required under a collective bargaining agreement or memorandum of understanding, if an employee comes to believe behavior constituting a grievance as defined above may have occurred, the employee shall:

(a) Attempt to resolve the issue through informal discussion with his/her immediate supervisor.
(b) If after a reasonable amount of time, generally seven days, the grievance cannot be settled by the immediate supervisor, the employee may request an interview with the appropriate Assistant Chief Probation Officer.

(c) If a successful resolution is not found with the Assistant Chief Probation Officer, the employee may request a meeting with the Chief Probation Officer.

(d) If the employee and the Chief Probation Officer are unable to arrive at a mutual solution, the employee shall proceed as follows:

1. Submit a written statement of the grievance to the Chief Probation Officer and provide a copy to the employee’s immediate supervisor.
2. Include the following information in the written statement:
   (a) The basis for the grievance (i.e., the facts of the case).
   (b) The allegation of any specific wrongful act and the harm done.
   (c) The specific policies, rules, or regulations at issue.
   (d) The remedy or goal being sought by the grievance.

(e) The supervisor shall provide the employee with a signed acknowledgment of the grievance that shall include the date and time of receipt.

(f) The Chief Probation Officer and the Human Resources Department should review the grievance and respond to the employee within 14 calendar days.

1. The response will be in writing and will affirm or deny the allegations.
2. The response shall include any remedies, if appropriate.
3. The decision of the Human Resources Department is considered final.

803.4 GRIEVANCE RECORDS
At the conclusion of the grievance process, all documents pertaining to the process shall be forwarded to the Administrative Coordinator for inclusion into a secure file for all written grievances. Copies of the documents should also be sent to the Human Resources Department.

803.5 POLICY OR TRAINING IMPLICATIONS
If an employee who participates in the grievance review process identifies any issue that may warrant an immediate revision to this Policy Manual, a procedural change, or an immediate training need, the employee should promptly notify the Chief Probation Officer in the memorandum.

803.6 GRIEVANCE AUDITS
The Training Coordinator should perform an annual audit of all grievances filed the previous calendar year to evaluate whether any change in policy, procedure, or training may be appropriate to avoid future grievances. The Training Coordinator should record these findings in a confidential memorandum to the Chief Probation Officer without including any identifying information about any individual grievance.
Anti-Retaliation

804.1 PURPOSE AND SCOPE
This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement, or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety, or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members’ access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, state and local law, ordinance, or memorandum of understanding or contract.

804.2 POLICY
The Butte County Probation Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

804.3 RETALIATION PROHIBITED
No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory, or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.
- Taking unwarranted disciplinary action.
- Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- Shunning or unreasonably avoiding a person because the person has engaged in protected activity.
804.4 COMPLAINTS OF RETALIATION
Any member who has been retaliated against in violation of this policy should promptly report the matter to any supervisor, any command staff member, the Chief Probation Officer, or the County Human Resources Department.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false or with willful or reckless disregard for the truth or falsity of the information, or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member’s identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member are part of the investigative process.

804.5 SUPERVISOR RESPONSIBILITIES
Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include but are not limited to:

(a) Ensuring complaints of retaliation are investigated as provided in the Personnel Complaints Policy.
(b) Receiving all complaints in a fair and impartial manner.
(c) Documenting the complaint and any steps taken to resolve the problem.
(d) Acknowledging receipt of the complaint, notifying the Chief Probation Officer via the chain of command, and explaining to the member how the complaint will be handled.
(e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
(f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
(g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.
(h) Not interfering with or denying the right of a member to make any complaint.
(i) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.
804.6 COMMAND STAFF RESPONSIBILITIES
The Chief Probation Officer should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

(a) Communicating to all members the prohibition against retaliation.
(b) The timely review of complaint investigations.
(c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
(d) The timely communication of the outcome to the complainant.

804.7 WHISTLEBLOWING
California law protects members who (Labor Code § 1102.5; Government Code § 53296 et seq.):

(a) Report a violation of a state or federal statute or regulation to a government or law enforcement agency, including the member’s supervisor or any other member with the authority to investigate the reported violation.
(b) Provide information or testify before a public body if the member has reasonable cause to believe a violation of law occurred.
(c) Refuse to participate in an activity that would result in a violation of a state or federal statute or regulation.
(d) File a complaint with a local agency about gross mismanagement or a significant waste of funds, abuse of authority, or a substantial and specific danger to public health or safety. Members shall exhaust all available administrative remedies prior to filing a formal complaint.
(e) Are family members of a person who has engaged in any protected acts described above.

Members are encouraged to report any legal violations through the chain of command (Labor Code § 1102.5).

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Chief Probation Officer for investigation pursuant to the Personnel Complaints Policy.

804.7.1 DISPLAY OF WHISTLEBLOWSER LAWS
The Butte County Probation Department shall display a notice to members regarding their rights and responsibilities under the whistleblower laws, including the whistleblower hotline maintained by the Office of the Attorney General (Labor Code § 1102.8).

804.8 RECORDS RETENTION AND RELEASE
The Administrative Coordinator shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.
804.9 TRAINING
This policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.
Reporting of Arrests, Convictions, and Court Orders

805.1 PURPOSE AND SCOPE
The purpose of this policy is to describe the notification requirements and procedures that members must follow when certain arrests, convictions, and court orders restrict their ability to perform the official duties and responsibilities of the Butte County Probation Department.

This policy will also describe the notification requirements and procedures that certain retired officers must follow when an arrest, conviction, or court order disqualifies them from possessing a firearm.

805.2 POLICY
The Butte County Probation Department requires disclosure of member arrests, convictions, and certain court orders to maintain the high standards, ethics, and integrity in its workforce, and to ensure compatibility with the duties and responsibilities of the Butte County Probation Department.

805.3 DOMESTIC VIOLENCE CONVICTIONS AND COURT ORDERS
Federal and California law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing firearms. Such convictions and court orders often involve allegations of the use or attempted use of force, or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members are responsible for ensuring that they have not been disqualified from possessing firearms by any such conviction or court order, and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

805.4 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS
Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee's ability to fully perform the duties of the job.

Outstanding warrants and felony convictions also place restrictions on the ability of an officer to possess a firearm or remain a peace officer (Government Code § 1029; Penal Code § 29805).

805.5 REPORTING
All members shall immediately notify their supervisors in writing of any past or current criminal detention, arrest, charge, or conviction in any state or foreign country, regardless of whether the matter was dropped or rejected, is currently pending, or is on appeal, and regardless of the penalty or sentence, if any.
Reporting of Arrests, Convictions, and Court Orders

All members shall immediately notify their supervisors in writing if they become the subject of a domestic violence-related order or any court order that prevents the member or retired officer from possessing a firearm.

Any member whose criminal arrest, conviction, or court order restricts or prohibits that member from fully and properly performing duties, including carrying a firearm, may be disciplined. This includes but is not limited to being placed on administrative leave, reassignment, and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member, on the member's own time and at own expense.

Any employee failing to provide prompt written notice pursuant to this policy shall be subject to discipline, up to and including termination.
Drug- and Alcohol-Free Workplace

806.1 PURPOSE AND SCOPE
The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace.

806.2 POLICY
It is the policy of the Butte County Probation Department to provide a drug- and alcohol-free workplace for all members. Members shall refer to the Personnel Rules for the County’s Alcohol and Drug Abuse Policy.
Sick Leave

807.1 POLICY
It is the policy of the Butte County Probation Department to provide eligible employees with a sick-leave benefit. Members shall refer to Personnel Rules for the County’s sick leave policy.
Communicable Diseases

808.1 PURPOSE AND SCOPE
This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

808.1.1 DEFINITIONS
Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, urine, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include but are not limited to hepatitis B virus (HBV), HIV, and tuberculosis.

Exposure - When an eye, the mouth, a mucous membrane, or non-intact skin comes into contact with blood, urine, or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing, or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member’s position at the Butte County Probation Department (see the Exposure Control Plan for further details to assist in identifying whether an exposure has occurred).

808.2 POLICY
The Butte County Probation Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

808.3 EXPOSURE CONTROL OFFICER
The Chief Probation Officer will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

(a) Exposure prevention and decontamination procedures.
(b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
(c) The provision that department members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) that is appropriate for each member’s position and risk of exposure.
(d) Evaluation of persons in custody for any exposure risk and measures to separate them (15 CCR 1051; 15 CCR 1207).
(e) Compliance with all relevant laws or regulations related to communicable diseases, including:
   1. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).
   2. Bloodborne pathogen precautions (8 CCR 5193).
Communicable Diseases

(a) Sharps injury log.
(b) Needleless systems and sharps injury protection.

3. Airborne transmissible disease precautions (8 CCR 5199).
   (a) Engineering and work practice controls related to airborne transmissible diseases.
   (b) Distribution of appropriate personal protective equipment to minimize exposure to airborne disease.

4. Promptly notifying the county health officer regarding member exposures (Penal Code § 7510).

5. Establishing procedures to ensure that members request exposure notification from health facilities when transporting a person who may have a communicable disease and that the member is notified of any exposure as required by Health and Safety Code § 1797.188.

6. Informing members of the provisions of Health and Safety Code § 1797.188 (exposure to communicable diseases and notification).

(f) Provisions for acting as the designated officer liaison with health care facilities regarding communicable disease or condition exposure notification. The designated officer should coordinate with other department members to fulfill the role when not available. The designated officer shall ensure that the name, title, and telephone number of the designated officer is posted on the Department website (Health and Safety Code § 1797.188).

The ECO should also act as the liaison with the Division of Occupational Safety and Health (Cal/OSHA) and may request voluntary compliance inspections. The ECO shall annually review and update the exposure control plan and review implementation of the plan (8 CCR 5193).

808.4 EXPOSURE PREVENTION AND MITIGATION

808.4.1 GENERAL PRECAUTIONS
All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes but is not limited to (8 CCR 5193):

(a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks, or other specialized equipment in the work area or department vehicles, as applicable.
(b) Wearing department-approved disposable gloves when contact with blood, urine, other potentially infectious materials, mucous membranes, and non-intact skin can be reasonably anticipated.
(c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
(d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.
Communicable Diseases

(e) Using an appropriate barrier device when providing CPR.

(f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.

(g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing, portable radio) as soon as possible if the equipment is a potential source of exposure.
   1. Clothing that has been contaminated by blood, urine, or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.

(h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.

(i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.

(j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

808.4.2 IMMUNIZATIONS
Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

808.5 POST EXPOSURE

808.5.1 INITIAL POST-EXPOSURE STEPS
Members who experience an exposure or suspected exposure shall:

(a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).

(b) Obtain medical attention as appropriate.

(c) Notify a supervisor as soon as practical.

808.5.2 REPORTING REQUIREMENTS
The supervisor or designated administrator on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (8 CCR 5193):

(a) Name and Social Security number of the employee exposed

(b) Date and time of incident

(c) Location of incident

(d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)

(e) Work being done during exposure

(f) How the incident occurred or was caused
Communicable Diseases

(g) PPE in use at the time of the incident

(h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Work-Related Illness and Injury Reporting and Illness and Injury Prevention policies).

808.5.3 MEDICAL CONSULTATION, EVALUATION, AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

(a) Whether the member has been informed of the results of the evaluation.

(b) Whether the member has been notified of any medical conditions, resulting from exposure to blood or other potentially infectious materials, that require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

808.5.4 COUNSELING

The Department shall provide the member, and the member’s family if necessary, the opportunity for counseling and consultation regarding the exposure (8 CCR 5193).

808.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member’s supervisor to ensure testing is sought.

Source testing may be achieved by:

(a) Obtaining consent from the individual.

(b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.

(c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).

(d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status
Communicable Diseases

of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).

(e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the County Counsel to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if the individual refuses.

808.6 CONFIDENTIALITY OF REPORTS
Medical information shall remain in confidential files and shall not be disclosed to anyone without the member’s written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

808.7 TRAINING
All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (8 CCR 5193):

(a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.

(b) Shall be provided whenever the member is assigned new tasks or procedures affecting the member’s potential exposure to communicable disease.

(c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure, and what steps should be taken if a suspected exposure occurs.
Smoking and Tobacco Use

809.1 PURPOSE AND SCOPE
This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Butte County Probation Department facilities or vehicles.

For the purpose of this policy, smoking and tobacco use includes but is not limited to any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches, and chewing tobacco, as well as any device that is intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

809.2 POLICY
The Butte County Probation Department recognizes that tobacco use is a health risk and can be offensive to others. All forms of tobacco use also present an unprofessional image for the Department and its members. Therefore, all forms of tobacco use are prohibited by members and visitors in all department facilities, buildings, and vehicles, and as is further outlined in this policy (Government Code § 7597; Labor Code § 6404.5).

809.3 SMOKING AND TOBACCO USE
It shall be the responsibility of each member to ensure that no person under the member's supervision smokes or uses any tobacco product inside County facilities and vehicles.

809.4 ADDITIONAL PROHIBITIONS
No person shall use tobacco products within 20 feet of a main entrance, exit, or operable window of any public building (including any department facility) or buildings on the campuses of the University of California, California State University, and California community colleges, whether present for training, enforcement, or any other purpose (Government Code § 7596 et seq.).
Personnel Complaints

810.1 PURPOSE AND SCOPE
This policy provides guidelines for the reporting, investigation, and disposition of complaints regarding the conduct of members of the Butte County Probation Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment, or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

810.2 POLICY
The Butte County Probation Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state, and local law and municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

810.3 PERSONNEL COMPLAINTS
Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or federal, state, or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state, or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures, or the response to specific incidents by the Department.

810.3.1 COMPLAINT CLASSIFICATIONS
Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Assistant Chief Probation Officer is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Assistant Chief Probation Officer, depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Assistant Chief Probation Officer, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.
810.3.2 SOURCES OF COMPLAINTS
The following applies to the source of complaints:

(a) Individuals from the public may make complaints in any form, including in writing, by email, in person, or by telephone.

(b) Any department member becoming aware of alleged misconduct shall immediately notify a supervisor.

(c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.

(d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.

(e) Tort claims and lawsuits may generate a personnel complaint.

810.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

810.4.1 COMPLAINT FORMS
Personnel complaint forms will be maintained in a clearly visible location in the public area of the department facility and be accessible through the department website. Forms may also be available at other County facilities.

810.4.2 ACCEPTANCE
All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs, or physical evidence may be obtained as necessary.

A complainant shall be provided with a copy of the statement at the time it is filed with the Department (Penal Code § 832.7).

810.4.3 AVAILABILITY OF WRITTEN PROCEDURES
The Department shall make available to the public a written description of the investigation procedures for complaints (Penal Code § 832.5).

810.5 DOCUMENTATION
Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint.
On an annual basis, the Department should audit the log and send an audit report to the Chief Probation Officer or the authorized designee.

**810.6 ADMINISTRATIVE INVESTIGATIONS**

Allegations of misconduct will be administratively investigated as follows.

**810.6.1 SUPERVISOR RESPONSIBILITIES**

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief Probation Officer or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

(a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.

1. The original complaint form will be directed via the chain of command to the accused member's Assistant Chief Probation Officer, who will take appropriate action and/or determine who will have responsibility for the investigation.

2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Assistant Chief Probation Officer or the Chief Probation Officer, who will initiate appropriate action.

(b) Responding to all complaints in a courteous and professional manner.

(c) Resolving those personnel complaints that can be resolved immediately.

1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.

2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Chief Probation Officer.

(d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Assistant Chief Probation Officer and Chief Probation Officer are notified via the chain of command as soon as practicable.

(e) Promptly contacting the Human Resources Department and the Assistant Chief Probation Officer for direction regarding the supervisor's role in addressing a complaint that relates to sexual, racial, ethnic, or other forms of prohibited harassment or discrimination.
(f) Forwarding unresolved personnel complaints to the Assistant Chief Probation Officer, who will determine whether to contact the complainant or assign the complaint for investigation.

(g) Informing the complainant of the investigator’s name and the complaint number within three days after assignment.

(h) Investigating a complaint as follows:
   1. Making reasonable efforts to obtain names, addresses, and telephone numbers of witnesses.
   2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.

(i) Ensuring that the procedural rights of the accused member are followed (Government Code § 3303 et seq.).

(j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

810.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES
Whether conducted by a supervisor or a member of the Assistant Chief Probation Officer, the following applies to members covered by the Public Safety Officers Procedural Bill of Rights Act (POBR) (Government Code § 3303):

(a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty. If the member is off-duty, the member shall be compensated.

(b) Unless waived by the member, interviews of an accused member shall be at the Butte County Probation Department or other reasonable and appropriate place.

(c) No more than two interviewers should ask questions of an accused member.

(d) Prior to any interview, a member should be informed of the nature of the investigation.

(e) All interviews should be for a reasonable period, and the member's personal needs should be accommodated.

(f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards, or other inducements be used to obtain answers.

(g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
   1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a Lybarger advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
Personnel Complaints

2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

(h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.

(i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, to maintain the integrity of each individual’s statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

(j) All members shall provide complete and truthful responses to questions posed during interviews.

(k) No member may be compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any officer solely because the officer has been placed on a prosecutor’s Brady list or the name of the officer may otherwise be subject to disclosure pursuant to Brady v. Maryland. However, an investigation may be based on the underlying acts or omissions for which the officer has been placed on a Brady list or may otherwise be subject to disclosure pursuant to Brady v. Maryland (Government Code § 3305.5).

810.6.3 ADMINISTRATIVE INVESTIGATION FORMAT
Formal investigations of personnel complaints shall be thorough, complete, and essentially follow this format:

Introduction - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

Synopsis - Provide a brief summary of the facts giving rise to the investigation.

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Evidence - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.
810.6.4 DISPOSITIONS
Each personnel complaint shall be classified with one of the following dispositions:

**Unfounded** - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded (Penal Code § 832.8).

**Exonerated** - When the investigation discloses that the alleged act occurred but that the act was justified, lawful, and/or proper.

**Not sustained** - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

**Sustained** - A final determination by an investigating agency, commission, board, hearing officer, or arbitrator, as applicable, following an investigation and opportunity for an administrative appeal pursuant to Government Code § 3304 and Government Code § 3304.5 that the actions of an officer were found to violate law or department policy (Penal Code § 832.8).

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

810.6.5 COMPLETION OF INVESTIGATIONS
Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

810.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS
The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

810.7 ADMINISTRATIVE SEARCHES
Assigned lockers, storage spaces, and other areas, including desks, offices, and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio, or other document or equipment.

Lockers and storage spaces may only be administratively searched in the member’s presence; with the member’s consent; with a valid search warrant; or where the member has been given reasonable notice that the search will take place (Government Code § 3309).
810.8 ADMINISTRATIVE LEAVE
When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief Probation Officer or the authorized designee may temporarily assign an accused member to administrative leave. Any member placed on administrative leave:

(a) May be required to relinquish any department badge, identification, assigned weapons, and any other department equipment.
(b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
(c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The member may be required to remain available for contact at all times during such shift, and will report as ordered.

810.9 CRIMINAL INVESTIGATION
Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief Probation Officer shall be notified as soon as practicable when a member is accused of criminal conduct. The ChiefProbation Officer may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of the member's constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

The Butte County Probation Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

810.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES
Upon completion of a formal investigation, an investigation report should be forwarded to the Chief Probation Officer through the chain of command. Each level of command should review the report and include their comments in writing before forwarding the report. The Chief Probation Officer may accept or modify any classification or recommendation for disciplinary action.

810.10.1 ASSISTANT CHIEF PROBATION OFFICER RESPONSIBILITIES
Upon receipt of any completed personnel investigation, the Assistant Chief Probation Officer of the involved member shall review the entire investigative file, the member's personnel file, and any other relevant materials.

The Assistant Chief Probation Officer may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.
Prior to forwarding recommendations to the Chief Probation Officer, the Assistant Chief Probation Officer may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief Probation Officer, the Assistant Chief Probation Officer shall include all relevant materials supporting the recommendation. Actual copies of a member’s existing personnel file need not be provided and may be incorporated by reference.

810.10.2 CHIEF PROBATION OFFICER RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief Probation Officer shall review the recommendation and all accompanying materials. The Chief Probation Officer may modify any recommendation and/or may return the file to the Assistant Chief Probation Officer for further investigation or action.

Once the Chief Probation Officer is satisfied that no further investigation or action is required by staff, the Chief Probation Officer shall determine the amount of discipline, if any, that should be imposed. If disciplinary action is proposed, the Chief Probation Officer shall provide the member with a written notice and:

(a) Access to all of the materials considered by the Chief Probation Officer in recommending the proposed discipline.

(b) An opportunity to respond orally or in writing to the Chief Probation Officer within five days of receiving the notice.

1. Upon a showing of good cause by the member, the Chief Probation Officer may grant a reasonable extension of time for the member to respond.

2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed a response, or if the member has elected to waive any such response, the Chief Probation Officer shall consider all information received in regard to the recommended discipline. The Chief Probation Officer shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief Probation Officer has issued a written decision, the discipline shall become effective.

810.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief Probation Officer or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).
810.10.4 NOTICE REQUIREMENTS
The disposition of any civilian’s complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

810.11 PRE-DISCIPLINE EMPLOYEE RESPONSE
The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief Probation Officer after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

(a) The response is not intended to be an adversarial or formal hearing.

(b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.

(c) The employee may suggest that further investigation could be conducted, or the employee may offer any additional information or mitigating factors for the Chief Probation Officer to consider.

(d) In the event that the Chief Probation Officer elects to conduct further investigation, the employee shall be provided with the results before the imposition of any discipline.

(e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief Probation Officer on the limited issues of information raised in any subsequent materials.

810.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE
In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

810.13 POST-DISCIPLINE APPEAL RIGHTS
Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, memorandum of understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that an officer has been placed on a Brady list or is otherwise subject to Brady restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such Brady evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).
810.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS
At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary officer subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief Probation Officer or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief Probation Officer shall be final.

810.15 RETENTION OF PERSONNEL INVESTIGATION FILES
All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.
Safety Belts

811.1 PURPOSE AND SCOPE
This policy establishes guidelines for the use of safety belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

811.1.1 DEFINITIONS
Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and regulations set forth in 49 CFR 571.213 and Vehicle Code § 27360.

811.2 POLICY
It is the policy of the Butte County Probation Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle accident.

811.3 WEARING OF SAFETY RESTRAINTS
All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased, or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seatbelt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

811.4 TRANSPORTING CHILDREN
Child passengers younger than 8 years old shall be transported using an approved child restraint system in compliance with Vehicle Code § 27360.

Rear-seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of safety belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.
811.5 TRANSPORTING PERSONS IN CUSTODY
Persons in custody should be in a seated position and secured in the rear seat of any department vehicle with a transport restraint system or, when a transport restraint system is not available, by safety belts provided by the vehicle manufacturer. The transport restraint system is not intended to be a substitute for handcuffs or other appendage restraints. See the Transporting Persons in Custody Policy.

Persons in custody in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

811.6 INOPERABLE SEAT BELTS
Department vehicles shall not be operated when the safety belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the safety belt is inoperable.

Department vehicle safety belts shall not be modified, removed, deactivated, or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief Probation Officer.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

811.7 VEHICLES MANUFACTURED WITHOUT SAFETY BELTS
Vehicles manufactured and certified for use without safety belts or other restraint systems are subject to the manufacturer’s operator requirements for safe use.

811.8 VEHICLE AIRBAGS
In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

812.1 PURPOSE AND SCOPE
This policy governs maintenance and access to personnel records. Personnel records include any file maintained under an individual member's name. Members shall also refer to Personnel Rules 3.4 and 3.9.

   2. Disciplinary action resulting from a sustained civilian's complaint shall be maintained pursuant to the established records retention schedule and at least five years (Penal Code § 832.5).

(f) Adverse comments such as supervisor notes or memos may be retained in the department file after the member has had the opportunity to read and initial the comment (Government Code § 3305).
   1. Once a member has had an opportunity to read and initial any adverse comment, the member shall be given the opportunity to respond in writing to the adverse comment within 30 days (Government Code § 3306).
   2. Any member response shall be attached to and retained with the original adverse comment (Government Code § 3306).
   3. If a member refuses to initial or sign an adverse comment, at least one supervisor should note the date and time of such refusal on the original comment and the member should sign or initial the noted refusal. Such a refusal, however, shall
not be deemed insubordination, nor shall it prohibit the entry of the adverse comment into the member's file (Government Code § 3305).

(g) Commendations and awards.

(h) Any other information, the disclosure of which would constitute an unwarranted invasion of personal privacy.

812.4 SUPERVISOR FILE
Supervisor files may be separately maintained internally by a member's supervisor for the purpose of completing timely performance evaluations. The Supervisor file may contain supervisor comments, notes, notices to correct, and other materials that are intended to serve as a foundation for the completion of timely performance evaluations.

All materials intended for this interim file shall be provided to the employee prior to being placed in the file in accordance with Government Code § 3305 and Government Code § 3306.

812.5 TRAINING FILE
An individual training file shall be maintained by the Training Coordinator for each member. Training files will contain records of all training; original or photocopies of available certificates, transcripts, diplomas, and other documentation; and education and firearms qualifications. Training records may also be created and stored remotely, either manually or automatically (e.g., Daily Training Bulletin records).

(a) The involved member is responsible for providing the Training Coordinator or immediate supervisor with evidence of completed training/education in a timely manner.

(b) The Training Coordinator or supervisor shall ensure that copies of such training records are placed in the member's training file.

812.6 ASSISTANT CHIEF PROBATION OFFICER FILE
Internal affairs files shall be maintained under the exclusive control of the Assistant Chief Probation Officer in conjunction with the office of the Chief Probation Officer. Access to these files may only be approved by the Chief Probation Officer or the Assistant Chief Probation Officer supervisor.

These files shall contain the complete investigation of all formal complaints of member misconduct, regardless of disposition (Penal Code § 832.12). Investigations of complaints that result in the following findings shall not be placed in the member's department file but will be maintained in the internal affairs file:

(a) Not sustained

(b) Unfounded

(c) Exonerated

Investigation files arising out of civilian complaints shall be maintained pursuant to the established records retention schedule and for a period of at least five years. Investigations that resulted
Personnel Records

in other than a sustained finding may not be used by the department to adversely affect an employee’s career (Penal Code § 832.5).

Investigation files arising out of internally generated complaints shall be maintained pursuant to the established records retention schedule and for at least two years (Government Code § 26202; Government Code § 34090).

812.7 MEDICAL FILE
A medical file shall be maintained separately from all other personnel records and shall contain all documents relating to the member’s medical condition and history, including but not limited to:

(a) Materials relating to a medical leave of absence, including leave under the Family and Medical Leave Act (FMLA).
(b) Documents relating to workers’ compensation claims or the receipt of short- or long-term disability benefits.
(c) Fitness-for-duty examinations, psychological and physical examinations, follow-up inquiries, and related documents.
(d) Medical release forms, doctor’s slips, and attendance records that reveal a member’s medical condition.
(e) Any other documents or materials that reveal the member’s medical history or medical condition, including past, present, or future anticipated mental, psychological, or physical limitations.

812.8 SECURITY
Personnel records should be maintained in a secured location and locked either in a cabinet or access-controlled room. Personnel records maintained in an electronic format should have adequate password protection.

Personnel records are subject to disclosure only as provided in this policy, the Records Maintenance and Release Policy, or according to applicable discovery procedures.

Nothing in this policy is intended to preclude review of personnel records by the County Counsel or other attorneys or representatives of the County in connection with official business.

812.8.1 REQUESTS FOR DISCLOSURE
Any member receiving a request for a personnel record shall promptly notify the Administrative Coordinator or other person charged with the maintenance of such records.

Upon receipt of any such request, the responsible person shall notify the affected member as soon as practicable that such a request has been made (Evidence Code § 1043).

The responsible person shall further ensure that an appropriate response to the request is made in a timely manner, consistent with applicable law. In many cases, this may require assistance of available legal counsel.
All requests for disclosure that result in access to a member’s personnel records shall be logged in the corresponding file.

812.8.2 RELEASE OF PERSONNEL INFORMATION
Personnel records shall not be disclosed except as allowed by law. (Evidence Code § 1043; Penal Code § 832.7) (See the Records Maintenance and Release Policy).

Any person who maliciously, and with the intent to obstruct justice or the due administration of the laws, publishes, disseminates, or otherwise discloses the residence address or telephone number of any member of this department may be guilty of a misdemeanor (Penal Code § 146e).

The Department may release any factual information concerning a disciplinary investigation if the member who is the subject of the investigation (or the member’s representative) publicly makes a statement that is published in the media and that the member (or representative) knows to be false. The disclosure of such information, if any, shall be limited to facts that refute any such false statement (Penal Code § 832.7).

812.9 RELEASE OF PERSONNEL RECORDS AND RECORDS RELATED TO CERTAIN INCIDENTS, COMPLAINTS, AND INVESTIGATIONS OF OFFICERS/AGENTS
Release of personnel records and records related to certain incidents, complaints, and investigations of officers shall be released pursuant to a proper request under the Public Records Act and subject to redaction and delayed release as provided by law.

The Custodian of Records should work as appropriate with the Chief Probation Officer or the Assistant Chief Probation Officer in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes all investigation reports; photographic, audio, and video evidence; transcripts or recordings of interviews; autopsy reports; all materials compiled and presented for review to the district attorney or to any person or body charged with determining whether to file criminal charges against an officer in connection with an incident, or whether the officer's action was consistent with law and [department/agency] policy for purposes for discipline or administrative action, or what discipline to impose or corrective action to take; documents setting forth findings or recommending findings; and copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the Skelly or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation or corrective action (Penal Code § 832.7(b)(2)).

Unless a record or information is confidential or qualifies for delayed disclosure pursuant to Penal Code § 832.7(b)(7) or other law, the following records shall be made available for public inspection upon request (Penal Code § 832.7):

(a) Records relating to the report, investigation, or findings of the following:

   1. The discharge of a firearm at another person by an officer.
2. The use of force against a person resulting in death or great bodily injury (as defined by Penal Code § 243(f)(4) by an officer.

(b) Records relating to an incident where a sustained finding was made by the department or oversight agency regarding (See Personnel Complaints Policy):

1. An officer engaged in sexual assault of a member of the public (as defined by Penal Code § 832.7(b)).

2. Dishonesty of an officer relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another officer including but not limited to any sustained finding of perjury, false statement, filing false reports, destruction, falsifying, or concealing of evidence.

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(3)).

When an investigation involves multiple officers, information about allegations of misconduct, or the analysis or disposition of an investigation of an officer shall not be released unless it relates to a sustained finding of a qualified allegation against the officer. However, factual information about the action of the officer during an incident or the statements of an officer shall be released if the statements are relevant to a sustained finding of a qualified allegation against another officer that is subject to release (Penal Code § 832.7(b)(4)).

812.9.1 REDACTION
The Custodian of Records, in consultation with the Chief Probation Officer or authorized designee, shall redact the following portions of records made available for release (Penal Code § 832.7(b)(5)):

(a) Personal data or information (home address, telephone number, or identities of family members (other than the names and work-related information of officers).

(b) Information to preserve the anonymity of complainants and witnesses.

(c) Personal data or information to protect confidential medical financial or other information where disclosure is prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about misconduct and serious use of force.

(d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the officer or another person.

Additionally, portions of records, including personal identifying information, where on the facts of a particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosure of the information (Penal Code § 832.7(b)(6)).

812.9.2 DELAY OF RELEASE
Unless otherwise directed by the Chief Probation Officer, the Custodian of Records should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure
of records relating to the discharge of a firearm or use of force involving serious bodily injury due to any of the following conditions (Penal Code § 832.7):

(a) Active criminal investigations
   1. Disclosure may be delayed 60 days from the date the use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.
   2. After 60 days from the use of force, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against an officer or against someone other than an officer who used the force.

(b) Filed criminal charges
   1. When charges are filed related to an incident where force was used, disclosure may be delayed until a verdict on those charges is returned at trial, or if a plea of guilty or no contest is entered and the time to withdraw has passed.

(c) Administrative investigations
   1. Disclosure may be delayed until there is a determination from the investigation that the use of force violated law or department policy, but no longer than 180 days after the date of the department discovery or allegation of the use of force or 30 days after the close of any criminal investigation related to the officer use of force, whichever is later.

812.9.3 NOTICE OF DELAY OF RECORDS
When there is justification for delay of disclosure of records relating to the discharge of a firearm or use of force during an active criminal investigation, the Custodian of Records shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

(a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The writing shall also include the estimated date for the disclosure of the withheld information.

(b) In matters where delay is continued beyond the initial 60 days because of criminal enforcement proceedings against an officer or someone other than an officer, the Custodian of Records shall at 180-day intervals as necessary, provide to the requester, in writing, the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner unless:

1. When the criminal proceeding is against someone other than an officer and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding then the department must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about use of serious force by officers.
In cases where an action to compel disclosure brought pursuant to Government Code § 6258 (Proceedings to enforce right to inspect or receive a copy of record), the department may justify delay by filing an application to seal the basis for withholding if disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(7)).

**812.10 MEMBER ACCESS TO OWN PERSONNEL RECORDS**

Any member may request access to the member's own personnel records during the normal business hours of those responsible for maintaining such files. Any member seeking the removal of any item from the member's personnel records shall file a written request to the Chief Probation Officer through the chain of command. The Department shall remove any such item if appropriate, or within 30 days provide the member with a written explanation of why the contested item will not be removed. If the contested item is not removed from the file, the member's request and the written response from the Department shall be retained with the contested item in the member's corresponding personnel record (Government Code § 3306.5).

Members may be restricted from accessing files containing any of the following information:

(a) An ongoing internal affairs investigation to the extent that it could jeopardize or compromise the investigation pending final disposition or notice to the member of the intent to discipline.

(b) Confidential portions of internal affairs files that have not been sustained against the member.

(c) Criminal investigations involving the member.

(d) Letters of reference concerning employment/appointment, licensing, or issuance of permits regarding the member.

(e) Any portion of a test document, except the cumulative total test score for either a section of the test document or for the entire test document.

(f) Materials used by the Department for staff management planning, including judgments or recommendations concerning future salary increases and other wage treatments, management bonus plans, promotions and job assignments, or other comments or ratings used for department planning purposes.

(g) Information of a personal nature about a person other than the member if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy.

(h) Records relevant to any other pending claim between the Department and the member that may be discovered in a judicial proceeding.

**812.11 RETENTION AND PURGING**

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

(a) During the preparation of each member's performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy,
if any, to progressive discipline, training, and career development. Each supervisor responsible for completing the member's performance evaluation should determine whether any prior sustained disciplinary file should be retained beyond the required period for reasons other than pending litigation or other ongoing legal proceedings.

(b) If a supervisor determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Chief Probation Officer.

(c) If, in the opinion of the Chief Probation Officer, a personnel complaint or disciplinary action maintained beyond the required retention period is no longer relevant, all records of such matter may be destroyed in accordance with the established records retention schedule.
Request for Change of Assignment

813.1 PURPOSE AND SCOPE
This policy establishes guidelines for department members to request a change of assignment.

813.2 POLICY
It is the policy of the Butte County Probation Department that all requests for change of assignment be considered in an equitable and nondiscriminatory manner.

813.3 REQUEST FOR CHANGE OF ASSIGNMENT
On an annual basis, all staff are encouraged to submit a Unit Preference Form indicating his/her top three unit preferences.

(a) If an employee wishes to remain in their current assignment, he/she should indicate that as their first choice on the Unit Preference Form.

(b) Employees should list three different choices when completing the Unit Preference Form.

Fitness for Duty

815.1 PURPOSE AND SCOPE
Monitoring members’ fitness for duty is essential for the safety and welfare of the members of the Department and the community. The purpose of this policy is to require that all members of this department remain fit for duty and able to perform their job functions (Government Code § 1031). Members shall also refer to Personnel Rule 7.12.

815.2 POLICY
The Butte County Probation Department strives to provide a safe and productive work environment and ensure that all members of this department can safely and effectively perform the essential functions of their jobs. Under limited circumstances, the Department may require a professional evaluation of a member’s physical and/or mental capabilities to determine the member’s ability to perform essential functions.

815.3 MEMBER RESPONSIBILITIES
It is the responsibility of each member of this department to maintain physical stamina and psychological stability sufficient to safely and effectively perform the essential duties of the position.

During working hours, all members are required to be alert, attentive, and capable of performing their assigned responsibilities.

Any member who feels unable to perform duties shall promptly notify a supervisor. In the event that a member believes that another department member is unable to perform duties, such observations and/or belief shall be promptly reported to a supervisor.

815.4 SUPERVISOR RESPONSIBILITIES
All supervisors should be alert to any indication that a member may be unable to safely perform any duties due to an underlying physical or psychological impairment or condition.

815.4.1 REPORTING
A supervisor observing a member, or receiving a report of a member, who is perceived to be unable to safely or effectively perform duties shall promptly document all objective information and/or observations.

The supervisor should attempt to meet with the member to inquire about the conduct or behavior giving rise to the concerns.

If a meeting does not resolve the supervisor’s concerns or does not take place, the supervisor shall promptly document the observations and actions in a written report and inform the Supervisor or the member’s Assistant Chief Probation Officer.

815.4.2 DUTY STATUS
In conjunction with the member’s Assistant Chief Probation Officer, the Supervisor should make a preliminary determination regarding the member’s duty status.

If a determination is made that the member can safely and effectively perform the essential functions of the job, the member should be returned to duty and arrangements made for appropriate follow-up.

If a preliminary determination is made that the member’s conduct or behavior represents an inability to safely and effectively perform the essential functions of the job, the Supervisor or the member’s Assistant Chief Probation Officer should immediately relieve the member of duty pending further evaluation.

The Assistant Chief Probation Officer shall be promptly notified in the event that any member is relieved of duty.

815.5 FITNESS-FOR-DUTY EVALUATIONS

815.5.1 PROCESS
The Assistant Chief Probation Officer, in cooperation with Human Resources Department, may order the member to undergo a fitness-for-duty evaluation.

Meal Periods and Breaks

816.1 PURPOSE AND SCOPE
This policy provides general guidance regarding the availability of meal periods and breaks. Members are referred to their respective Memorandum of Understanding and Personnel Rule 12.7 for this policy.
Lactation Breaks

817.1 PURPOSE AND SCOPE
The purpose of this policy is to provide reasonable accommodations to members desiring to express breast milk for the member’s infant child (Labor Code § 1034).

817.2 POLICY
It is the policy of the Butte County Probation Department to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any member desiring to express breast milk for her infant nursing child (29 USC § 207; Labor Code § 1030).

817.3 LACTATION BREAK TIME
A rest period should be permitted each time the member has the need to express breast milk (29 USC § 207; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the member’s regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Members desiring to take a lactation break shall notify a supervisor before taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

817.4 PRIVATE LOCATION
The Department will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member’s work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from coworkers and the public (29 USC § 207; Labor Code § 1031).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.
Lactation Breaks

817.5 STORAGE OF EXPRESSED MILK
Any member storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the member’s shift ends.

817.6 STATE REQUIREMENTS
Employees have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding the reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Employees who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commissioner (Labor Code § 1033).

818.2 POLICY

818.3 RESPONSIBILITIES
Members are responsible for the accurate completion and timely submission of their payroll records for the payment of wages.

Supervisors are responsible for approving the payroll records for those under their direction.

818.4 TIME REQUIREMENTS
Members who are eligible for the payment of wages are paid on a scheduled, periodic basis, generally on the same day or date each period, with certain exceptions such as holidays. Payroll records shall be completed and submitted to Administration as established by the County payroll procedures.

818.5 RECORDS
The Fiscal Supervisor shall ensure that accurate and timely payroll records are maintained as required by 29 CFR 516.2 for a minimum of three years (29 CFR 516.5).
Overtime Compensation

819.1 PURPOSE AND SCOPE
This policy establishes guidelines and procedures regarding overtime for employees, in conformance with the Fair Labor Standards Act (FLSA) (29 USC § 201 et seq.). Members shall also refer to their respective Memorandum of Understanding and Personnel Rule 11.14.

819.2 POLICY
The Butte County Probation Department will compensate nonexempt employees who work authorized overtime either by payment of wages or by the accrual of compensatory time (29 CFR 553.22). Employees who are salary exempt from FLSA are not compensated for overtime worked.

819.3 COMPENSATION
Payment of wages to nonexempt employees for overtime, or accrual of compensatory time in lieu of compensation for overtime worked, shall be at the rate of not less than one and one-half hours for each hour of employment for which overtime compensation is required (29 USC § 207(k)(2); 29 USC § 207(o)(1)).

Short periods of overtime worked at the end of the normal duty day (e.g., less than one hour in duration) may be handled informally by an agreement between the supervisor and the employee. In such cases, the supervisor shall document the overtime worked and schedule a subsequent shift adjustment within the same work period that the overtime was worked, rather than submit a request for overtime compensation (29 USC § 207(k)).

Salary exempt employees may be eligible for administrative leave, which may be granted at the discretion of the exempt employee’s immediate supervisor and/or in accordance with the County’s Personnel Rules.

819.4 REQUESTS FOR OVERTIME COMPENSATION

819.4.1 EMPLOYEE RESPONSIBILITIES
Generally, no employee is authorized to work overtime without the prior approval of a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of the shift in which the overtime is worked.

Nonexempt employees shall:
(a) Obtain supervisory approval, verbal or written.
(b) Not work in excess of 16 hours, including regularly scheduled work time, overtime, and extra-duty time, in any consecutive 24-hour period without supervisory approval.
(c) Record the actual time worked in an overtime status using the department-approved form or method. Informal notations on reports, logs, or other forms not approved for overtime recording are not acceptable.
Overtime Compensation

(d) Submit the request for overtime compensation to their supervisors by the end of shift or no later than the next calendar day.

819.4.2 SUPERVISOR RESPONSIBILITIES

Supervisors shall:

(a) Prior to authorizing an employee to work overtime, evaluate the need for the overtime and request authorization from the assigned Assistant Chief Probation Officer.

1. Supervisors should not authorize any request to work overtime if the overtime would not be an appropriate use of department resources.

(b) Upon receipt of a request for overtime compensation, confirm that the overtime was authorized and then verify the actual time worked.

1. Supervisors identifying any unauthorized overtime or discrepancy shall initiate an investigation consistent with the Personnel Complaints Policy.

Supervisors may not authorize or approve their own overtime.
Outside Employment and Outside Overtime

820.1 PURPOSE AND SCOPE
This policy provides guidelines for department members who seek to engage in authorized outside employment or outside overtime. Members are to refer to Personnel Rule 7.8 for this policy.
Work-Related Illness and Injury Reporting

821.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance regarding timely reporting of occupational diseases, mental health issues, and work-related injuries.

821.1.1 DEFINITIONS
Definitions related to this policy include:

Occupational disease or work-related injury - An injury, disease, or mental health issue arising out of employment (Labor Code § 3208; Labor Code § 3208.3; Labor Code § 3212 et seq.).

821.2 POLICY
The Butte County Probation Department will address work-related injuries appropriately, and will comply with applicable state workers’ compensation requirements (Labor Code § 3200 et seq.).

821.3 RESPONSIBILITIES

821.3.1 MEMBER RESPONSIBILITIES
Any member suffering from any occupational illness or work-related injury shall report such event as soon as practicable, but within 24 hours to a supervisor, and shall seek medical care when appropriate (8 CCR 14300.35).

821.3.2 SUPERVISOR RESPONSIBILITIES
A supervisor learning of any work-related injury or occupational illness should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required documents regarding workers’ compensation are completed and forwarded promptly. Any related Countywide injury- or illness-reporting protocol shall also be followed.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

821.3.3 ASSISTANT CHIEF PROBATION OFFICER RESPONSIBILITIES
The Assistant Chief Probation Officer who receives a report of an occupational illness or work-related injury should review the report for accuracy and determine what additional action should be taken. The report shall then be forwarded to the Chief Probation Officer or authorized designee, the County’s risk management entity, and the Administrative Coordinator to ensure any required Division of Occupational Safety and Health (Cal/OSHA) reporting is made as required in the illness and injury prevention plan identified in the Illness and Injury Prevention Policy.
821.3.4 CHIEF PROBATION OFFICER RESPONSIBILITIES
The Chief Probation Officer or authorized designee shall review and forward copies of the report to the Human Resources Department. Copies of the report and related documents retained by the Department shall be filed in the member’s confidential medical file.

821.4 OTHER ILLNESS OR INJURY
Illnesses and injuries caused or occurring on-duty that do not qualify for workers’ compensation reporting shall be documented on the designated report of injury form, which shall be signed by a supervisor. A copy of the completed form shall be forwarded to the appropriate Chief Deputy through the chain of command and a copy sent to the Chief Probation Officer or authorized designee.

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating no medical attention was desired at the time of the report. By signing, the member does not preclude the ability to later seek medical attention.

821.5 SETTLEMENT OFFERS
When a member sustains an occupational illness or work-related injury that is caused by another person and is subsequently contacted by that person, the person’s agent, insurance company, or attorney and offered a settlement, the member shall take no action other than to submit a written report of this contact to a supervisor as soon as possible.

821.5.1 NO SETTLEMENT WITHOUT PRIOR APPROVAL
No less than 10 days prior to accepting and finalizing the settlement of any third-party claim arising out of or related to an occupational illness or work-related injury, the member shall provide the Chief Probation Officer or authorized designee with written notice of the proposed terms of such settlement. In no case shall the member accept a settlement without first providing written notice to the Chief Probation Officer or authorized designee. The purpose of such notice is to permit the County to determine whether the offered settlement will affect any claim the County may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the illness or injury, and to protect the County’s right of subrogation, while ensuring that the member’s right to receive compensation is not affected.
Conflict of Interest

822.1 PURPOSE AND SCOPE
The purpose of this policy is to assist members in recognizing and avoiding potential conflicts of interest, thereby ensuring effective and ethical operating practices on the part of the Butte County Probation Department.

822.1.1 DEFINITIONS
Definitions related to this policy include:

Conflict of interest - Any actual, perceived, or potential conflict in which it reasonably appears that a member’s action, inaction, or decisions are or may be influenced by a personal or business relationship.

822.2 POLICY

   1. If circumstances require that such a supervisor/subordinate relationship exist temporarily, the supervisor shall make every reasonable effort to defer matters pertaining to the involved member to an uninvolved supervisor.
   2. When personnel and circumstances permit, the Department will attempt to make every reasonable effort to avoid placing members in such supervisor/subordinate situations. The Department, however, reserves the right to transfer or reassign any member to another position within the same classification to avoid conflicts with any provision of this policy.

(b) Members are prohibited from participating in, contributing to, or recommending promotions, assignments, performance evaluations, transfers, or other personnel decisions affecting a member who is a relative or with whom they are involved in a personal or business relationship.

(c) Whenever possible, field training officers (FTOs) and other trainers will not be assigned to train relatives. Department FTOs and other trainers are prohibited from entering into or maintaining personal or business relationships with any member they are assigned to train until such time as the training has been successfully completed and the person is off probation.
822.4 MEMBER RESPONSIBILITIES
Members shall avoid situations that create a conflict of interest. Members should take reasonable steps to address a perception of a conflict of interest when such a perception is reasonably foreseeable and avoidable (e.g., deferring a decision to an uninvolved member).

Whenever any member is placed in circumstances that would require the member to take enforcement action or provide official information or services to any relative or individual with whom the member is involved in a personal or business relationship, that member shall promptly notify an uninvolved, immediate supervisor.

If no uninvolved supervisor is immediately available, the member shall promptly notify the Chief Probation Officer or the authorized designee to have another uninvolved member either relieve the involved member or, minimally, remain present to witness the action.

822.5 SUPERVISOR RESPONSIBILITIES
Upon being notified of or otherwise becoming aware of any circumstance that could result in or constitute an actual or potential violation of this policy, a supervisor shall take all reasonable steps to promptly mitigate or avoid such violations whenever possible. Only patches issued by this department are authorized to be displayed or worn by members while on-duty or otherwise acting in an official or authorized capacity.

Members, with the written approval of the Chief Probation Officer, may request additional patches, at their own expense.

823.7 IDENTIFICATION CARDS
All members will be issued an official BCPD identification card bearing the member’s name, full-face photograph, member identification number, member’s signature, and signature of the Chief Probation Officer or the official seal of the Department. All members shall be in possession of their department-issued identification cards at all times while on-duty or in department facilities.

Members should provide a business card to any member of the public who requests one.
Temporary Modified-Duty Assignments

824.1 PURPOSE AND SCOPE
This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, County rules, or current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

824.2 POLICY
Subject to operational considerations, the Butte County Probation Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work while providing the Department with a productive employee during the temporary period.

824.3 GENERAL CONSIDERATIONS
Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act shall be treated equally, without regard to any preference, for a work-related injury (Government Code § 12940 et seq.).

No position in the Butte County Probation Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee’s ability to perform in a modified-duty assignment.

The Chief Probation Officer or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating a department vehicle, or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

824.4 PROCEDURE
Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.
Temporary Modified-Duty Assignments

(b) The prognosis for recovery.
(c) The nature and scope of limitations and/or work restrictions.
(d) A statement regarding any required workplace accommodations, mobility aids, or medical devices.
(e) A statement that the employee can safely perform the duties of the temporary modified-duty assignment.

The Assistant Chief Probation Officer will make a recommendation through the chain of command to the Chief Probation Officer regarding temporary modified-duty assignments that may be available based on the needs of the Department and the limitations of the employee. The Chief Probation Officer or the authorized designee shall confer with the Human Resources Department or the County Counsel as appropriate.

Requests for a temporary modified-duty assignment of 20 hours or less per week may be approved and facilitated by the Assistant Chief Probation Officer, with notice to the Chief Probation Officer or authorized designee.

824.5 ACCOUNTABILITY
Written notification of assignments, work schedules, and any restrictions should be provided to employees assigned to temporary modified-duty assignments and their supervisors. Those assignments and schedules may be adjusted to accommodate department operations and the employee’s medical appointments, as mutually agreed upon with the Assistant Chief Probation Officer.

824.5.1 EMPLOYEE RESPONSIBILITIES
The responsibilities of employees assigned to temporary modified duty shall include but are not limited to:

(a) Communicating and coordinating any required medical and physical therapy appointments in advance with their supervisors.
(b) Promptly notifying their supervisors of any change in restrictions or limitations after each appointment with their treating medical professionals.
(c) Communicating a status update to their supervisors no less than once every 30 days while assigned to temporary modified duty.
(d) Submitting a written status report to the Assistant Chief Probation Officer that contains a status update and anticipated date of return to full duty when a temporary modified-duty assignment extends beyond 60 days.
Temporary Modified-Duty Assignments

The employee’s immediate supervisor shall monitor and manage the work schedule of those assigned to temporary modified duty.

The responsibilities of supervisors shall include but are not limited to:

(a) Periodically apprising the Assistant Chief Probation Officer of the status and performance of employees assigned to temporary modified duty.

(b) Notifying the Assistant Chief Probation Officer and ensuring that the required documentation facilitating a return to full duty is received from the employee.

(c) Ensuring that employees returning to full duty have completed any required training and certification.

824.6 MEDICAL EXAMINATIONS
Prior to returning to full-duty status, employees shall be required to provide certification from their treating medical professionals stating that they are medically cleared to perform the essential functions of their jobs without restrictions or limitations.

The Department may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

824.7 PREGNANCY
If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth, or a related medical condition, the employee will be treated the same as any other employee with a temporary disability. A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment (42 USC § 2000e(k)).

824.7.1 NOTIFICATION
Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the County’s personnel rules and regulations regarding family and medical care leave.

824.8 PROBATIONARY EMPLOYEES
Probationary employees who are assigned to a temporary modified-duty assignment may have their probation extended by a period of time equal to their assignment to temporary modified duty.

824.9 MAINTENANCE OF CERTIFICATION AND TRAINING
Employees assigned to temporary modified duty shall maintain all certification, training, and qualifications appropriate to both their regular and temporary duties, provided that the certification, training, or qualifications are not in conflict with any medical limitations or restrictions. Employees who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training, or qualifications.

825.1  PURPOSE AND SCOPE
This policy is intended to address issues associated with the use of social networking sites, and provides guidelines for the regulation and balancing of member speech and expression with the needs of the Butte County Probation Department.

This policy applies to all forms of communication including but not limited to film video, print media, public or private speech, and use of all internet services, including the web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video, and other file-sharing sites.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech, or expression that is protected under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit a member from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, about matters of public concern, such as misconduct or corruption.

Members are encouraged to consult with their supervisors regarding any questions arising from the application or potential application of this policy.

825.2  POLICY
Members of public entities occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of the Butte County Probation Department. Due to the nature of the work and influence associated with the probation profession, it is necessary that members of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Department will carefully balance the individual member’s rights against the needs and interests of the Department when exercising a reasonable degree of control over its members’ speech and expression.

825.3  SAFETY
Members should carefully consider the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of Butte County Probation Department members, such as posting personal information in a public forum or posting a photograph taken with a GPS-enabled camera, can result in compromising a member’s home address or family ties. Members should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any member, a member’s family, or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an officer who is working in a specialized assignment or interagency task force.
Speech, Expression, and Social Networking

- Disclosing the address of a fellow department member.
- Otherwise disclosing where another officer can be located off-duty.

825.4 PROHIBITED SPEECH, EXPRESSION, AND CONDUCT

To meet the safety, performance, and public-trust needs of the Butte County Probation Department, the following are prohibited unless the speech is otherwise protected (for example, a member speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, on a matter of public concern):

(a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation, or professionalism of the Department or its members.

(b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Department and tends to compromise or damage the mission, function, reputation, or professionalism of the Department or its members. Examples may include:
   1. Statements that indicate disregard for the law or the state or U.S. constitutions.
   2. Expression that demonstrates support for criminal activity.
   3. Participation in sexually explicit photographs or videos for compensation or distribution.

(c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the member as a witness. For example, posting to a website statements or expressions that glorify or endorse dishonesty, unlawful discrimination, or illegal behavior.

(d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the members of the Department (e.g., a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape).

(e) Speech or expression that is contrary to the canons of the Probation Code of Ethics as adopted by the Department.

(f) Use or disclosure, through whatever means, of any information, photograph, video, or other recording obtained or accessible as a result of employment or appointment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief Probation Officer or the authorized designee.

(g) Posting, transmitting, or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment, or other material that specifically identifies the Butte County Probation Department on any personal or social networking or other website or web page, without the express authorization of the Chief Probation Officer.
Speech, Expression, and Social Networking

Members must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

825.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS
While members are not restricted from engaging in the following activities as private citizens or as authorized members of recognized bargaining units or employee groups, members may not represent the Butte County Probation Department or identify themselves in any way that could be reasonably perceived as representing the Department in order to do any of the following, unless specifically authorized by the Chief Probation Officer (Government Code § 3206; Government Code §:

(a) Endorse, support, oppose, or contradict any political campaign or initiative.
(b) Endorse, support, oppose, or contradict any social issue, cause, or religion.
(c) Endorse, support, or oppose any product, service, company, or other commercial entity.
(d) Appear in any commercial, social, or nonprofit publication or any motion picture, film, video, or public broadcast, or on any website.

Additionally, when it can reasonably be construed that a member, acting in the individual's own capacity or through an outside group or organization, including as an authorized member of a recognized bargaining unit or an employee group, is affiliated with this department, the member shall give a specific disclaiming statement that any such speech or expression is not representative of the Butte County Probation Department.

Members retain their rights to vote as they choose, to support candidates of their choice, and to express their opinions as private citizens, including as authorized members of recognized bargaining units or employee groups, on political subjects and candidates at all times while off-duty. However, members may not use their official authority or influence to interfere with or affect the result of elections or nominations for office. Members are also prohibited from directly or indirectly using their official authority to coerce, command, or advise another employee to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for political purposes (5 USC § 1502).

825.5 PRIVACY EXPECTATION
Members forfeit any expectation of privacy with regard to emails, texts, or anything published or maintained through file-sharing software or any internet site (e.g., Facebook, Twitter, SnapChat, MySpace) that is accessed, transmitted, received, or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

The department shall not require an employee to disclose a personal username or password for accessing personal social media or to open a personal social website; however, the department may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).
825.6 CONSIDERATIONS
In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief Probation Officer or the authorized designee should consider include:

(a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.

(b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.

(c) Whether the speech or conduct would reflect unfavorably upon the Department.

(d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of duties.

(e) Whether similar speech or conduct has been previously authorized.

(f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

825.7 TRAINING
Subject to available resources, the Department should provide periodic training regarding the limitations on speech, expression, and use of social networking to all members of the Department.
Illness and Injury Prevention

826.1 PURPOSE AND SCOPE
The purpose of this policy is to establish an ongoing and effective plan to reduce the incidence of illness and injury for members of the Butte County Probation Department, in accordance with the requirements of 8 CCR 3203.

This policy specifically applies to illness and injury that results in lost time or that requires medical treatment beyond first aid. Although this policy provides the essential guidelines for a plan that reduces illness and injury, it may be supplemented by procedures outside the Policy Manual.

   8. Assess the effectiveness of efforts made by the Department to meet applicable standards.
(f) Establishing a process to ensure illnesses and injuries are reported as required by the Division of Occupational Safety and Health Administration (Cal/OSHA) (8 CCR 342).

826.4 ASSISTANT CHIEF PROBATION OFFICER RESPONSIBILITIES
The responsibilities of the Assistant Chief Probation Officer include but are not limited to:

(a) Managing and implementing a plan to reduce the incidence of member illness and injury.

(b) Ensuring that a system of communication is in place that facilitates a continuous flow of safety and health information between supervisors and members. This system shall include:
   1. New member orientation that includes a discussion of safety and health policies and procedures.
   2. Regular member review of the illness and injury prevention plan.

(c) Ensuring that all safety and health policies and procedures are clearly communicated and understood by all members.

(d) Taking reasonable steps to ensure that all members comply with safety rules to maintain a safe work environment. This includes but is not limited to:
   1. Informing members of the illness and injury prevention guidelines.
   2. Recognizing members who perform safe work practices.
   3. Ensuring that the member evaluation process includes member safety performance.
   4. Ensuring department compliance to meet standards regarding the following:
      (a) Respiratory protection (8 CCR 5144)
      (b) Bloodborne pathogens (8 CCR 5193)
      (c) Aerosol transmissible diseases (8 CCR 5199)
      (d) Heat illness (8 CCR 3395)

(f) Making available a form to document individual incidents or accidents.

(g) Making available a form to document the safety and health training of each member. This form will include the member’s name or other identifier, training dates, type of training, and training providers.

(h) Conducting and documenting a regular review of the illness and injury prevention plan.
826.5 SUPERVISOR RESPONSIBILITIES
Supervisor responsibilities include but are not limited to:

(a) Ensuring member compliance with illness and injury prevention guidelines and answering questions from members about this policy.

(b) Training, counseling, instructing, or making informal verbal admonishments any time safety performance is deficient. Supervisors may also initiate discipline when it is reasonable and appropriate under the Standards of Conduct Policy.

(c) Establishing and maintaining communication with members on health and safety issues. This is essential for an injury-free, productive workplace.

(d) Completing required forms and reports relating to illness and injury prevention; such forms and reports shall be submitted to the Administration.

(e) Notifying the Administration when:
   1. New substances, processes, procedures, or equipment that present potential new hazards are introduced to the work environment.

   4. New and/or permanent or intermittent members are hired or reassigned to processes, operations, or tasks for which a hazard evaluation has not been previously conducted.
   5. Workplace conditions warrant an inspection.

826.6 HAZARDS
All members should report and/or take reasonable steps to correct unsafe or unhealthy work conditions, practices, or procedures in a timely manner. Members should make their reports to a supervisor (as a general rule, their own supervisors).

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner, based on the severity of the hazard. These hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering members or property, supervisors should protect or remove all exposed members from the area or item, except those necessary to correct the existing condition.

Members who are necessary to correct the hazardous condition shall be provided with the necessary protection.

All significant actions taken and dates they are completed shall be documented on the appropriate form. This form should be forwarded to the Assistant Chief Probation Officer via the chain of command.

The Assistant Chief Probation Officer will take appropriate action to ensure the illness and injury prevention plan addresses potential hazards upon such notification.
826.7 INSPECTIONS
Safety inspections are crucial to a safe work environment. These inspections identify and evaluate workplace hazards and permit mitigation of those hazards. A hazard assessment checklist should be used for documentation and to ensure a thorough assessment of the work environment.

The Assistant Chief Probation Officer shall ensure that the appropriate documentation is completed for each inspection.

826.7.1 EQUIPMENT
Members are charged with daily vehicle inspections of their assigned vehicles and of their PPE prior to working in the field. Members shall complete the appropriate form if an unsafe condition cannot be immediately corrected. Members should forward this form to their supervisors.

826.8 INVESTIGATIONS
Any member suffering from any work-related illness or injury, as well as any member who is involved in any accident or hazardous substance exposure while on-duty, shall report such event as soon as practicable to a supervisor. Members observing or learning of a potentially hazardous condition are to promptly report the condition to their immediate supervisors.

A supervisor receiving such a report should personally investigate the incident or ensure that an investigation is conducted. Investigative procedures for workplace accidents and hazardous substance exposures should include:

(a) A visit to the accident scene as soon as possible.
(b) An interview of the injured member and witnesses.
(c) An examination of the workplace for factors associated with the accident/exposure.
(d) Determination of the cause of the accident/exposure.
(e) Corrective action to prevent the accident/exposure from reoccurring.
(f) Documentation of the findings and corrective actions taken.

Additionally, the supervisor should proceed with the steps to report an on-duty injury, as required under the Work-Related Illness and Injury Reporting Policy, in conjunction with this investigation to avoid duplication and ensure timely reporting.

826.9 TRAINING
The Assistant Chief Probation Officer should work with the Training Coordinator to provide all members, including managers, with training on general and job-specific workplace safety and health practices. Training shall be provided:

(a) To managers to familiarize them with the safety and health hazards to which members under their immediate direction and control may be exposed.
(b) To all members with respect to hazards specific to each member’s job assignment.
(c) To all members given new job assignments for which training has not previously been provided.
Illness and Injury Prevention

Line-of-Duty Deaths

827.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members of the Butte County Probation Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member’s survivors.

The Chief Probation Officer may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

827.1.1 DEFINITIONS
Definitions related to this policy include:

**Line-of-duty death** - The death of a sworn member during the course of performing probation-related functions while on- or off-duty, or a civilian/non-sworn member during the course of performing their assigned duties.

**Survivors** - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual’s relationship with the member and whether the individual was previously designated by the deceased member.

827.2 POLICY
It is the policy of the Butte County Probation Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

827.3 INITIAL ACTIONS BY COMMAND STAFF

(a) Upon learning of a line-of-duty death, the deceased member’s supervisor should provide all reasonably available information to the Department.

1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Media Contact section of this policy).

(b) The Assistant Chief Probation Officer should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.

(c) If the member has been transported to the hospital, the Assistant Chief Probation Officer or the designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.
Line-of-Duty Deaths

(d) The Chief Probation Officer or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

827.4 NOTIFYING SURVIVORS
Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief Probation Officer or the authorized designee should review the deceased member’s emergency contact information and emergency notification form, if one exists, and make accommodations to respect the member’s wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member’s wishes.

The Chief Probation Officer, Assistant Chief Probation Officer, or the authorized designee should select at least two members, or one member and a member of the clergy, to conduct notification of survivors.

Notifying members should:

(a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.

(b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child’s age, maturity, and current location (e.g., small children at home, children in school).

(c) Plan for concerns such as known health concerns of survivors or language barriers.

(d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles when possible. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.

(e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.

(f) If making notification at a survivor’s workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
(g) Offer to call other survivors, friends, or clergy to support the survivors and to avoid leaving survivors alone after notification.

(h) Assist the survivors with meeting childcare or other immediate needs.

(i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes, and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.

(j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.

(k) Provide their contact information to the survivors before departing.

(l) Document the survivors’ names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.

(m) Inform the Chief Probation Officer or the authorized designee once survivor notifications have been made so that other Butte County Probation Department members may be apprised that survivor notifications are complete.

827.4.1 OUT-OF-AREA NOTIFICATIONS
The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

(a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.

(b) The Department Liaison may assist in making transportation arrangements for the member’s survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief Probation Officer.

827.5 NOTIFYING DEPARTMENT MEMBERS
Supervisors or members designated by the Chief Probation Officer are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., chaplain, counselor, peer support group,
Line-of-Duty Deaths

Employee Assistance Program, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

827.6 LIAISONS AND COORDINATORS
The Chief Probation Officer or the authorized designee should select members to serve as liaisons and coordinators to handle responsibilities related to a line-of-duty death, including but not limited to:

(a) Department Liaison.
(b) Hospital Liaison.
(c) Survivor Support Liaison.
(d) Critical Incident Stress Management (CISM) coordinator.
(e) Funeral Liaison.
(f) Mutual aid coordinator.
(g) Benefits Liaison.
(h) Finance coordinator.

Liaisons and coordinators will be directed by the Department Liaison and should be given sufficient duty time to complete their assignments.

Members may be assigned responsibilities of more than one liaison or coordinator position depending on available department resources. The Department Liaison may assign separate liaisons and coordinators to accommodate multiple family units, if needed.

827.6.1 DEPARTMENT/AGENCY LIAISON
The Department Liaison should be a Assistant Chief Probation Officer or of sufficient rank to effectively coordinate Department resources and should serve as a facilitator between the deceased member’s survivors and the Department. The Department Liaison reports directly to the Chief Probation Officer. The Department Liaison’s responsibilities include but are not limited to:

(a) Directing the other liaisons and coordinators in fulfilling survivors’ needs and requests. Consideration should be given to organizing the effort using the National Incident Management System (NIMS).
(b) Establishing contact with survivors within 24 hours of the incident and providing them contact information.
(c) Advising survivors of the other liaison and coordinator positions and their roles and responsibilities.
(d) Identifying locations that will be sufficient to accommodate visitation and presenting the options to the appropriate survivors, who will select the location.
(e) Coordinating all official law enforcement notifications and arrangements.
(f) Making necessary contacts for authorization to display flags at half-staff.

(g) Ensuring that department members are reminded of appropriate information-sharing restrictions regarding the release of information that could undermine future legal proceedings.

(h) Coordinating security checks of the member’s residence as necessary and reasonable.

(i) Serving as a liaison with visiting law enforcement agencies during memorial and funeral services.

827.6.2 HOSPITAL LIAISON

The Hospital Liaison should work with hospital personnel to:

(a) Arrange for appropriate and separate waiting areas for:
   1. The survivors and others whose presence is requested by the survivors.
   2. Department members and friends of the deceased member.
   3. Media personnel.

(b) Ensure, as much as practicable, that any suspects who are in the hospital and their families or friends are not in close proximity to the member’s survivors or Butte County Probation Department members (except for members who may be guarding the suspect).

(c) Ensure that survivors receive timely updates regarding the member before information is released to others.

(d) Arrange for survivors to have private time with the member, if requested.
   1. The Hospital Liaison or hospital personnel may need to explain the condition of the member to the survivors to prepare them accordingly.
   2. The Hospital Liaison should accompany the survivors into the room, if requested.

(e) Stay with survivors and ensure that they are provided with other assistance as needed at the hospital.

(f) If applicable, explain to the survivors why an autopsy may be needed.

(g) Ensure hospital bills are directed to the Department, that the survivors are not asked to sign as guarantor of payment for any hospital treatment and that the member’s residence address, insurance information, and next of kin are not included on hospital paperwork.

Other responsibilities of the Hospital Liaison include but are not limited to:

- Arranging transportation for the survivors back to their residence.
- Working with investigators to gather and preserve the deceased member’s equipment and other items that may be of evidentiary value.
- Documenting actions at the conclusion of liaison duties.
827.6.3 SURVIVOR SUPPORT LIAISON

The Survivor Support Liaison should work with the Department Liaison to fulfill the immediate needs and requests of the survivors of any member who has died in the line of duty, and serve as the long-term department contact for survivors.

The Survivor Support Liaison should be selected by the deceased member’s Assistant Chief Probation Officer. The following should be considered when selecting the Survivor Support Liaison:

- The liaison should be an individual the survivors know and with whom they are comfortable working. If the member has completed an emergency notification form, it should be used for this purpose.
- If the survivors have no preference, the selection may be made from names recommended by the deceased member’s supervisor and/or coworkers. The deceased member’s partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The responsibilities of the Survivor Support Liaison include but are not limited to:

(a) Arranging for transportation of survivors to hospitals, places of worship, funeral homes, and other locations as appropriate.

(b) Communicating with the Department Liaison regarding appropriate security measures for the family residence, as needed.

(c) If requested by the survivors, providing assistance with instituting methods of screening telephone calls made to their residence after the incident.

(d) Providing assistance with travel and lodging arrangements for out-of-town survivors.

(e) Returning the deceased member’s personal effects from the Department and the hospital to the survivors. The following should be considered when returning the personal effects:

1. Items should not be delivered to the survivors until they are ready to receive the items.
2. Items not retained as evidence should be delivered in a clean, unmarked box.
3. All clothing not retained as evidence should be cleaned and made presentable (e.g., items should be free of blood or other signs of the incident).
4. The return of some personal effects may be delayed due to ongoing investigations.

(f) Assisting with the return of department-issued equipment that may be at the deceased member’s residence.

1. Unless there are safety concerns, the return of the equipment should take place after the funeral at a time and in a manner considerate of the survivors’ wishes.
Line-of-Duty Deaths

(g) Working with the CISM coordinator to ensure that survivors have access to available counseling services.

(h) Coordinating with the Chief Probation Officer or authorized designee to brief the survivors on pending press releases related to the incident and to assist the survivors with media relations in accordance with their wishes (see the Media Contact section of this policy).

(i) Briefing survivors on investigative processes related to the line-of-duty death, such as criminal, internal, and administrative investigations.

(j) Informing survivors of any related criminal proceedings and accompanying them to such proceedings.

(k) Introducing survivors to prosecutors, victim’s assistance personnel, and other involved personnel as appropriate.

(l) Maintaining long-term contact with survivors and taking measures to sustain a supportive relationship (e.g., follow-up visits, phone calls, cards on special occasions, special support during holidays).

(m) Inviting survivors to department activities, memorial services, or other functions as appropriate.

Survivor Support Liaisons providing services after an incident resulting in multiple members being killed should coordinate with and support each other through conference calls or meetings as necessary.

The Department recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

If needed, the Survivor Support Liaison should be issued a personal communication device (PCD) owned by the Department to facilitate communications necessary to the assignment. The department-issued PCD shall be used in accordance with the Personal Communication Devices Policy.

827.6.4 CRITICAL INCIDENT STRESS MANAGEMENT COORDINATOR

The CISM coordinator should work with the Chief Probation Officer or the authorized designee, liaisons, coordinators, and other resources to make CISM and counseling services available to members and survivors who are impacted by a line-of-duty death. The responsibilities of the CISM coordinator include but are not limited to:

(a) Identifying members who are likely to be significantly affected by the incident and may have an increased need for CISM and counseling services, including:

1. Members involved in the incident.
2. Members who witnessed the incident.
3. Members who worked closely with the deceased member but were not involved in the incident.
(b) Ensuring that members who were involved in or witnessed the incident are relieved of department responsibilities until they can receive CISM support as appropriate and possible.

(c) Ensuring that CISM and counseling resources (e.g., peer support, debriefing, grief counselors) are available to members as soon as reasonably practicable following the line-of-duty death.

(d) Coordinating with the Survivor Support Liaison to ensure survivors are aware of available CISM and counseling services and assisting with arrangements as needed.

(e) Following up with members and the Survivor Support Liaison in the months following the incident to determine if additional CISM or counseling services are needed.

827.6.5 FUNERAL LIAISON
The Funeral Liaison should work with the Department Liaison, Survivor Support Liaison, and survivors to coordinate funeral arrangements to the extent the survivors wish. The Funeral Liaison’s responsibilities include but are not limited to:

(a) Assisting survivors in working with the funeral director regarding funeral arrangements and briefing them on probation funeral procedures.

(b) Completing funeral notification to other probation and law enforcement agencies.

(c) Coordinating the funeral activities of the Department or outside assisting agencies, including but not limited to the following:
   1. Honor Guard
      (a) Casket watch
