**Chico Community COVID-19 Clinic Expands Operations, Appointments Recommended**

BUTTE COUNTY, CA – Butte County Public Health (BCPH) will expand operations at the Chico Community COVID-19 Vaccination Clinic for the month of November, every Monday and Tuesday, for the Moderna vaccine. The clinic will remain open every Wednesday afternoon, offering the Pfizer and J&J vaccine. The clinic will be closed the week of Thanksgiving.

In order to maintain social distancing and to meet building capacity requirements, **appointments are strongly recommended for the Chico Community Clinic – a limited number of walk-ins may be available if space allows.**

Appointments for these clinics must be booked electronically by using the California vaccine booking system called [MyTurn.ca.gov](http://MyTurn.ca.gov). For assistance booking online, residents may call the Butte County COVID-19 Call Center at 530-552-3050.

BCPH is working with local partners to add additional clinic days and locations. Once these new clinics are available, the public will be informed through all media outlets.
