

SECTION 7. LIMITED SERVICES

NOTE: *The County may update these measures to align with State requirements and guidance, or other best practices as data becomes available for COVID-19.*

The [CDPH and Cal/OSHA COVID-19 Industry Guidance for Limited Services](#) defines Limited Services as:

*Businesses that can provide services while maintaining appropriate physical distancing from customers or the public. Examples of such businesses include laundromats, dry cleaners, other laundry services, auto repair shops, car washes, landscapers, pet grooming, and dog walking. Additionally, this guidance applies to those businesses for which service provision may necessitate entry to private residences or community facilities, but physical distance can still be maintained. Those businesses include, residential and janitorial cleaning services, HVAC services, appliance repair persons, electricians, plumbers, other mechanical tradespersons, handypersons, and general contractors. Business owners or operators must acknowledge that lessees or subcontractors should only resume operations when they are ready and able to implement the necessary safety measures to provide for their safety and that of their customers. **NOTE:** This guidance is not intended for personal care, in-home healthcare, inhome care, assisted living, and personal care services that necessitate close customer contact, including hair salons, barbershops, nail salons, massage parlors, aestheticians and cosmetology, ear piercing salons, and tattoo parlors.*

In addition to the measures listed in the [CDPH and Cal/OSHA COVID-19 Industry Guidance: Limited Services](#), additional measures have been identified for businesses defined as Limited Services. Employers within this Industry should implement the following measures in order to open.

The [CDPH and Cal/OSHA COVID-19 Industry Guidance for Limited Services](#) defines Limited Services as follows:
