### F. Additional Measures to Protect Health:

- Maintain a log for the previous 14 days including customer name and contact information, time of appointment, and stylist/employee who had close contact so the log may be provided to Butte County Public Health for the purposes of contact tracing. *Note: Any haircut will be considered close contact for the purposes of contact tracing regardless of duration.*
- Suspend Walk-in appointment availability.
- Implement virtual check-in technology to ensure that workers are notified when a customer arrives. Ask customers to wait outside or in their cars or at home rather than congregating in the salon or barbershop. In larger locations, reception areas should only

have one customer at a time or modify the area for adequate physical distancing, including removing chairs and sofas.
