New COVID-19 Vaccination Clinics in Butte County

BUTTE COUNTY, Calif. – Butte County Public Health (BCPH) announces new COVID-19 vaccination sites.

These locations are considered Mobile Community Vaccination Clinics and will operate on a rotational basis throughout Butte County. All locations are open to the public, accept walk-ins and will offer the Pfizer vaccine approved for those 12 years old and over.

Vaccination remains the best way to protect yourself from COVID-19 and the emerging variants. Full protection against the virus occurs two weeks after receiving both doses of an mRNA vaccine or a single dose of the Johnson & Johnson vaccine. If the second dose of a two-dose vaccine was missed, reschedule as soon as possible, even if it is outside the recommended timeframe.

Mobile Community Vaccination Clinics

Vaccinations for people living or working in Butte County, ages 12 and older, who would like to book a first or second dose COVID-19 vaccine appointment. No ID required.
