Cases include suspect, probable and confirmed cases with episode date in the calendar year unless otherwise noted

Episode date is date of onset or closest approximation from available reporting data

Data are based upon Butte County surveillance and include suspect cases. Numbers may vary from CDPH data.

* Probable and confirmed cases only; 2018 case counts are pending de-duplication; the adoption of electronic lab HCV reporting in 2014 resulted in high case counts

** includes asymptomatic blood donors
