FOOD SAFETY ADVISORY GROUP

MINUTES

June 26, 2018 ❖ 10:00 - 12:00 P.M.

TAHOE ROOM ** 202 MIRA LOMA DRIVE, OROVILLE

I. Preliminary Items

A. Call to Order

Jennifer called the meeting to order at 10:05 a.m.

B. Roll Call and Determination of Quorum

Stephen Kenny (community event organizer), Richard Coon (farmer's market/local food), John Campbell (large market), Dean McKelvey (small market), and Jacqueline Deadmore (school nutrition) were present.

John Rawlings (Citizen at large), Michael Thomas (Large Restaurant), and Jim Flanagan (Small/Medium Restaurant) were not able to attend.

Emily Porter from Winchester Goose was added to the group as an additional representative of a Small/Medium restaurant, and Jesse Shepherd was added as another Citizen at large representative.

Jeremy Wolfe (Mobile Food) is no longer a member of the advisory group.

A quorum was established.

C. Introduction of Guests

Jennifer Veilleaux, Sherry Morgado, Jenifer Kovacs and Tayjes Patel attended the meeting on behalf of the Public Health Department.

D. Election of Officers

Steve Kenny agreed to be Chair and John Campbell agreed to be Vice-Chair.

E. Review of Minutes from May 22, 2018

Dean made a motion to approve the minutes as written. Steve seconded the motion and the motion passed unanimously.

F. Public Comment

None.

II. Action Items

A. Committee Membership

Jennifer will be calling Mobile Food Facility owners to find potential new committee members. Since it has been hard to find a news media representative, Sherry suggested we ask our Public Health Public Information Officer Lisa Almaguer to attend the meetings, and if there are news-worthy items that arise, she can advise us on the best way to inform the public. The group agreed that the News Media representative no longer needs to be a voting member of the group.

B. Temporary Food Facility Application & Handouts

1. There were no comments on changing these forms. A few members said they were easy to understand.

2. Jennifer mentioned that she has received comments about the Vendor Packet. Some people have been confused about the "One-Time event" fee because that is meant to be for events that are 2 days or less, but our application does not specify that. We will add that to the application.

III. Informational Non-Action Items

- A. AB 1826/SB 1383 -Mandatory Commercial Organics Recycling - Doug Danz, Program Manager with our Land Use Program gave us an overview on AB 1826 and SB 1383. AB 1826 is in effect now, and SB 1383 is still moving through the state legislature. AB 1826 states that by January 1, 2019, facilities that generate 4 cubic yards or more of waste per week will need to have an organic waste diversion bin. SB 1383 states that by 2020, landfills need to receive 50% less organic waste, and by 2025, there needs to be a reduction in organic waste by 75% of the 2014 level, and that 20% of disposed edible food needs to be donated for human consumption. It is still unclear who will be enforcing these laws, and how they will be enforced.

-Richard Coon was wondering if it would be possible for farms to take in food waste from businesses in order to compost it for a fee. Steve Kenny said that maybe the local high school Ag departments could take on composting for businesses. Doug will find out what they would need to do in order to be approved organic waste composting sites.

-John Campbell mentioned how he needs to find a facility that will take compostable paper products since Waste Management will no longer take it.

-It was also suggested that we have someone from Public Works and other stakeholders come to our meeting to discuss what these laws will mean to our food facilities.

- B. AB 626- Microenterprise Home Kitchen Operations. We discussed this law that is currently moving through state legislature. If it is passed, it would allow people to make up to 30 meals per day from their home kitchen, and have customers come to their home. Jennifer said that the majority of health departments are very nervous that this law may pass. Yolo County is already drafting an ordinance to not allow these operations to occur in their county. Butte County could also pass an ordinance disallowing these operations. The Group wants to know if it does pass, can we draft an ordinance to allow the operations, but to

make it stricter so that more requirements could be placed on those wanting to open these businesses. We will continue to follow this law.

IV. Agenda Preparation for Next Meeting

- A. It was suggested that we create informational binders for the new members like those given to the members back when the group was started. We will work on those.
- B. Group By-Laws- minor changes that were suggested by Roger Wilson with County Counsel, will need to be reviewed and voted on

The next meeting will be scheduled for September 11.

The group agreed that the best time to hold the meetings would be 2nd Tuesday of the month quarterly (unless more frequent meeting are needed).

Tentative FSAG Meeting Schedule

Tahoe Room at 202 Mira Loma Drive

10:00 a.m. - 12:00 a.m.

- September 11, 2018
- December 11, 2018
- March 12, 2019

V. Adjourn

Steve Kenny adjourned the meeting at 11:47am.

Minutes provided by Jennifer Veilleaux, Program Manager
