**Date:** February 29, 2016

**To:** Well Drillers Advisory Group

**From:** Brad Banner, EH Director 

**Re:** Well Drillers Advisory Group Meeting

---

I apologize for the short notice, but because there has been some confusion about our recent water adequacy policy changes, this meeting is being held to explain the policy, answer questions, and consider any modification that the group might recommend.

The meeting is scheduled as follows:

**Tuesday, March 8, 2016**  
**Tahoe Room at 202 Mira Loma Drive in Oroville**  
**3:00-5:00 p.m.**

Agenda topics:

- Implementation of New Water Adequacy Policy
- Water Resources Update
- Public Access to Water Well Reports
- Burning Issues from the Group.

I will look forward to seeing you all on Tuesday!
