

# Job Site Locator

**Dear applicant:** It is very helpful for staff when you clearly describe the location of the job site. This is especially important when the job site is in a remote area. Please complete this form and use the marker tape provided by our staff to clearly mark the entrance to the job site and proposed well location.

Provide **Written Directions** for Locating Job Site

Provide **Vicinity Sketch** to Assist in Locating Job Site

A decorative compass rose with a yellow center, red and blue points, and black letters for North (N), South (S), East (E), and West (W).
