Transition Services

Disability Benefits 101

Many people with disabilities fear that if they go to work, they'll lose needed health care and other disability benefits. DB101 helps people with disabilities and service providers understand the connections between work and benefits. DB101 will help you make informed choices and show you how you can make work part of your plan.

ca.db101.org

Genetically Handicapped Persons Program (GHPP)

The GHPP is a health care program for adults with certain genetic diseases. It helps people who are on GHPP with their health care needs. It works with doctors, nurses, pharmacists, and other members of the health care team in providing many types of health services.
