

County of Butte
Butte Wall Fire 2017 Emergency Event - Debris Removal Program
(530) 538-7681

REQUEST FOR LANDFILL FEE WAIVER ONLY

NOTE: All of the following information will be kept confidential. Please complete all of the requested information on this questionnaire. By signing this agreement, you are acknowledging that to be eligible for a landfill fee waiver you must provide documentation that your structural fire debris has been screened by a certified hazardous waste contractor and hazardous materials removed from the fire debris. Fire Debris cannot be delivered to the Neal Road Recycling and Waste Facility without prior approval by the County's Fire Debris Coordinator 530.879.2352.

PROPERTY INFORMATION

Physical Property Address: _____

APN#: _____ Identifying Features Remaining: _____

Name of Property Owner: _____

Current Mailing Address of Owner: _____

Current Phone Numbers for Property Owner:

Home: _____ Work: _____ Cellular: _____

Earliest Construction Date or Earliest Knowledge of Construction (Year) _____

Would you like to be contacted about removal of burned out vehicle(s)? YES NO

I am requesting **ONLY** a Landfill Fee Waiver based on County guidelines. I acknowledge that fire debris from property will be "certified" free of hazardous waste by a licenced Hazardous Material Removal Contractor. Documentation of inspection and hazardous material removal must be submitted prior to being accepted by the Neal Road Recycling & Waste Facility. For a list of Certified Hazadous Material Removal Contractors, Please contact the Butte County Environmental Health Division at (530) 538-7281. I am not authorizing Right of Entry and understand that I must provide documentation that my fire debris is free of asbestos and hazardous waste before it will be accepted by the landfill.
