MEDIA RELEASE

For Immediate Release, May 30, 2018

Traffic Delays due to Pavement Repairs on Cherokee Road and Derrick Road
June 4, 2018 through June 15, 2018

For more information contact: Scott Hightower at (530) 538-7681

Motorists, pedestrians and bicycles that travel Cherokee Road from Derrick Road to State Route 70 and Derrick Road from Oregon Gulch Road to Cherokee Road should expect 20 minute delays during the two-week time period from June 4th to June 15th, 2018, as Outback Contractors, Inc. will be performing pavement repairs. These repairs will begin Monday, June 4, 2018 and the work includes the removal and replacement of sections of failed asphalt. The hours of construction for this project are from 7:00 a.m. to 5:00 p.m. each day.

Motorists should expect delays during this construction project and are encouraged to use alternate routes whenever possible during this time period. If motorists must travel through the work zone, they are urged to use caution and to obey the directions provided by traffic control personnel. Public Safety emergency traffic will be given priority, and delays should be minimal.

Questions regarding this notification should be directed to Scott Hightower, Engineering Project Coordinator, Butte County Public Works Department at (530) 538-7681.
