MEDIA RELEASE

For Immediate Release

September 13, 2018

Honey Run Road Pavement Repair

For more information, contact: David Ullman at (530)693-6061

Butte County Public Works maintenance crews will be performing asphalt pavement repairs on Honey Run Road near Eskin Maidu Trail Road on Monday, September 17, 2018. The work location is approximately 1.7 miles above (east) of the Honey Run Road/Centerville Road intersection. Motorists, pedestrians and bicycles that travel this section of Honey Run Road are encouraged to use alternate routes as this section of roadway will be closed to all traffic, to ensure the safety of County work crews and the traveling public. The hours of construction for this work are from 8:00 am to 4:00 pm. Emergency Vehicles will be permitted through the work zone, but will be subject to 5 minute delays to move equipment out of the roadway to allow for safe passage.

The Butte County Public Works Department has been serving its residents since 1850, providing cost effective roadway maintenance services. The Department maintains approximately 1,300 miles of roadways, over 500 bridges and drainage structures and more than 18,000 road signs.
