## What is S.T.A.R.S.?

STARS volunteers work closely with law enforcement in a variety of non-hazardous activities helping to make our communities a safer place to live, work and play.

**The Butte County Sheriff's Office will provide the community with the use of wellness checks for both seniors and disabled citizens. We will create innovative solutions to specific crime, safety, and health issues.**

During home checks, we can provide brochures on a number of community resources and topics, such as crime prevention tips; public health services, fraud and identity theft, elder abuse issues, safety practices, fire hazards, information on the proper way to dispose of prescription drugs, and more!

**Program works in partnership and cooperation with other agencies, including:**

- 9-1-1
- Police and Sheriff's Office
- Fire Departments
- Ambulance Services
- Social Service Agencies
- Senior Centers

## Mission of S.T.A.R.S.

**To best serve our community, law enforcement agencies need to provide services that fit the needs of our senior citizens and the disabled. It is with this, in mind, that we have formed this Unit to look after the safety issues that concern seniors most.**

The STARS Unit feels that this program will enhance and assist the Sheriff's Office allowing them to focus on, and prioritize, more urgent matters. Increasing awareness of community safety benefits us all.

***NOTE: We are unable to perform personal tasks such as running errands, or providing transportation.***

STARS Unit of the Butte County Sheriff's Office is a 501c3 non-profit agency. We are the senior unit of volunteers who patrol and become the eyes and ears of law enforcement.

**We are here to help:**

1. To educate seniors in crime trends and crime prevention
2. To provide referral assistance for seniors for a variety of needs.
3. To provide awareness of suspicious activities involving seniors and disabled.
