Butte County Board of Supervisors
Butte County Chief Administrative Officer

The attached investment report for December 31, 2009 is submitted in accordance with the Butte County Statement of Investment Policy dated July 1, 2009. All investments are in compliance with this policy.

The attached Investment Report demonstrates that sufficient liquidity is available to meet anticipated expenditures during the next six months.

The Local Agency Investment Fund (LAIF) is used as a benchmark for portfolio performance. In the current market, the portfolio's yield may drop below LAIF's yield from time to time, as was the case in Fiscal Year 07/08. A look at the 5 year moving average for the Butte County Treasury yields vs. LAIF yields demonstrates that, over time, a medium term, laddered portfolio will generally outperform a shorter term investment strategy, which LAIF usually mirrors. The 5 year moving average for Butte County Treasury yields for Fiscal Years 06/07 and 07/08 compared to those of LAIF shows margins of 1.178% and .67%, respectively. Using \$275,000,000 as a baseline portfolio (actively invested balance), this translates to enhanced earnings averaging \$1,842,500 per year for the past five years.

Investments are marked to market monthly based on a current market price determined by US Bancorp Investments.

Quarterly Investment Reports are made available on the Treasurer-Tax Collector website at <http://www.buttecounty.net/ttc>.

Yours truly,

Handwritten signature of C. Linda Barnes in blue ink.
