Butte County Board of Supervisors  
Butte County Chief Administrative Officer

The attached investment report for March 31, 2010 is submitted in accordance with the Butte County Statement of Investment Policy dated July 1, 2009. All investments are in compliance with this policy.

The attached Investment Report demonstrates that sufficient liquidity is available to meet anticipated expenditures during the next six months.

The Local Agency Investment Fund (LAIF) is used as a benchmark for portfolio performance. A look at the 5 year moving average for the Butte County Treasury yields vs. LAIF yields demonstrates that, over time, a medium term, laddered portfolio will generally outperform a shorter term investment strategy, which LAIF usually mirrors. The 5 year moving average for Butte County Treasury yields for Fiscal Years 07/08 and 08/09 compared to those of LAIF shows margins of .670% and .484%, respectively. Using \$300,000,000 as a baseline portfolio (actively invested balance), this translates to enhanced earnings averaging \$1,731,000 per year for the past five years.

Investments are marked to market monthly based on a current market price determined by US Bancorp Investments.

Quarterly Investment Reports are made available on the Treasurer-Tax Collector website at <http://www.buttecounty.net/ttc>.
