Butte County Board of Supervisors
Butte County Chief Administrative Officer
Treasury Oversight Committee

The attached investment report for September 30, 2014 is submitted in accordance with the Butte County Statement of Investment Policy dated July 1, 2014. All investments are in compliance with this policy.

The Investment Report demonstrates that sufficient liquidity is available to meet anticipated expenditures during the next six months.

The Local Agency Investment Fund (LAIF) is used as a benchmark for portfolio performance. A look at the 5 year moving average for the Butte County Treasury yields vs. LAIF yields demonstrates that, over time, a medium term, laddered portfolio will generally outperform a shorter term investment strategy, which LAIF usually mirrors. The 5 year moving average for Butte County's FY 12/13 and FY 13/14 performance compared to LAIF shows margins of 1.541% and 1.384%, respectively. Using \$350,000,000 as a baseline portfolio (actively invested balance), this translates to enhanced earnings averaging \$4,844,000 per year for the past five years.

Investments are marked to market monthly based on a current market price determined by U.S. Bancorp Investments.

In 2011, Standard & Poor's Rating Agency downgraded U.S. Government debt (Treasuries) and its Agencies, including FHLB, FHLMC, FNMA, FFCEB and FDIC insured debt, to AA+. The two other rating agencies, Moody's and Fitch, continue to reaffirm these same debt issuers at the AAA rating level, and Moody's rates the outlook on the U.S. Government debt as "stable."

Quarterly Investment Reports are made available on the Treasurer-Tax Collector website at <http://www.buttecounty.net/ttc>.

Respectfully,

Peggy Moak
Butte County Treasurer-Tax Collector
