April 29, 2022

Butte County Board of Supervisors
Butte County Chief Administrative Officer
Investment Pool Oversight Committee

The attached investment report for March 31, 2022 is submitted in accordance with the Butte County Statement of Investment Policy dated July 1, 2021. All investments are in compliance with this policy.

The Investment Report demonstrates that sufficient liquidity is available to meet anticipated expenditures during the next six months.

The Local Agency Investment Fund (LAIF) is used as a comparison against Butte's portfolio performance. The 5 year moving average for the Butte County Treasury yields vs. LAIF yields demonstrates that over time, a medium term laddered portfolio will generally outperform a shorter term investment strategy, which LAIF mirrors. The 5-year moving average for Butte County's FY 19/20 and FY 20/21 performance compared to LAIF shows margins of 0.529% and 1.291%, respectively. Looking at a ten-year average, the portfolio yield has exceeded LAIF's average yield by .339%. Translating this into dollars with an average invested balance of \$626,538,917 the pool participants benefited by an average of \$2,123,967 per year in enhanced earnings.

NOTE: Fair values are trending higher than cost carried due to a declining yield environment.

Investments are marked to market monthly based on a current market price determined by U.S. Bancorp Investments. Copies of statements reflecting investment and cash management transactions are provided to the Board of Supervisors monthly and are available upon request.

Quarterly Investment Reports are made available on the Treasurer-Tax Collector website at <http://www.buttecounty.net/ttc>.

Respectfully,

Troy Kidd
