

Overview

SimplyE - Library eBooks Made Simple

Read eBooks from all of our collections in one app - no multiple accounts and apps any more!

Browse

130,000+ eBooks, from bestsellers to classics

Get the App

Get it on the [App Store](#) or [Google Play](#)

Gestures

Tap to select or activate an item on the screen.

Flick to quickly scroll a list of books.

Swipe up, down, left or right to move through a list of items

Drag down and release to refresh a list of items.

Add your library

Tap Find Your Library to choose a library you have a library card with. If you are a member of more than one you can simply choose your primary library and add more later under the **Settings** tab.

Tap Add a Library Later to read The SimplyE Collection without a library card.

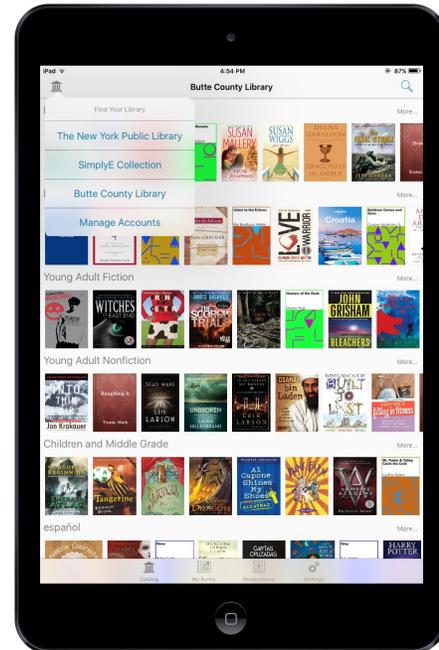

Menu Bar (Top) and Tab Bar (Bottom)

The **Menu Bar** has three elements (from left to right):
Library Selector, Current Library and the Search button.

Tap the **Library Selector** to toggle between different library accounts.

The **Tab Bar** has four elements (from left to right):
Catalog, My Books, Reservations and Settings

Tap each element to switch to the corresponding tab to browse the catalog, view your checkouts or reservations, and manage accounts and settings.

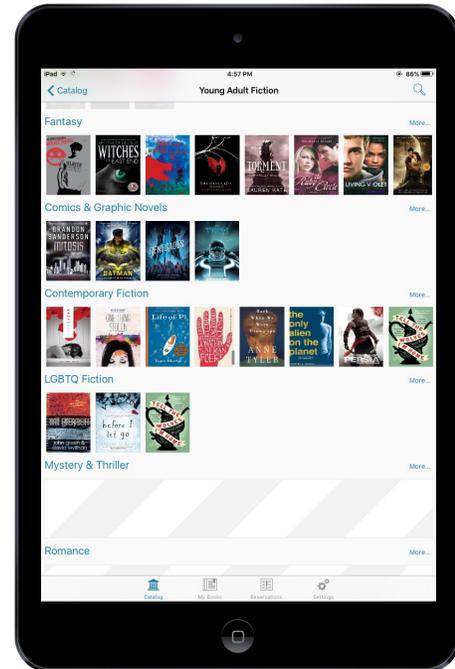

Browse

Scroll up and **down** to look through categories. **Swipe left** or **right** to see more recommended titles within categories.

Tap more... to see subcategories or all books under a genre.

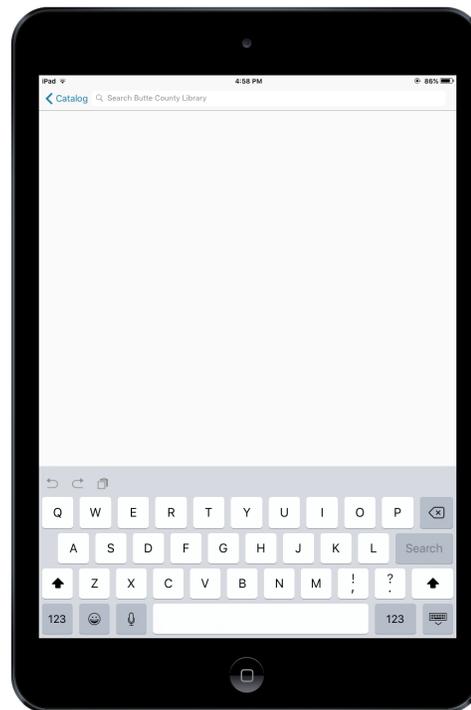

Tap a book cover to view book description.

Search

Tap the Search icon in the upper right of the Menu Bar to search by keywords.

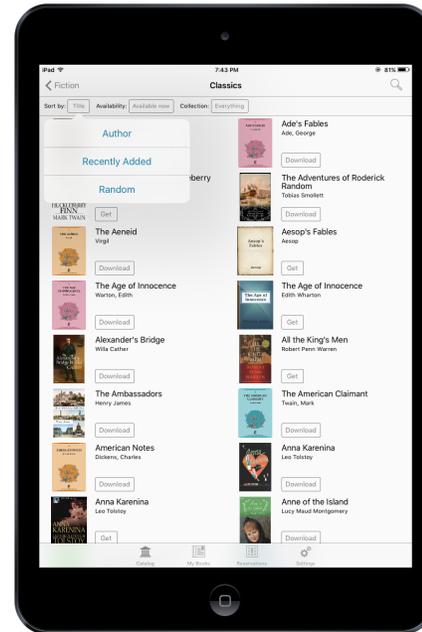

Sort and Filter

When browsing all books within a category, sorting and filtering criteria can be applied by using the Sorting and Filtering menu below the **Menu Bar**.

Sorting and filtering is also available under **My Books** and **Reservations**.

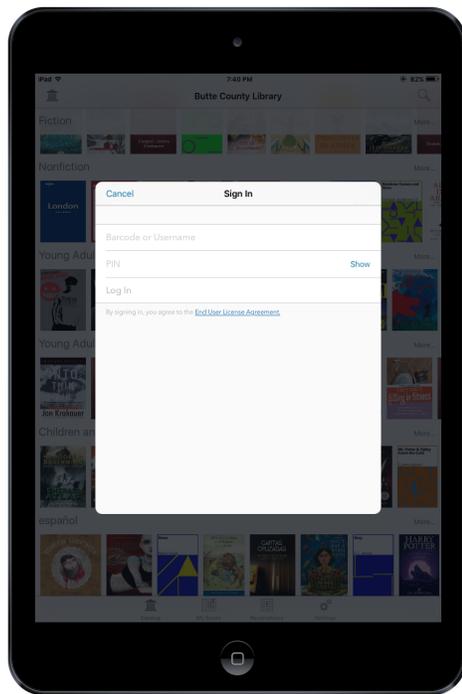

Borrow, Reserve and Return

From the **Catalog** tab, **Tap** a book cover to bring up the book description, then **Tap Get** to request the item.

If you haven't logged in with a library card, the **Sign In** screen will pop up; if you already signed in, the item will be requested and then either checked out and downloaded or reserved*.

*Book availability is updated both periodically and at the time of checkout, if a book becomes unavailable since last status update, the book will be reserved, however, if a book becomes available since last status update, after tapping the Reserve button will check the item out.

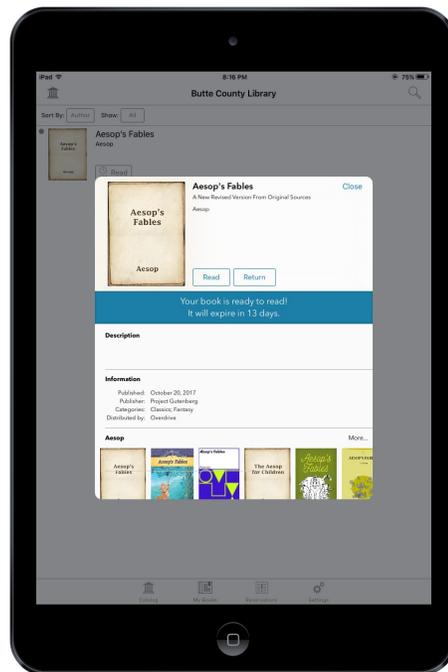

Borrow, Reserve and Return

Borrowed and reserved books can be seen by switching to **My Books** and **Reservations** tab.

Tap a book cover to bring up the book description window to **Return** the item.

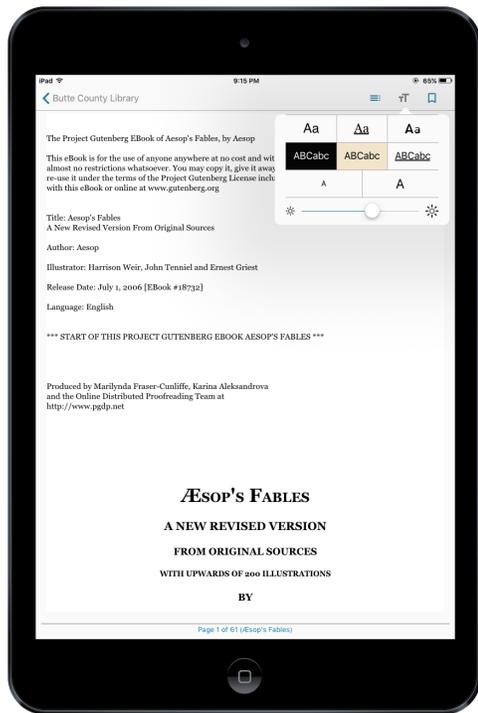

Read

While reading, **Swipe** left or right, or **Tap** the page edges to turn pages.

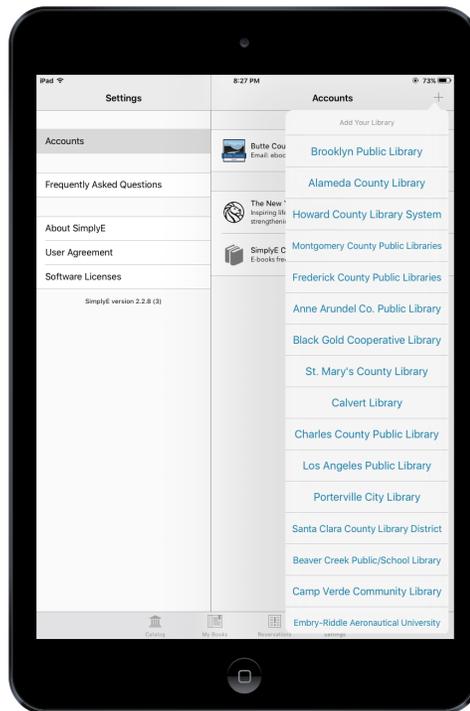

Tap anywhere on the page to bring up the menu bars to see **table of contents**, adjust **font size**, **lighting** and **background color** or **bookmark** a page. **Tap** anywhere on the page again to resume to full-screen reading.

Settings

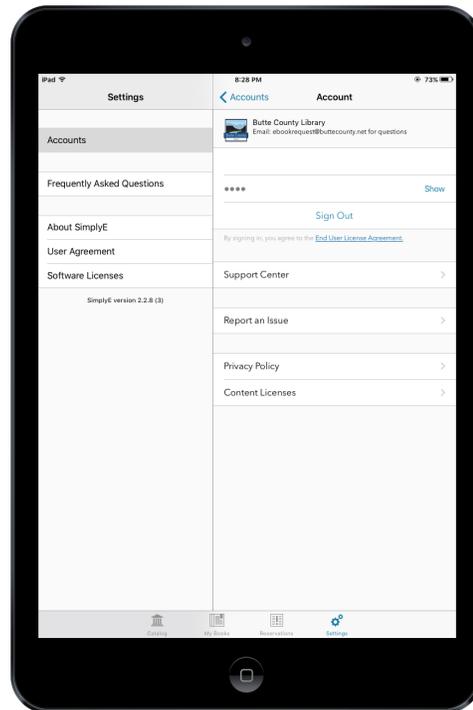

Under the **Settings** tab, you have the options to add more accounts, read the FAQ and view the User Agreements and Software Licenses.

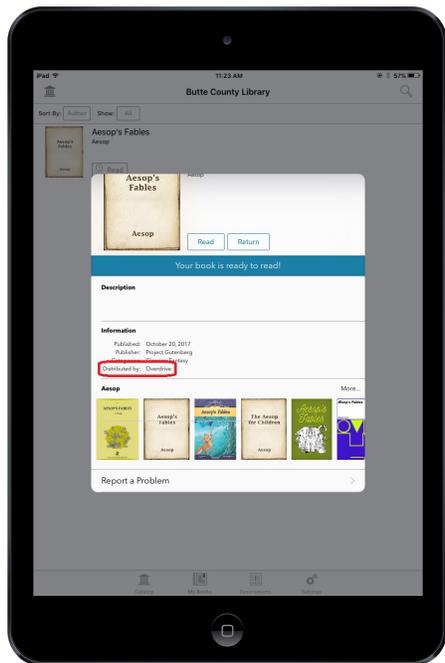

Settings

Tap the library name under the **Accounts** section to manage an account, Report an Issue and view policies and licenses.

Checkout Limits

SimplyE doesn't have a limited number of items a patron can check out, however, checkout limits are still applied by each vendor. Vendor info can be found on the book details screen under **Distributed by**. If you hit the checkout limit set by one vendor, try pick a title from another provider.

Vendor limits:

Axis 360: 5 Checkouts. 21 days loan time.

RBdigital: Audiobooks and eBooks each have 10 checkouts. 21 days loan time.

Libby | OverDrive: 4 Checkouts, 4 Holds. 14 days loan time.

Enki: 21 days loan time.
