

Butte County Library

Teen Volunteer Program

The Teen Volunteer program is open to anyone between the ages of 14 and 18. It is intended to both better connect teens with the Butte County Library, and provide benefits to the library, the community, and to the individual participants.

Teen Library Volunteers (TLVs) work regular shifts doing whatever tasks will most contribute to the efficiency of the library in its mission to serve the residents of Butte County. TLVs usually work 2 hours a week. The library staff will decide which tasks are most important on a particular shift, and will provide the necessary training. The largest need is shelving returned items. Physical stamina and mental concentration are both necessary. Other tasks may include shelf straightening and shelf reading, helping to create display materials, assisting with library sponsored programs, emptying book trucks, and being a technology helper.

If you are interested in joining this program, please fill out the application and return it or email it to the branch where you are interested in volunteering. After your completed application has been turned in at the library, you will be contacted for an interview with one parent or guardian accompanying you.

Teen volunteers must be 14-18 years of age, and have parent/guardian permission to volunteer.

I hereby apply for work as a volunteer at the Butte County Library. I understand that if I am accepted, I will be expected to follow an Acceptable work schedule and to notify the volunteer coordinator if I am unable to work as scheduled. I agree to volunteer at the library for two hours per week for a minimum of one year.
