Oath of Office Required? (Upon Appointment or Reappointment): Yes

Statement of Economic Interest - Form 700 Filing Required?: Yes

AB 1234 Ethics Training Required? : Yes

Terms - (Use this field to put in if terms are staggered, or coincide with the appointing board members etc.): Terms of office of the members shall be four (4) years expiring on June 30 of the appropriate years and subsequent new terms shall begin July 1 of

that year. The first term of office shall be deemed to commence on July 1, 2004 only for purposes of subsequent appointment of members. (For all other purposes, the first set of committee members commenced their terms on April 27, 2004.) A member whose term of office has expired shall continue to serve in that capacity until a new appointment is made. Members may be removed from the Committee at any time by a majority vote of the Board of Supervisors.

INTERNAL NOTES: 7/9/19 Andy P Email - "This Committee was created by GC 12715(b)(1), which states: "There is hereby created in each county in which Indian gaming is conducted an IGLCBC." So by virtue of having local gaming the IGLCBC exists. However, the sole purpose of the committee is to award grants from the Special Distribution Fund (SDF) allocated to the county. However however, SDF dried up 4 or 5 years ago and it is not returning, so there is literally nothing for this committee to do. Per GC 12718, unless the legislature updates the terms, the IGLCBC will expire on January 1, 2021. So at this point it looks like we're just waiting for it to expire. I should mention that the IGLCBC by laws section 2 says: "A member whose term of office has expired shall continue to serve in that capacity until a new appointment is made." Also, there is a provision for vacancies, whereby a member can resign or the BOS can, by majority vote, take someone off the committee. Since the by laws make a distinction between vacant seats, and expired terms, we technically don't have vacancies on the committee. We have expired terms, which according to the by-laws, continue to fill the seats."

INTERNAL NOTES: 3/4/20 Ashley Email - I see that all terms of the members on the GPAC expired in November of 2019. Should we get them reappointed soon?

3/4/20 Paul Email - The GPAC is no longer viable and will be proposed for elimination. It was formed to advise the BOS on SGMA implementation. With the governance structures formed in the 3 subbasins, the County is responsible for SGMA implementation in a small portion of the Butte subbasin. The GPAC members support eliminating it. We haven't had time to

propose rescinding the Resolution that formed the GPAC. I could plan to do that sometime this spring. Is it a problem for you to keep the members appointment expired?

3/4/20 Ashley Email - Thank you! It is not a problem keeping them as is until the Department has time to bring forth a resolution.
