

Addendum to Solid Waste Management System

This addendum contains information and pictures of the existing RFID System used by the County of Butte Department of Public Works at the Neal Road Recycling and Waste facility

See pictures for details on RFID System.

SmartPass Scanner (also seen in pictures) is made by TransCore (model AT1620\10T28) Amtech Systems Division

RFID cards are also made by Amtech (model AT5105 04027)
