

**Domestic Well Count Distribution**

- 1 to 10 domestic wells per section
- 11 to 25 domestic wells per section
- 26 to 50 domestic wells per section

- Sacramento Valley Basin boundary
- County boundaries

N  
▲

This map provides an overview of the regional and local extent of groundwater development. The number of wells identified within each section is based on well completion reports submitted to DWR through December, 2008. It's important to note that a number of wells have been constructed without the submittal of a well completion report and have not been included in this tabulation. The number of wells falling into this category is unknown.
