

Young Parents Program

Parent Education Network

Debbie Holmes, Program Supervisor
Alea Bowden, Family Support Worker
Lily Ramirez, Outreach Coordinator
Jennifer Hubbs, Receptionist

The Young Parents Program (YPP) is an expansion grant. The original grant provided parenting classes, case management and recreational activities to young parents in Oroville/Palermo. The intent of the expansion grant was to bring these services to Gridley/Biggs and increase the number of young parents receiving services in Oroville/Palermo. In addition, the expansion grant proposed Young Father's Support Groups and recreational activities (specifically for fathers) for both locations and an Alumni Group for Oroville/Palermo. The purpose of the Alumni Group is to train alumni volunteers to continue the program once BBCFC funding ceases.
