

Butte County Hepatitis C Task Force
Minutes: April 11, 2007

Educational Moment - Jeannie

Old Business:

Letter to GIs discussed; mailed April 4th.

HCV funds held by the Health Department discussed; several people tested last month using Task Force funds.

Annual HCV Task Force in Fairfield discussed; Dr. Al-Dwairi presented. Task Force members attending: Dr. Al-Dwairi, Sherry, and Patricia. Report; great conference. Somewhat disorganized due to illness of founder/organizer.

HCV Classes discussed; a few attendees at each site.

New Business: Alice Kienzle of the Butte County Meth Task Force gave a very informative presentation about the goals of the Task Force and the seriousness of the meth users impact on society. The Health Department has a drug rehab program for meth users now. Literature distributed.

Next meeting: May 9, 2007
