

## **Butte County Hepatitis C Task Force**

The Butte County Hepatitis C Task Force is made up of health care professionals, social and health agency staff, people infected with hepatitis C, and other concerned members of the community. The goal of the Task Force is to educate the public and health care professionals and to assist those infected to improve their outcomes. By sharing information and resources, the Task Force seeks to prevent new infections, and better serve those infected with hepatitis C throughout the county.

For more information about the Butte County Hepatitis C Task Force, call 538-7044 or 538-2889.
