

# Manager Certification

California Retail Food Code requires each food facility to have at least one owner/employee that has passed a state-approved food safety certification exam. Each certification is applicable to only one facility. These certificates are valid for 5 years and must be renewed.

The state-approved certification is available from the following:

## Approved Certification Examinations

- Certified Professional Food Managers  
Thomson Prometric  
[www.prometric.com.foodsafety](http://www.prometric.com.foodsafety)
