

Teen Safe Driving Programs/Resources

Driver Training Resources

CHP Start Smart Program – “Driving smart to stay safe”

Assists young drivers and their parents to understand responsibilities associated with driving a motor vehicle. Goal is to reduce the number of teen-related injuries and deaths due to vehicle collisions through avoidance techniques and understanding graduated driver licensing laws. Classes offered 4-6 times a year. Reservations requested. Call Chico CHP office 530-879-1999.
