#### Guidelines to Follow

**Keep all medications (liquids and solids) out of the water supply.** Do not dispose of unwanted medications by pouring them down a drain or flushing them down a toilet. Many medications cannot be removed by wastewater treatment plants. Some of them even damage the treatment system.

# **NATIONAL DRUG TAKEBACK INITIATIVE\* & 3rd Annual (County-wide) DROP THE DRUGS campaign**

**FREE and OPEN to the Public**

**Do you have unwanted medication in your home? Help protect your family, community, and environment: Bring your unwanted or expired medication and drop them off at one of four locations throughout the county on SAT., SEPT 25! Law enforcement will properly dispose of all dropped-off pharmaceutical drugs. No needles/sharps accepted. No pill bottles/containers accepted, so please take your pills out of the containers and place pills in plastic bag before dropping off your medications. Thank you!**

**HELP KEEP OUR  
TEENS SAFE &  
OUR WATER CLEAN**
