**Oroville, CA** – Butte County officials announced that they will start live audio streaming of regular Board of Supervisors meetings effective Tuesday, March 29, 2011. The audio stream can be accessed in the County’s webpage, [www.buttecounty.net](http://www.buttecounty.net) by clicking on the “Live Board Audio” link or can be accessed directly at: <http://www.buttecounty.net/LiveBoardAudio>

Currently, recorded Board of Supervisors meetings are broadcast on Comcast Cable Channel 11 on the Sunday evening following the Board of Supervisors meeting. These broadcasts will continue.

In the next few months, archived video of Board of Supervisors meetings will be available on the County’s website. Until that time, audio archives of Board meetings will be posted on the Clerk of the Board website.

The County is also working toward providing live video streaming of Board meetings later this year.
