CAL FIRE/Butte County to Hold Control Burn – Training Exercise

Butte County– CAL FIRE/Butte County Fire Department will hold a control burn and training exercise on Wednesday, November 2, 2011 in the area of the H line in the Cohasset Area from 9:00 a.m. – 3:00 p.m. While the location of the control burn is remote, smoke may be visible in the surrounding areas throughout the day. Weather conditions will be monitored and the burn may be postponed if burning conditions are found to be unfavorable.

This control burn will continue the project started last week to thin the understory growth in existing fuel breaks to enhance the existing fuel reduction project.

###

Media directions to Incident:

Take Cohasset Road past the end of the pavement and continue 2 (two) miles past the Radio Towers.
