

**County of Butte
Department of Child Support Services**

**DO YOU OWE CHILD SUPPORT?
HAS YOUR DRIVER'S LICENSE BEEN SUSPENDED?
WE CAN HELP!**

Here are some ways we may be able to help:

✓ Driver's License Release

If a suspended license is making your job search difficult, we may be able to help. August is Child Support Awareness Month. During the month of August we will release your driver's license with a payment equal to one month's child support obligation plus \$25.00.

✓ **Compromise of Arrears Program (COAP)**

Want to wipe out up to 90% of your child support debt? The COAP program allows you to pay a lesser amount of your child support over three years, during which time, up to 90% of your debt may be wiped out. Contact us immediately to see if you qualify.

✓ **Review and Adjustment of Child Support (order modification)**

Do you feel that your child support obligation is too high? You may be eligible to have your child support order modified. Even if there has been a recent change in your income, contact us for a review.
