## Press Release

The Butte County Department of Public Works is providing notification that bridge construction will begin Monday, May 16, 2011, continuing through October of this year. The project on Loma Rica Road across South Honcut Creek is approximately 7.5 miles east of State Route 70. The project involves, in general, constructing a 240-foot long bridge having an overall width of 32 feet together with the removal of the existing bridge and reconstructing approximately 700 lineal feet of roadway.

Loma Rica Road will be closed to all through traffic. Traffic will be re-routed from La Porte Road via Ramirez Road via Fruitland Road and will create an approximate 10 minute delay.

Fines are doubled for traffic violations in construction zones and these regulations will be enforced.

Questions regarding this notification should be directed to Butte County Public Works at 538-7681.

Mike Crump,  
Direction Butte County Department of Public Works
