NEWS RELEASE

The Butte County Department of Public Works wishes to inform the general public of an upcoming project.

The Construction of Oro Bangor Highway Rehabilitation Project is scheduled to begin the week of August 2, 2010, and will continue through September 30, 2010. The work location begins as approximately 1150-feet north of Whitehall Ravine, which is located just north of the Town of Bangor, on Oro Bangor Highway, and runs approximately 2.0 miles to 865 feet south of Swedes Flat Road.

Motorists should expect delays, as there will be one-way controlled traffic during construction from approximately 7:00 am through 5:00 pm daily.

Emergency situations will be handled immediately.

Motorists are urged to use caution while passing through the construction area. Fines are doubled for traffic violations in construction zones and the CHP will be enforcing these regulations.

Questions regarding this notification should be directed to the Butte County Public Works Department at (530) 538-7681.

Mike Crump,
Director Butte County Department of Public Works
