## Coordinating Committee Meeting Agenda 4:00 PM

**Invited guests:** Dallas Koller, BC Prescribed Burn Association

**Self-Introductions:** Josh Pack or designee Susie Akins, Paula Daneluk, Kamie Loeser, Peggy Moak (committee members)

- 1) Review and approval of Minutes
- 2) Resolution providing for remote teleconference meeting for the period of January 3, 2023 through February 1, 2023. On September 16, 2021, Governor Newsom signed AB 361 to amend the Brown Act to allow legislative bodies to meet via teleconference during a proclaimed state of emergency in accordance with procedures established by AB 361 rather than under the Brown Act's more narrow standard rules. If the BUTTE COUNTY FEDERAL STATE LAND USE COORDINATING COMMITTEE desires to continue to have the ability to meet remotely via teleconference without meeting the more narrow standard Brown Act rules, the BUTTE COUNTY FEDERAL STATE LAND USE COORDINATING COMMITTEE is required to adopt a resolution making the findings required by AB 361. Adoption of a new resolution is required as each 30 day period elapses.

**ACTION REQUESTED:** Adopt the Resolution and Authorize Committee Member to sign

- 3) A recommendation to the Board for the proposed Feather River Canyon National Monument
- 4) A letter to our Congressmen and pertinent agencies regarding the importance of flexibility on smoke emission standards as they apply to prescribed fire. Currently, federal regulations are pending that would collapse the "good fire" burn windows by an estimated 70-80%.
- 5) Approval of the draft letter to the BLM supporting their participation in local fuels reduction projects.
- 6) PUBLIC COMMENT: (THE COMMITTEE IS PROHIBITED BY STATE LAW FROM TAKING ACTION ON ANY ITEM PRESENTED IF IT IS NOT LISTED ON THE AGENDA.)
