

DEPARTMENT OF WATER & RESOURCE CONSERVATION
Invites your interest for the position of
GROUNDWATER SUSTAINABILITY AGENCY (GSA) PROGRAM MANAGER

The Butte County Department of Water and Resource Conservation (WRC) is seeking a Program Development Manager to serve as the **GSA Program Manager** for both the Vina GSA and Wyandotte Creek GSA. This position is an excellent opportunity for a dedicated and committed individual to help shape the GSAs, partnering with an engaged community of industry, agricultural, environmental, and community interests, to find creative and collaborative problem-solving approaches to sustainably managing groundwater in the subbasins.

THE IDEAL CANDIDATE

The GSA Program Manager position requires someone with an understanding of how to operate public agencies or districts; convening both advisory committees and governing bodies. A strong communicator, comfortable interacting with state, local, and regional government entities, community groups, organizations and members of the public to foster partnerships and cooperation among diverse coalitions of stakeholders. Familiarity with SGMA or groundwater is a plus.

THE POSITION

This position provides a multitasking, problem-solving administration opportunity to work on policy, planning, and communications activities of the GSA. This position is supported by Management Committees from each GSA, made up of member agency staff, a GSP Plan Manager technical expert, and works closely with the Butte County WRC Director to manage professional, technical, administrative support staff, and contract consultants. This position directly oversees and manages the day-to-day GSA operations and SGMA compliance activities; oversees GSA fiscal management, provides project and contract management, develops annual work plans, and oversees and manages GSA Management Committees, Boards of Directors, and Advisory Committees. Serves as the fiscal agent for the GSA and represents the GSAs at water industry events.
