

BUTTE COUNTY DISTRICT ATTORNEY

MICHAEL L. RAMSEY
District Attorney

MARK MURPHY
Chief Deputy District Attorney

JUAN DIAZ
Chief Investigator

PRESS RELEASE

For Immediate Release

June 28, 2020

District Attorney Mike Ramsey reminded the public today that **any** possession of **fireworks**, even those designated as “**safe and sane**,” within the unincorporated portions of Butte County is **illegal** and strictly **prohibited**. Ramsey noted that **only** the cities of **Oroville** and **Gridley** allow for the sales of “safe and sane” fireworks within their city limits.

Ramsey noted that any lighting or even possession of any fireworks **outside those city limits** is illegal and subject to fines upwards of a **\$1000** and six months in county **jail**. Fire danger is high and any possession in the county area will be vigorously prosecuted.

“Do not buy fireworks within the city and believe just because they are designated as ‘safe and sane’ that they can be taken out of the city. **No fireworks can leave the city limits**,” Ramsey said.

Ramsey also warned that any fire either intentionally or negligently set by fireworks would be prosecuted as a felony.
