**Approved List of Bloodborne Pathogen Trainings**

The California Safe Body Art Act requires all body art practitioners to complete an annual bloodborne pathogens exposure control training. This is a list of bloodborne pathogen trainings that have been identified to date that meet the requirements of Health and Safety Code Section 119307(c) as of the date this list was generated; there may be other courses offered by various providers that would also meet the Health and Safety Code requirements that have not yet been identified or verified for inclusion herein.
