HOUSING NAVIGATION CENTER

Housing Navigators

Our Vision

Implement a centralized coordinated system that unifies homelessness, Resiliency and Housing Sustainability. Promote case management that builds upon existing programs and services together in one location; which builds a stronger, more prosperous and progressive community.

We are a small team dedicated to break down housing barriers and end homelessness.

We work collectively with local partners, emergency shelters, social and behavioral health services, and other organizations to provide a holistic approach to address the needs of our community toward housing stability.
