RE: Ethics Training

Dear Members of the Butte County Grand Jury:

We have received and read the recommendation, that, although our Directors and Officers are exempt from mandatory 2-hour ethics training requirements because they do not receive compensation as Directors or Trustees, that ethics training should be undertaken in any case.

However, in an effort to observe the spirit of the law we have been presented ethical training by legal counsel; which is approved by the Fair Political Practices Commission and provided the internet address for the Fair Political Practices Commission to our Directors, Officers and Trustees, which is www.fppc.ca.gov.

Sincerely,

Ted Trimble
Manager
