Special Distribution Fund Grant Application

Attachment D – Partial Funding Worksheet

If the project or program will provide a benefit to the jurisdiction for impacts in relation to gaming, explain the proportion of the benefit for gaming vs. non-gaming related impacts. For example, if the grant application is for a \$500,000 project to pave a road that is used by casino patrons as well as other travelers, and traffic counts show that 5% of the traffic goes to the casino, the proportional benefit for non-gaming impacts is 95%. Therefore, the grant request must be for \$25,000, which is 5% of the full project cost of \$500,000. In determining proportional funding, if any, you must use measurable data such as caseloads, service calls, client base, etc. Please describe methodology used.

Attachment F – Acknowledgement of Terms of Grant

Grant recipients must adhere to the following requirements of the program:

1. If a local jurisdiction uses grant funds for any unrelated purpose, the grant shall terminate immediately and any moneys not yet spent will revert to the Indian Gaming Special Distribution Fund.
2. If a local jurisdiction approves an expenditure that mitigates an impact from a casino on a local jurisdiction and that also provides other benefits to the local jurisdiction, the grant funds shall be used to finance only the proportionate share of the expenditure that mitigates the impact from the casino.
3. A grant may not be made for any purpose that would support or fund, directly or indirectly, any effort related to the opposition or challenge to Indian gaming in the state, and, to the extent any awarded grant is utilized for any prohibited purpose by any local government, upon notice given to the County by any tribe from whose Individual Tribal Casino Account the awarded grant went toward that prohibited use, the grant shall terminate immediately and any moneys not yet used shall again be made available for qualified proximity grants.
4. A local government jurisdiction that is a recipient of a grant from an Individual County Tribal Casino Account or a County Tribal Casino Account shall provide notice to the public, either through signage, or other mechanism, stating that the local government project has received funding from the Indian Gaming Special Distribution Fund and further identifying the particular Individual Tribal Account from which the grant derives.
5. A local government jurisdiction that receives a grant from an Individual Tribal Casino Account shall deposit all funds received in an interest bearing account and use the interest from those funds only for the purpose of mitigating an impact from a casino. If any portion of the funds in the account are used for any other purpose, the remaining portion shall revert to the Indian Gaming Special Distribution Fund. As a condition of receiving further funds, a local government jurisdiction, upon request of the County, shall demonstrate to the County that all expenditures made from the account have been in compliance with the requirements of this section.
6. At the request of the County, I agree to submit an annual report that will include the following information: 1) the amount of grant funds received; 2) a description of the project funded; 3) a description of how the project mitigates the impact of tribal gaming; 4) the total expenditures for the project; 5) all administrative costs related to the project; 6) the funds remaining at the end of the fiscal year; 7) an explanation regarding how any remaining funds will be spent, including the estimated time for expenditure; and 8) a description of whether each project is funded once or on a continuing basis.
