

11-4 - Fencing of open junk storage areas.

Junk shall not be stored in the open unless the premises upon which it is stored is enclosed by a fence of a type and height recommended by the planning commission and included in their instructions to applicant, as provided in section 11-13 and as finally determined by the board of supervisors.

Each and every person, whether subject to the provisions of this chapter or not, and whether licensed under this chapter or not, who allows junk to be stored, located, situated, or piled on property or premises over which he has control, which is not obscured from public view by a fence as herein required, shall, after reasonable notice is served upon him in writing by the department of development services of the county, either remove such junk or obscure the same from the public view by a fence as herein provided, and upon failure to do so, shall be guilty of a misdemeanor. The continued existence of such condition shall be deemed a separate and distinct offense for each and every day that such condition continues to exist after the time stated in the notice; and it shall be the duty of the district attorney to prosecute such violations until the condition is abated, fenced or removed.
