- Conduct of Public Hearings – the public is encouraged to participate in the hearing process. An agenda item is first introduced by the Zoning Administrator and then presented by a staff member. Following the proponents statement, if any, the Zoning Administrator will invite any other interested party in support of the item to address the matter. Following the testimony of the proponent and supporters, opponents are given an opportunity to present testimony regarding the item. After the opponents have completed testifying, the proponent is given time to offer rebuttal. At the conclusion of testimony, the Administrator will close the hearing.
- In the interest of everyone concerned, we request that you do not repeat what has already been discussed by someone prior to your turn. After a speaker has presented his/her views, if you are in agreement and wish to go on record, state your name and address and acknowledge your agreement with the speaker. This will enter your name into the record. Please limit presentations to a maximum of 3 minutes or other time limit as determined by the Zoning Administrator so that all interested parties will have opportunity to speak. Following your presentation, please print your name and address on the speaker’s sheet, in order to obtain correct spelling and maintain accurate records.
